St. Nicholas Hotel.
BROADWAY, NEW-YORK
WHEN completed, six years ago, the St. Nicholas was universally pronounced the most magnificent, convenient, and thoroughly organized establishment of the kind on this continent. What it was then it remains to-day—without a rival in size, in sumptuousness, and in the general elements of comfort and enjoyment. The Hotel has accommodations for 1,000 guests, including 100 complete suites of apartments for families. Six hundred persons can be comfortably seated at the tables of its three public dining rooms, and nothing that modern art has devised for the convenience and social gratification of the traveling public has been omitted in its plan, or is neglected in its practical details. The early reputation of the house at home and abroad, derived from its magnitude, its superb appointments, and its home-like comforts and luxuries, has been enhanced every year by the unwearied exertions of the proprietors.

THE GREATEST
MEDICAL DISCOVERY OF THE AGE.
MR. Kennedy, of Roxbury, has discovered in one of our common Pasture Weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst scrofula down to a common pimple. He has tried it in over eleven hundred cases, and never failed except in two cases (both blunder humor.) He has now in his possession over two hundred certificates, of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will cure the system of boils.
Two bottles are warranted to cure the worst kind of canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst kind of erysipelas.
One to three bottles are warranted to cure all humor in the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruptions of the skin.
Two to three bottles are warranted to cure the worst kind of ringworm.
Two to three bottles are warranted to cure the most desperate case of Rheumatism.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
ROXBURY, MASS.
DEAR MADAM.—The reputation of the Medical Discovery is curing all kind of humors, is so well established by the unanimous voice of all who have ever used it, and I need not say anything of the subject, as the most skillful physicians and the most careful druggists in the country are unanimous in its praise.
In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are unfortunately so liable. The most excruciating disease to an affectionate mother,
NURSING SORE MOUTH,
is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and quiet slumbers; and the Medical Discovery becomes a fountain of blessing to your husband and household.
In the more advanced stages of
CANKER
it extends to the stomach, causing
DYSPEPSIA,
which is nothing but canker on the stomach; then to the intestines and
KIDNEYS,
creating a sinking, gone feeling, and an indifference even to the cares of your family.
Your stomach is
RAW AND INFLAMED,
your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best days are gone. For want of nourishment your system becomes loose and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to
CURE,
Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases, the
PILES.
How many thousands of poor women are suffering from this disease, and pining away a miserable life, and their next door neighbor does not know what is the cause. I wish to impress on your mind that good old proverb. "An ounce of prevention is better than a pound of cure." In the
MEDICAL DISCOVERY
you have both the preventative and the cure, with this great and good quality, that it will never under any circumstances, do you any injury.
No change of diet ever necessary—eat the best you can get and enough of it.
DIRECTIONS FOR USE.—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years, teaspoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.
Yours truly,
DONALD KENNEDY.
Price $1.00 per bottle. For sale by every Druggist in the British Province.

THE ONLY PREPARATION
WORTHY OF UNIVERSAL CONFIDENCE AND PATRONAGE!!
For Statesmen, Judges, Clergymen, Ladies and Gentlemen, in all parts of the world, testify to the efficacy of Prof. O. J. Wood's Hair Restorative, and gentlemen of the Press are unanimous in its praise. A few testimonials only can be here given; see circular for more, and it will be impossible for you to doubt.
47 Wall Street,
New York, Dec. 20th, 1858.
GENTLEMEN: Your note of the 15th inst., has been received, saying that you had heard that I had been benefited by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to give it.
I award it to you cheerfully because I think it due. My age is about 50 years, the color of my hair auburn, and inclined to curl. Some five or six years since it began to turn gray, and the scalp on the crown of my head to lose its sensibility and dandruff to form upon it. Each of these disagreeabilities increased with time, and about four months since a fourth was added to them, by hair falling off the top of my head and threatening to make me bald.
In this unpleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arrest the falling off of my hair, for I had really no expectation that gray hair could ever be restored to its original color except from dyes. I was, however, greatly surprised to find after the use of two bottles only, that not only was the falling off arrested, but the color was restored to the gray hairs and sensibility to the scalp, and dandruff ceased to form on my head, very much to the gratification of my wife, at whose solicitation I was induced to try it.
For this, among the many obligations I owe to her sex, I strongly recommend all husbands who value the admiration of their wives to profit by my example, and use it if growing gray or getting bald.
Very respectfully, BEN. A. LAVENDER.
To O. J. Wood & Co., 444 Broadway, N.Y.
My family are absent from the city, and I am no longer at No. 11 Carrol Place.
Stanneston, Ala., July 20, 1859.
To PROF. O. J. WOOD—Dear Sir: Your Hair Restorative has done my hair so much good since I commenced the use of it, that I wish to make known to the PUBLIC of its effects on the hair, which are great. A man or woman may be nearly deprived of hair, and by a resort to your Hair Restorative, the hair will return more beautiful than ever; at least this is my experience. Believe it all!
Yours truly, WM. H. KENEDY.
P.S.—You can publish the above if you like. By publishing in our Southern papers you will get more patronage south. I see several of your certificates in the Mobile Mercury, a strong Southern paper. W.H.K.
PROF. O. J. WOOD—Dear Sir: Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever, in New Orleans in 1851, I was induced to make a trial of your preparation, and found it to answer as the very thing needed. My hair is now thick and glossy, and no words can express my obligations to you in giving to the afflicted such a treasure. FINLEY JOHNSON.
The Restorative is put up in bottles of 3 sizes, viz: large, medium and small; the small holds half a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent more in proportion than the small, retails for two dollars a bottle; the large holds a quart, 40 per cent more in proportion, and retails for $3 a bottle.
O. J. WOOD & CO., Proprietors, 444 Broadway, New York, and 114 Market St., St. Louis, Mo.
And sold by all good Druggists and Fancy Goods Dealers. 3m-d&w-87

A BLOODLESS VICTORY!!
1,000,000 Boxes sold of
MOREHEAD'S
Magnetic Plaster.
THIS enormous quantity of this invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. The reason for this extraordinary success is simply in the actual truth and value of the article. No one buys the MAGNETIC PLASTER without becoming its friend. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.
The MAGNETIC PLASTER is undoubtedly the Greatest Strengthener and Pain Destroyer that Science has yet discovered. If you put this Plaster anywhere, if Pain is there, the Plaster will stick there until the Pain has vanished. The Plaster magnetizes the Pain away, and
PAIN CANNOT EXIST
WHERE THIS
PLASTER IS APPLIED.
Rheumatism, Lameness, Stiffness, Weakness, Debility, Nervousness, Neuralgia, Dyspepsia, Coughs and Colds, Pains and Aches of every kind are IMMEDIATELY RELIEVED, and with a little patience, PERMANENTLY CURED, by the magical influence of the MAGNETIC PLASTER. It is the simplest, surest, safest, pleasantest and cheapest remedy in existence. Its application is universal—equally to the strong man, the delicate woman, and the feeble infant. Its use is agreeable, and without annoyance or trouble. Its price is within reach of all—rich or poor; all may have it, and all should have it who are sick and suffering in any way.
FARMERS and PLANTERS should always be supplied with the MAGNETIC PLASTER. It will be the Good Physician in any household, ready at all times and at instant notice.
Put up in air tight tin boxes. Each box will make six or eight plasters and any child can spread them. Price, 25 cents a box, with full and plain directions.

MOTHERS
Thousands are daily speaking in the praise of
DR. EATON'S
INFANTILE CORDIAL,
and why? because it never fails to afford instantaneous relief when given in time. It acts as if by magic, and one trial alone will convince you that what we say is true. It contains
NO PAREGORIC OR OPIATE
of any kind, and therefore relieves by removing the sufferings of your child, instead of by deadening its sensibilities. For this reason, it commends itself as the only reliable preparation now known for CHILDREN TEETHING, DIARRHŒA, DYSENTERY, GRIPING IN THE BOWELS, ACIDITY OF THE STOMACH, WIND, COLD IN THE HEAD, and COUGH, also, for softening the gums, reducing inflammation, regulating the Bowels, and relieving pain, it has no equal—being an anti-spasmodic it is used with unfailing success in all cases of CONVULSION OR OTHER FITS. As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of narcotics of which other remedies for Infantile Complaints are composed, take none but DR. EATON'S INFANTILE CORDIAL, this you can rely upon. It is perfectly harmless, and cannot injure the most delicate infant. Price, 25 cents. Full directions accompany each bottle. Prepared only by

BLOOD FOOD
Healthy human blood upon being
ANALYZED
always presents us with the same essential elements, and gives of course the TRUE STANDARD. Analyze the Blood of a person suffering from Consumption, Liver Complaint, Dyspepsia, Scrofula, &c., and we find in every instance certain deficiencies in the red globules of Blood. Supply these deficiencies, and you are made well. The BLOOD FOOD is founded upon this Theory—hence its astonishing success. There are
FIVE PREPARATIONS
adapted to the deficiencies of the Blood in different diseases. For Coughs, Colds, Bronchitis, or any affection whatever of the THROAT and LUNGS inducing Consumption, use No. 1, which is also the No. for Depression of Spirits, Loss of Appetite, and for all Chronic Complaints arising from Over-use, General Debility and Nervous Prostration. PRACTICAL EXPERIENCE
BETTER THAN
EXPERIMENTAL SCIENCE,
HOLLOWAY'S OINTMENT,
CONSOLATION FOR THE SUFFERING.
Nearly fifty years continual use in every part of the habitable globe, amongst the savage and civilized alike, has proved that simple emplicus, open sores, hard tumors, scrofulous developments of all kinds, abscesses, cancers, old wounds, and, in one word, every species of inflammation and suppuration, whether in the skin, the flesh, the glands, or among the muscles, can be arrested and permanently cured, without danger, by rubbing in, and using as a dressing, this inestimable Ointment.
SCROFULA, ERYSIPELAS, AND SALT RHEUM.
No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula or Erysipelas, can long withstand its influence.
BAD LEGS, OLD SORES, AND ULCERS.
Cases of many years standing, that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful ungent.
ERUPTIONS OF THE SKIN.
Arising from a bad state of the blood or chronic disease, are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.
PILES AND FISTULA.
Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emollient; warm fomentations should precede its application. Its healthy qualities will be found to be thorough and invariable.
Both the Ointment and Pills should be used in the following cases:
Bunions, Burns, Chapped Hands, Chilblains, Fistula, Skin Diseases, Gout, Lumbago, Rheumatism, Piles, Ringworm, Salt Rheum, Scalds, Sore Legs, Swelled Glands, Sore Breasts, Sore Heads, Sore Throats, Sprains, Stiff Joints, Venereal Sores, Sores of all kinds, Mercurial Eruptions, Wounds of all kinds, Tetter, Ulcers.
☞ CAUTION!—None are genuine unless the words 'Holloway, New York and London,' are discernible as a Watermark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine or vending the same, knowing them to be spurious.
*** Sold at the manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots, at 25 cents, 63 cents, and $1 each.
☞ There is a considerable saving by taking the larger sizes.
N. B.—Directions for the guidance of patients in every disorder are affixed on each pot.
