VICTORIA CORNERS

Our news this week is mingled with high hopes, sorrow, anxiety and the usual "come and go".

Foremost in our minds is the anious high hope and fervent prayer that V-E Day may pronounced very, very, soon.

To Mr. Jos. Parks and Miss Margaret Mills, Saugeen Junction and Toronto respectively, we extend our profound sympathy in their loss of a loving wife and mother, in the passing of Mrs. Jos. Parks at her home, Saugeen Junction, early Monday afternoon.

Our thoughts are with the Arthur Jackson family in their anxious moments re two telegrams received stating that their eldest son. Harold, had been seriously wounded about the legs, when actively engaged in battle on the Italian front. The first telegram revealed grave facts, while the second proved somewhat more encouraging. We are very glad to know that Harold's name has been released from the dangerously ill list and trust that his wounds may not be as severe as was at first anticipated. More word will be eagerly awaited in the immediate future.

Mr. and Mrs. Wilfred Gallagher visited on Saturday with their nephew, J. D. Wiltshire, at his home near Bethel. They were pleased to find his condition somewhat improved. J. D. has been quite ill for several weeks, spending part of the time in Lord Dufferin Hospital, Orangeville.

Mr. and Mrs. E. A. Stinson and family spent Sunday with Mrs. Stinson's grandmother, Mrs Bolen and parents, Mr. and Mrs. Bert Henderson, Corbetton. Despite her advanced age of 87 years on June 2, 1945, Mrs Bolen's mind is very keen and by listening to the radio is very learned in current events.

Mr. and Mrs. Elwyn Ferris and little son, Lyle, visited on Sunday with Mrs. Ferris' parents, Mr. and Mrs. Ern Hawton, Feversham.

Miss Ruby Copeland is assisting in the home of Mr .and Mrs. Carl Bradley, Etobicoke, and Miss Hazel Copeland in the home of Mr. and Mrs. Nelson Copeland, Toronto.

Mr. and Mrs. Jas. Batchelor accompanied by Mr. and Mrs. Wm. Batchelor, Carolyn and Jimmie, Proton Station, visited over the week end with Mr. and Mrs. George McGregor and family, Preston.

Mr. and Mrs. Carl Bradley and family, Etibocoke, and Miss Ruth Richardson, Toronto, spent Wednesday with Mrs. J. H. Richardson and Viotta.

Eggs

The producers loss on eggs is 5c to 6c per dozen when eggs are slightly soiled and are placed in 'B' grade rather than 'A Large' grade. It is not, therefore, worth 5c to 6c a dozen to you to keep your eggs clean and fresh before marketing? It will help us speed up the grading too.

Poultry

We need live and dressed hens and are paying:
Alive . . 22c (A grade, over 5 lbs.)
Dressed . . 26c (A grade, over 4½ lbs.)

Presentation To Soldiers

Two Flesherton soldiers were honored at a dance in the town hall on Monday evening, when Staff Sergt. E. Hass and L.Cpl. Wes Armstrong, just returned from ovesreas, were presented with a sum of money by the Welfare League. Reeve K. Betts welcomed the men home and was followed by short speeches by H. A. McCauley and H. W. Kernahan. Mrs. F. W Duncan and Mrs. John Brackenbury presented the gifts. Both the returned men expressed their appreciation of being home and thanked the Welfare League for the monthly cigarette ration sent to them when they were overseas and they wished to return the money to the League to be used to send more cigarettes to the boys yet in the fighting zone. The officers of the League accepted their thoughtfulness and stated that the cigarettes would be sent over in their name. The dance was held under the auspices of the Flesherton Post of the Canadian Legion. An interesting angle to this presentation was the fact that both these men knew each other in Italy, as they were both with the same unit.

In Memoriam

PARTRIDGE — In loving memory of our dear mother, Mary Elizabeth Partridge, who passed away May 7, 1942.

Years of striving, little of play,
Loving and giving the whole of the way,
A cheerful smile, a heart of gold,
The dearest mother a world could hold,
Happy memories fond and true,
From those who thought the world of you,
Loved in life, she liveth yet
In the hearts of those who will never forget.

— Lovingly remembered by her sons and daughters.

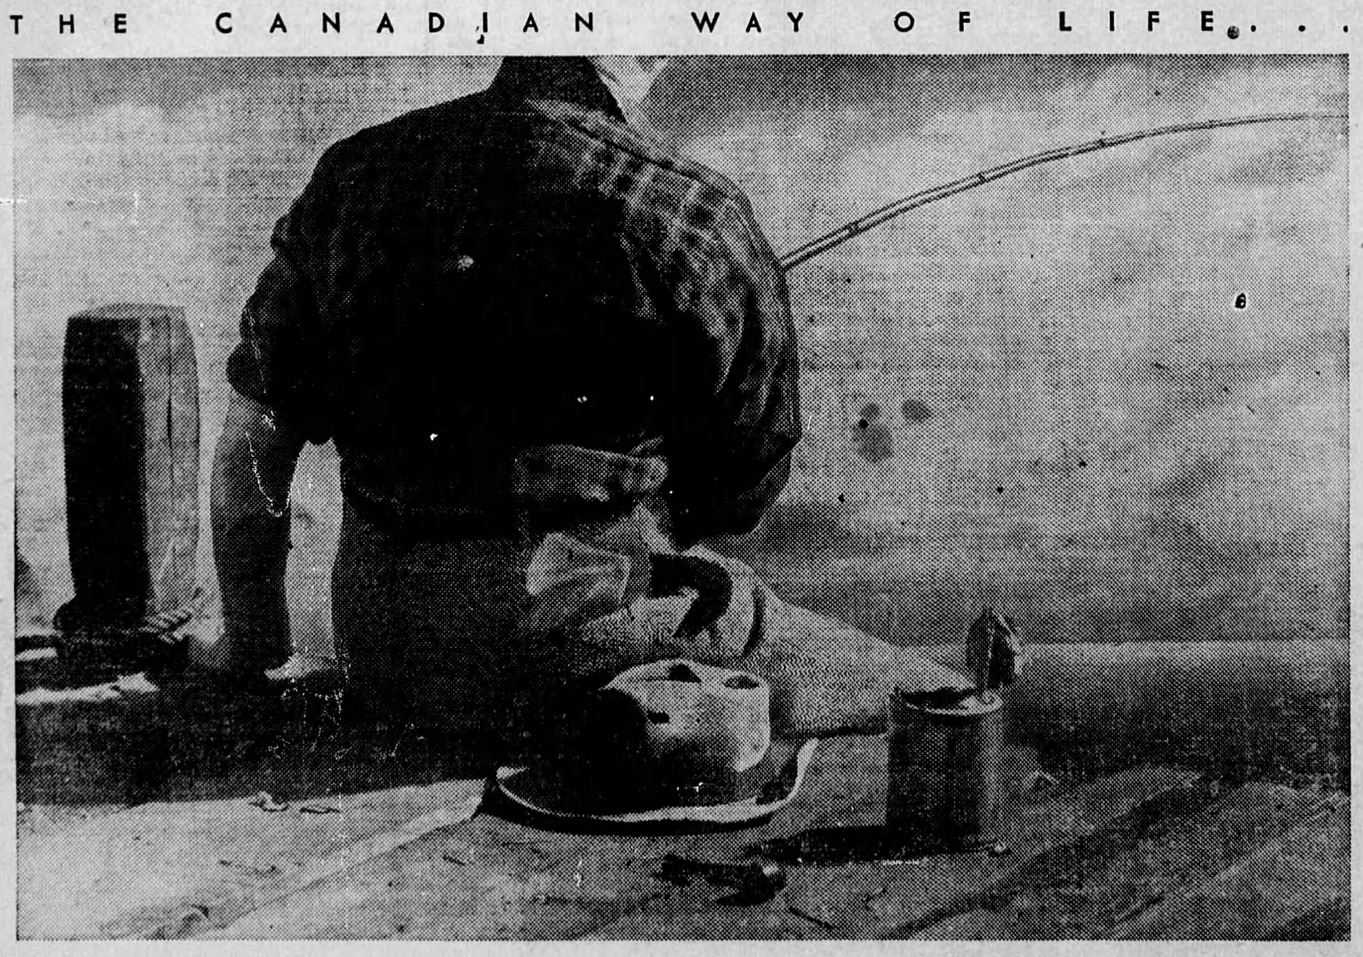
THE CANADIAN WAY OF LIFE . . .



A Chance to Go Fishin' . . . !

YES, and the *right* to go fishin'... the *right* to enjoy the simple, pleasant things of life! Picnics by the river—week-end trips in the old family jalopy—these are some of the things that your boy is fighting for today! And he won't be able to enjoy those things, unless we at home fight *for him* against inflation—unless we make sure when he gets back his dollar will be worth a dollar.

To protect his dollar, we must realize NOW the dangers of careless, unnecessary buying! We must buy *only* what we need—*never* buy two where one will do! We must not evade rationing or price control, or deal with black markets. If we break the rules, our country—the country he's fighting for—will start on that spiral of prices known as inflation!

Remember! Every time ONE of us breaks ONE of these rules, we're lowering the value of our soldier's dollar. We're helping to shoot prices sky-high . . . and sky-high prices *mean* inflation. The value of every dollar in Canada goes down, and when the men overseas come back their dollar might buy only a quarter's worth of goods!

We *can* prevent inflation! We *can* give our fighting man his "right to go fishin'", if we make sure his dollar will be worth a dollar, when he comes home. We can't give back to him his lost years, or his lost youth. But if we keep up the fight against inflation, he can look forward to pleasant, satisfying living — the Canadian way of life!

Make this Pledge Today!

I pledge myself to do my part in fighting inflation:

By observing rationing and avoiding black markets in any shape or form.

By respecting price controls and other anti-inflation measures, and refraining from careless and unnecessary buying. I will not buy two where one will do, nor will I buy a "new" where an "old" will do.

By buying Victory Bonds and War Savings Stamps, supporting taxation, and abiding by all such measures which will lower the cost of living and help keep prices at a normal level.

Published by THE BREWING INDUSTRY (ONTARIO) to reveal the dangers of inflation.
