(By Feversham Reporter)

Cheryl Light, six year old daughter of Mr. and Mrs. Frank Light had a narrow escape from death last Saturday evening when she fell off a log on which she had been playing and was swept over the mill dam. When found by adults after the girl's playmates had raised the alarm, the little girl was unconscious. Resuscitation was applied under the direction of Mrs. John Robinson, a graduate nurse, and in half an hour Cheryl had regained consciousness. Dr. R. W. Lindsay of Dundalk was on the scene shortly after and rendered medical treatment. Dr. Lindsay said the girl was badly bruised and shocked.

Vote Carries For Township S. Board

In response to a legally called, and properly advertised meeting, thirty ratepayers, and nineteen non-ratepayers gathered in Old Durham Road School at 8.30 p.m., May 9, to listen to Mr. W. G. Rae. Inspector of Public Schools for South Grey, speak on Township School Areas.

Mr. Rae was introduced by Mr. W. R. Meads, and briefly and clearly explained the advantages the children, of a rural school could, and would enjoy if their section were part of a Township Area. He stated it was necessary to meet changing needs of our present Educational Administration System than the present one, which was instituted one hundred years ago. He felt that this could best be achieved by the formation of a Township School Area.

At the conclusion of his address a discussion period was held and several questions were asked and answered.

It was moved by Mr. T. Currie and seconded by Mr. J. Whyte that an immediate vote be taken to present to the Artemesia Council the desire of S.S. No. 7 re T. S. Area. This motion carried on a vote by show of hands.

It was moved by Mr. D. Corbett and seconded by Mr. J. Whyte that we, the ratepayers of School Section No. 7 in the Township of Artemesia, assembled in a properly called meeting in the school house on this, the 9 day of May, 1945, do hereby petition the Council of the Township of Artemesia to include our School Section in a Township Area when and if such an area be estbalished by act of said Council.

This motion carried. It was moved by Mr. W. Williamson and seconded by Mr. F. Oliver that Mr. J Turner act as scrutineer.

Priceville Service Largely Attended

Priceville district turned out in large numbers Tuesday evening of last week for the VE-Day celebrations. A short service was held at the Cenotaph at 8 o'clock. The Doxology was sung and Rev. A. D. Penman led in prayer followed with the singing of "O God of Bethel." Mr. W. D. Hallowell, the new Presbyterian student minister, was introduced by Rev. A. D. Penman, pastor of St. Columba United Church. The school children took the salute of the flag raising and "O Canada" and "O God Our Help in Ages Past' was sing and Mr. Hallowell gave the benediction.

The Thanksgiving sehvice followed the open-air meeting in St. Columba United Church, when close to 400 people were in attendance to give thanks for the peace in Europe. Invocation was led by Rev. Penman aand responsive reading of Psalm 46, followed with prayer by Mr. Hallowell. The choirs of both churches provided an anthem from Psalm 124.

Mr. Hallowell delivered a splendid address, but lack of space forces us to just touch on some of his thoughts in his address, entitled "Our Nation This Day," based on Psalm 33:12, "Blessed is the nation whose God is the Lord and the people whom he hath chosen for His own inheritance.' Mr. Hallowell stated that we may depart from God in life and cease to own Him as Ruler. Referring to citizenship the speaker said that we often forget the Lord's Prayer when we say "Thy Kingdom come." We should serve our nation for the Kingdom and serve the Kingdom for nation's sake. Love of country is born of God, not nationalism. God was not known to any one particular race. the gospel is for all mankind. Did not Jesus love his nation well enough to die for it? He died for your inheritance into the kingdom of eternal life and a way of living this day and always.

Mr. Hallowell remarked that we should not look with too open a mind to the peace conference tables when man may map out a peace offensive that will set up a perfect world? The mere signing of an agreement will not convert the war-like into doves, and neither will the earth be regenerated by the termination of the present struggle. We might bear in mind, tomorrow lies the continued struggle for LIFE so great, and yet straight ahead lies yesterday, events may recur the same as in the past. We pray God that the coming peace will be fruitful and not another rehearsal between now and 20 years from now. He closed his remarks with the following lines:

Give us the faith which conquers pain
And counts no sacrifice as vain,
Which late or soon will win from Thee
Man's righteous peace through victory.

The hymn "O Valiant Hearts" was followed by the benediction by Rev. Penman, and the National Anthem.

An after-service was held in the church basement, due to weather conditions, when F. R. Oliver spoke and then took the chair to conduct a miscellaneous program.
