## MRS. JAS. ACHESON SR. PASSES

Bethel and Victoria Corners communities learned on Wednesday morning, May 9, 1945. with deep sorrow of the passing of a highly esteemed resident in the death of Mrs. Jas. Acheson Sr., at her home on the West Back Line.

Mrs. Acheson, the former Louise Wraggett, daughter of the late Mr. and Mrs. Richard Wraggett, came from Richmond Hill in young maidenhood and settled with her parents on the farm near Bethel Church occupied until recent years by her only surviving brother, Richard now living in Dundalk. The late Mrs Acheson was in her 81st year. Left to mourn the loss of a loving mother and grandmother are her two sons, Stanley on the homestead, Lloyd in Dundalk and one daugther, Hazel (Mrs. Morris Small), Weston, also fourteen grandchildren.

Mrs. Acheson was united in marriage in July 1896 to Jas. Acheson, who predeceased her ten years ago. Incidentally theirs was the first wedding to take place in the Bethel Church.

The funeral which was very largely attended, was held Friday afternoon, May 11, with a short service at the house at 1.30 p.m. thence to Bethel United Church of which the deceased had been a lifelong member.

Rev. J. H. Dean, pastor of Bethel Church brought a very comforting message to the sorrowing. Mr. Edwin Fowler sang "In the Garden".

The casket was borne to its final resting place by nephews of the departed, namely, Christie Johnston, Lawrence Wraggett, George Duncan. Walter Acheson, Delbert Wraggett and Ernest Acheson.

The many floral tributes were silent testimony of the esteem in which the deceased was held and were carried by five grandsons, Lorne Acheson, Mervyn Morley. Kenneth and Keith Small and six nephews, Gordon Acheson, Harold Acheson, John A. MacMillan, Carman Wraggett, Leslie Wraggett and Willie Duncan.

Internment was made in the family plot in Bethel Cemetery.

Friends were present from such distant points as Barrie, Islington, Georgetown, Woodbridge. Weston, Toronto, Markdale, Harkaway, Berkeley and all local communities.

# At Last— Fair Play for the Farmer

*"Canadian farmers have never had a fair return for their labour. They are forced to buy in a protected market at relatively high prices and to sell in a world market at generally low prices. What agriculture needs is not crutches to carry its disability; it needs to have the disability removed. This can only be accomplished by permanent measures and long range planning."*

John Bracken

At last—a farmer fights for fair play for farmers! For more than twenty years John Bracken, the Farmer, was the undefeated leader of a Farmers' Party. To-day, as leader of a great, national, progressive party, he is determined that throughout the length and breadth of Canada there shall be a square deal for agriculture . . . fair play for the farmer . . . *on a permanent basis!*

Farmers have seldom had a fair share of the nation's income. Rarely do they receive a just reward for their endless labours. John Bracken means to stop, *once and for all*, the unfair discrimination against farmers, the unjust economic practices which make it impossible for farmers to obtain fair prices for the fruits of their labour.

*"It is the responsibility of the nation,"* says the leader of the Progressive Conservative Party, *"to see that this great inequity shall not be perpetuated . . .* I know where I stand in the matter. Let me make that position clear. It is not fore-ordained that farmers shall work for less pay than anybody else; or have their children receive only one-quarter the chance of a secondary education or one-tenth of the chance of a university education that other children get; or see their wives forced into lives of toil, often 12 but sometimes 14 hours a day—Sundays and holidays included. . . . The trouble is that no one with the necessary authority has determined to correct the basic economic ills of Agriculture."

To-day, John Bracken, the Farmer, seeks the necessary authority to put into immediate operation the far-reaching Progressive Conservative policies that will *permanently* ensure fair play for the farmer. Here are just some of the points in the Progressive Conservative plan for the definite, continuous and *permanent* protection of farmers against income collapse and wide extremes of income fluctuation:

The Farmer *shall be guaranteed a proportionate share of the nation's income.*

A permanent policy for forward contract prices shall be guaranteed to farmers—by law.

The prices guaranteed will be calculated by a non-political council, and will be based on the farmer's proportionate share of the national income. These prices will be announced before the production seasons begin.

This policy will *increase* present average farm income *by not less than twenty per cent.*

It takes a farmer to understand farmers' problems. Only a farmer knows the full economic injustice from which farmers suffer. To-day, John Bracken is fighting for fair play for every farmer. The leader of the Progressive Conservatives is determined to bring security and prosperity to farmers *permanently*. Join in the fight. Help him to win his life-long struggle to give Agriculture a place in Canada's prosperity, *not for a day—but for all time to come.*

A Farmer fights for *you* . . . He needs *your* help.
