MR. THOS. BOYCE, TORONTO, SUFFERED BROKEN HIP

Mr. and Mrs. Thos. Boyce, formerly of Usherville, Sask., old residents of this district have been spending the winter in Toronto with their sister, Mrs. David Marsh. They had intended visiting friends in their old home district this spring, but six weeks ago Mr. Boyce unfortunately fell down the stairs in Mrs. Marsh's home and suffered a broken hip. Since then has been confined to the General Hospital and it is hoped that he will soon be able to return home greatly improved in health. Mr. Boyce would appreciate receiving calls from any of his old friends residing in the Toronto district.

As a farmer, you know that anyone who thinks he can learn the involved science of good farming "in one short easy lesson" is just fooling himself. But many things look easy when you know very little about them. Adequate electric wiring, for instance.

When it comes to wiring your farm, don't be fooled because it looks easy. You may think the Smith boy could do it "because he's so handy," but you'll save plenty of future regrets if you get an expert on the job from the start. You'll find (particularly if you watch the electrician wire your farm) that it is a job for quite a skilled tradesman.

Start off by getting the best man you can, to do the best and most complete wiring job for all your immediate and future needs. It is easier to add to your electrical equipment as you want to IF YOU START RIGHT with ADEQUATE WIRING.

HELD OVER THIS WEEK CONSIDERABLE NEWS MATTER

This week we are obliged to hold over considerable news matter due to the fact that extra advertising has come in which we were not counting on. Page two is an extra page of local news, so don't miss it. We hope to get back to normal after the elections which has kept us extra busy the past few weeks.

MISS AGNES MACPHAIL RECOVERING FROM ILLNESS

Friends of Miss Agnes Macphail will be glad to hear she is recovering from illness, the result of cerebral thrombosis, not a paralytic stroke, as was formerly reported. Miss Macphail is at present residing in Toronto, where she was member of the provincial legislature representing a York county constituency and which she is again contesting in the coming election.

The Chaplain had just preached a powerful sermon on the Ten Commandments, sending at least one private away in a serious mood. He eventually brightened up, however. "Anyway," he said, "I have never made a graven image."
