HIGH SCHOOL REPORTS

Departmental results listed are subject to revision by the Department of Education.

Pupils of each grade are classified into three divisions, those recommended without writing final examinations by reason of good standing throughout the year; those leaving for Farm Service by reason of satisfactory standing at the time of withdrawing; those who wrote one or more final examinations to secure the required standing for promotion.

Farm Service students will be granted standing in the subjects indicated upon presentation of certificates indicating the completion of thirteen weeks' farm employment.

Figures represent percentage of aggregate marks secured by each pupil. Abbreviations are for subjects in which the student has passed. "P" indicates probationary standing.

Idividual reports are being mailed to each student.
