Vandeleur W. I. Sponsors The Hospitalization Plan

(By Vandeleur Reporter-

Vandeleur Women's Institute decided at their July meeting to sponsor the Blue Cross Plan for Hospital Care and a committee was appointed, composed Mrs. Russell Freeman, Mrs Geo. Shaw, Mrs. Lloyd Boland, Mrs. Howard Graham, Mrs. Ethel Hutchinson and the secretary, Miss Dora Boland, Dr. Carefoot and Mr. T. S. Cooper, in charge of the plan. At the committee meeting, Mrs. Howard Graham was appointed group leader. On Thursday, July 26th, Mr. Cooper and Dr. Carefoot addressed the citizens of Vandeleur in the Community Hall and explained and discussed the plan fully, and a deep appreciation of the need of hospitalization was felt.

The committee has been tireless in its efforts and at the close of the campaign 90 percent of the members were enrolled and 114 members and dependents were covered by the plan, which entitles each to 31 day, if necessary, in any hospital in Ontario. The family rate for the standard ward is $1.00 per month, and covers husband, wife and all children under 16 years of age; single subscriptions are 50 cents per month. This is a non-profit community service.

PRICEVILLE INSTITUTE PICNIC A SUCCESS

Despite threatening weather a large crowd gathered at the Institute Hall, Priceville, to celebrate Civic Holiday. Races for the tiny tots, the teen-agers and adults were conducted by Mr. Arthur Idle and Mr. Halliwell and suitable prizes were awarded the winners. Following these, a very exciting softball game was played between the South Line Challengers and Salem, with the South Line coming out on top 12-5. Salem turned the tables on the South Line by winning the tug-of-war between the two teams. Mr. Alex. Henderson of Flesherton was on the grounds with his beautiful span of ponies, which drew much admiration from the crowd, and was offered a prize of $1, but requested that it should be given back to the Institute to help in their work.

The hall was crowded for the splendid concert, the various numbers being given by local and district talent. Mr. F. R. Oliver, M.L.A., presided in his usual capable manner and an address was made by Mr. Wm. Halliwell, who complimented the Institute on their work. Misses Betty and Shirley Hincks offered two songs, followed by a recitation by Mm. Wm. Sayers. Anna McVicar then aroused the Scottish enthusiasm of the crowd with several selections on the bagpipes, also the dancing of the Highland Fling and the Sword Dance in her usual very pleasing style. The choir sang a selection and John McDonald of Flesherton favored with a step dance. Mr. Donnie Gillies spoke a few words, which brought the fine program to a close.

A dance followed the program to music supplied by Mr. and Mrs. Thos. MacDougall, Leonard McKeown and Dan McArthur. The Institute members supplied refreshments. The proceeds of the evening amounted to upwards of $130.00.

Child Had Narrow Escape From Serious Injury

Falling 30 feet without injury was the unique experience of little Joyce Sensabaugh, 3-year-old daughter of Mrs. Chas. Sensabaugh of town. The little girl was playing on the verandah at the rear of the apartment over the Bank of Commerce, when fell a distance of about 30 feet to the ground. Spread around where she fell were several large boulders, a board and an iron grating which was lying at an angle with the sharp edge upturned. There was a clear space of some two feet square into which the little girl miraculously landed, minus any broken bones or laceratinos, although she did have a large bruise on her head, when it likely struck the ground. It is tragic to think of what might have occurred if Joyce had fallen a few inches either way.

Why Is The Source?

(The Farmer's Advocate)

Canadians still like to play little games of make believe. When our political affiliations attach us solidly to one political party we like to think that the funds of all other political parties are secured by corrupt means. It is a silly idea, of course, but it is now a habit with us and we like to keep on playing the game.

In this age of stern realities and disillusionment, political parties should be obliged to reveal the source of the funds with which they conduct elections. Every adult person knows, or should know by this time that the political expenses in connection with an election authorized by the Government are only a part of the legitimate costs. A very large sum of money has to be raised by other means. Firms, corporations, individuals and organizations of all kinds make contributions. Some firms and corporations make equal sized grants to two political parties.

It isn't right, of course. All the legitimate expenses should be sanctioned by the Government and paid out of the public treasury. However, we have not progressed that far and until we do, political parties, politicians and their followers will probably continue to impute corruption and evil-doing to their opponents and set themselves up as Simon pure and above reproach.

The amusing thing is that while these whispering campaigns go on, no one party dares to challange any other party to reveal the source of their political funds. If this information were revealed it would make most interesting reading and it would be decidedly enlightening. It would be extremely beneficial, too, for then we would all vote more in-time?"

"So you married that plump little girl that used to giggle so much?"

"Yes, I always did believe in a short wife and a merry one."

MEAT RATIONING

Canada's proposed second meat rationing program has a different reason for existence than it did the first program. The first plan was under taken "primarily to assure an equitable distribution of supplies." The second plan is being initiated "primarily to reduce domestic consumption in order to feed the hungry of Europe."

That Europe is hungry is evidenced by statistics made available to Board representatives. Referring to France, it was stated that the meat shortage is now worse than at any time in cities. In 1939 the per capita consumption was 96 pounds per person, in 1944-45 it was 17 pounds. The ration at present is one-tenth of a pound per week, an amoust equal to one thin slice of boiled ham.

Meat brings $10 a pound on the black markets. Under Nazi occupation, France lost two million head of cattle, and the consumption of meat has dropped from pre-war levels, as follows: beef and mutton from 117,000 tons to 5,000 tons; pork from 45,000 to 16,000 tons; fish from 51,000 to 21,000 tons; poultry from 22,000 to less than 2,000 tons.

Kidnapped Boy Found By United States Police

Peter Watson, 4-year-old son of Mrs. Jas. Watson, Crystal Beach, was found by police officers in Meridian, Miss., after he had been abducted by Mrs. Venda Taylor Jones from Buffalo, N.Y., about a month ago. Mrs. Jones stated that she was enroute to return the boy to his mother, as she stated that Mrs. Watson had given her custody of the boy for one month. This the mother vehemently denies. Mrs. Watson was formerly Evada Wilson, daughter of Mr. Mark Wilson of Flesherton.

Mrs. Jones was brought back to Buffalo and pleaded not guilty to abduction before Judge Patrick J. Keeler and was held in jail in default of $25,000 pending a further hearing. Mrs. Watson was ordered held an a material witness and bail was set at $100.

ECCLES — WRIGHT

A quiet wedding took place at 3 p.m. Saturday, July 28 at the United Church Manse, Priceville, when the Rev. Arch. D. Penman united in marriage Winnifred, only daughter of Mrs. James McLean and the late Fred Wright to Harold Eccles, youngest son of Mrs Eccles and the late Major Eccles of Dromore.

The young bride looked lovely in a two-piece street-length frock of reflection blue Aupaca rayon and carried a shower bouquet of red roses and fern tied with long white streamers. She chose as her jewelry, her grandmother's brooch of seventy-five years, a strand of pearls and the groom's gift, a gold wrist watch. Her aunt, Mrs. Fern Cowan attended her as matron of honor, wearing a two-piece blue silk crepe, street-length dress and carried a bouquet of red roses tied with white streamers. The groom was supported by his nephew, Lorne Eccles, as best man.

After the marriage the happy couple returned to the bride's home and enjoyed a sumptuous dinner with their immediate relatives and friends. A three-storey wedding cake centered the table. For the occasion, the room was prettily decorated with pink and white streamers and white bells.

As the guests arrived they were received by the bride's mother, wearing a black satin dress, while the groom's mother wore blue flowered crepe and both ladies had matching corsages of roses. Later Mr. and Mrs. Eccles left on a short honeymoon to Barrie. On their return they will reside on the groom's farm near Dromore.

Among the twenty guests present were, Mr. and Mrs. Harlie Speers, Mr. and Mrs. Earl Fothergill, Karl Subject, Mr. and Mrs. Dave Cowan and Jimmy, all of Markdale.

Many Attend Special Cemetery Visiting Day

Many expressions of agreement with the Cemetery Commission in inaugurating visitors' day, was heard on all sides on Sunday, many hoping that it be made an annual affair and declared as "Decoration Sunday." If such was done many organizations would take advantage of the day and place flowers of remembrance on the graves of members of fraternal organizations, etc. The Cemetery Commission is to be commended upon the inauguration of this annual pilgrimage to the cemetery.
