How to Prevent Consumption,

With general opinions and directions conducive to a long and healthy life, and remarks relative to the

RIGHT USE OF PHYSICIANS,

BY
W. A. ALCOTT, M.D.

With thirty-one illustrations. One volume, 12mo., 500 pp., handsomely bound in cloth. Price $1.00. And upon receipt of the price and 21 cents additional for Postage, a copy of the book, together with a handsome present, worth from 50 cents to $100, will be sent to any address in the United States.

(From the American Presbyterian, Philadelphia.)

'This is a valuable treatise on the preservation and culture of health. It contains the substance of a course of popular lectures, prepared by Dr. W. A. Alcott. It is measurably free from all hobbies and extravagancies. It teaches us how we may avoid the too constant use of medicines and nostrums, and when it may be proper to consult and employ a physician. It contains very many valuable and practical suggestions on the various subjects spoken of in the title page, and may prove a very useful book in all families, not so much to teach how to cure diseases, as to prevent their occurrence. The laws and means of physical culture, adapted to practical use, are laid down in a manner within the comprehension of all.

Technicalities have been avoided, and the rules and observances of all the laws are simply exemplified.

A work of this character is so essential to families, particularly to young mothers, that few should be without it.

The great number of deaths among infants has already created an alarm in families, and reflections have been made upon the failures of physicians in their attempt to cure.

The philosophy of diet is one of the features of the book and the causes of consumption, a most important one. This is treated by the doctor in a most striking and original manner, and his means of how to prevent it, are laid down in plain and unmistakeable language.

This portion of the volume so important to the 100,000 persons who are even now dying of consumption—for nearly that number die annually—will be read with an interest which will eventually have a most desirable effect.'

From the Herald.

"There are lessons of deep, abiding interest, and of inestimable value, to be learned in study into the lives of the men who peril-ed their all to secure the blessed inheritance of free institutions which we now enjoy.—We do not learn merely the dignity and sacredness of pure patriotism, by following them in their career amid the storms of the Revolution, but all the virtues which adorn humanity are presented in such bold relief, in the private and public actions of that venerated company, that when we rise from a perusal of a narative of their lives, we feel as if all the noble qualities of our common manhood had been passing before us in review, and challenging our profound reverence.

The biography of a great man, is an history of his own times; and when we have perused the record of the actions of the men of our Revolution we have imbibed a general knowledge of the great events of that struggle for Freedom. If this proposition is true, then we feel that this volume has a claim to the public regard, for the author has endeavored to comprise within as small a compass as a perspicuous view of the subject would allow, the chief events in the lives of the men who stood sponsors at the baptism in blood of the Infant Republic.

The memoirs are illustrated by copious notes explanatory of events alluded to in the biographical narative, and these will be found a highly useful feature of the work."

Copies of either of the above books, with a handsome Gift, worth from 50 cents to $100, will be sent to any person in the United States, upon receipt of the price, and 21 cents to pay postage, by addressing the publisher, who is desirous of calling your attention to his liberal method of transacting business, viz:

PEALE'S COURT OF DEATH.

THE most elaborate and noted work of Art ever painted by an American Artist, is the '*COURT OF DEATH*' by REMBRANDT PEALE. This painting covers 312 square feet of canvass—contains 23 Life Size Figures, and has never been valued at less than

25,000 Dollars.

It has been gazed upon with admiration and delight by tens of thousands. The subscriber has purchased the painting, and issued a splendid

CHROMO LITHOGRAPHIC ENGRAVING of it, presenting a perfect FACSIMILE COPY of the original painting, WITH ALL ITS BEAUTIFUL COLORS.

The size of the Engraving is 23 by 31 inches, and the price ($1) for which it is offered, is only one-fifth the usual price of similar works—100,000 being issued instead of 5,000, the usual number. The home of every family in the land, should be adorned with this picture, as, besides its beauty as an ornament, the lesson it teaches, illustrating the evils of Intemperance and War, and the end of a good—a Christian Life, are invaluable. Mr. Peale says of the Engraving: 'I can certify that it is an accurate and admirable copy of the Original Painting.' Testimonials without number, have been received from distinguished Clergymen in praise of the Engraving. Many who received it, say they would not part with it for ten times its cost, if they could not procure another.

Clergymen and Church Societies supplied in quantities of not less than 20 copies at a time, on very liberal terms.

Terms for one copy, $1 and four letter stamps, or 5 copies for $4 without stamps. For a letter of Agency stating special terms, and 1 copy, $1 and 6 letter stamps, and in strong rolls by return mail, with a description. PRACTICAL EXPERIENCE,
BETTER THAN
EXPERIMENTAL SCIENCE.
HOLLOWAY'S OINTMENT.
CONSOLATION FOR THE SUFFERING.

Nearly fifty years continual use in every part of the habitable globe, amongst the savage and civilized alike, has proved that simple eruptions, open sores, hard tumors, scrofulous developments of all kinds, abscesses, cancers, old wounds, and, in one word, every species of inflammation and suppuration, whether in the skin, the flesh, the glands, or among the muscles, can be arrested and permanently cured, without danger, by rubbing in, and using as a dressing, this inestimable Ointment.

SCROFULA, ERYSIPELAS, AND SALT RHEUM.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula or Erysipelas, can long withstand its influence.

BAD LEGS, OLD SORES, AND ULCERS.

Cases of many years standing, that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful ungnent.

ERUPTIONS OF THE SKIN,

Arising from a bad state of the blood or chronic disease, are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

PILES AND FISTULA.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emollient; warm fomentations should precede its application. Its healthy qualities will be found to be thorough and invariable.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Burns,	Chapped Hands,
Chilblains,	Fistula,	Skin Diseases.
Gout,	Lumbago,	Rheumatism,
Piles,	Ringworm,	Salt Rheum,
Scalds,	Sore Legs.	Swelled Glands,
Sore Breasts,	Sore Heads,	Sore Throats,
Sprains,	Stiff Joints.	Venereal Sores,
Sores of all kinds,	Mercurial Eruptions,	
Wounds of all kinds,	Tetter,	Ulcers.

☞ CAUTION!—None are genuine unless the words '*Holloway, New York and London,*' are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine or vending the same, knowing them to be spurious.

*** Sold at the manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots, at 25 cents, 63 cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.
