St. Nicholas Hotel.
BROADWAY, NEW-YORK

WHEN completed, six years ago, the St. Nicholas was universally pronounced the most magnificent, convenient, and thoroughly organized establishment of the kind on this continent. What it was then it remains to-day—without a rival in size, in sumptuousness, and in the general elements of comfort and enjoyment. The Hotel has accommodations for 1,000 guests, including 100 complete suites of apartments for families. Six hundred persons can be comfortably seated at the tables of its three public dining rooms, and nothing that modern art has devised for the convenience and social gratification of the traveling public has been omitted in its plan, or is neglected in its practical details. The early reputation of the house at home and abroad, derived from its magnitude, its superb appointments, and its home-like comforts and luxuries, has been enhanced every year by the unwearied exertions of the proprietors.

MOTHERS

Thousands are daily speaking in the praise of
DR. EATON'S
INFANTILE CORDIAL,
and why? because it never fails to afford instantaneous relief when given in time. It acts as if by magic, and one trial alone will convince you that what we say is true. It contains

NO PAREGORIC OR OPIATE

of any kind, and therefore relieves by removing the sufferings of your child, instead of by deadening its sensibilities. For this reason, it commends itself as the only reliable preparation now known for CHILDREN TEETHING, DIARRHŒA, DESENTERY, GRIPING IN THE BOWELS, ACIDITY OF THE STOMACH, WIND, COLD IN THE HEAD, and CROUP, also, for softening the gums, reducing inflammation, regulating the Bowels, and relieving pain, it has no equal—being an anti-spasmodic it is used with unfailing success in all cases of CONVULSION OR OTHER FITS. As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of narcotics of which other remedies for Infantile Complaints are composed, take none but DR. EATON'S INFANTILE CORDIAL, this you can rely upon. It is perfectly harmless, and cannot injure the most delicate infant. Price, 25 cents. Full directions accompany each bottle. Prepared only by

BLOOD FOOD

Healthy human blood upon being
ANALYZED
always presents us with the same essential elements, and gives of course the TRUE STANDARD. Analyze the Blood of a person suffering from Consumption, Liver Complaint, Dyspepsia, Scrofula, &c., and we find in every instance certain deficiencies in the red globules of Blood. Supply these deficiencies, and you are made well. The BLOOD FOOD is founded upon this Theory—hence its astonishing success. There are

FIVE PREPARATIONS

adapted to the deficiencies of the Blood in different diseases. For Coughs, Colds, Bronchitis, or any affection whatever of the THROAT and LUNGS inducing Consumption, use No. 1, which is also the No. for Depression of Spirits, Loss of Appetite, and for all Chronic Complaints arising from Over-use, General Debility and Nervous Prostration. No. 2, for Liver Complaints, No. 3 for Dyspepsia. Being already prepared for absorption it is TAKEN BY DROPS and carried immediately into the circulation, so that what you gain you retain. The No. 4 is for Female Irregularities, Hysteria, Weakness, &c. See special directions for this. For Salt Rheum, Eruptions, Scrofulous Kidney, and Bladder Complaints, take No. 5. In all cases the directions must be strictly followed. Price of the BLOOD FOOD $1 per bottle.

The Only Preparation,

HAVING PROOFS SO STRONG AND DIRECT AS TO
EXPEL THE DOUBTS OF ALL!

For Statesmen, Judges, Editors, Physicians of the oldest schools as well as new, give it their unqualified sanction, and recommend it for all cases of eruptions, and diseases of the scalp and brain; but all who have used it, unite, in testifying that it will preserve the hair from being gray, and from falling to any age, as well as restore. Read the following:—

Oak Grove, S. C, June 24th, 1859.

PROF. O. J. WOOD: Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test:—

During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow; causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result: two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; moreover, I shall use my influence, which I flatter myself to say, is not a little.

You can publish this if you think proper.

Yours, very respectfully,
M. J. WRIGHT, M. D.

Office of the Jeffersonian, Philippi, Va., Dec. 12th 1858.

Dear Sir:—I feel it my duty as well as my pleasure, to state to you the following circumstance, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his early youth; so much so, that he was compelled to wear a wig. He was induced to use a bottle of your 'Hair Restorative,' which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yours, &c.,

THOMPSON SCAGGNOR.

DR WOOD: Dear Sir: Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your 'Hair Restorative' it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable.

S. THALBERG.

The Restorative is put up in bottles of three sizes, viz; large, medium and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for three dollars per bottle.

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delight-ed with its operations, and speak in terms of highest commendation of its magical effects and medical virtues.—We speak in this matter 'WHAT WE DO KNOW,' after ten years experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED NURSES in New England, and has been used with never-failing success in THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve
