WOOD'S HAIR RESTORATIVE.—Among all preparations for the hair that have been introduced as infallible, none has ever given the satisfaction or gained the popularity that Prof. Wood's Hair Restorative now has. His Restorative has passed the ordeal of innumerable fashionable toilets, and the ladies, wherever they have tested it, pronounce it a peerless article They find, where the hair is thinned, that it creates a fresh growth—that it fully restores the vegetative power of the roots on the denuded places, and causes the fibres to shoot forth anew—that it dissolves and removes dandruff, prevents grayness, restores the hair to its original color when grayness has actually supervened, gives a rich lustre, imparts the softness and flexibility of silk to the hair, and keeps it always luxuriant, healthy and in full vigor.—(N.Y. MRS. WINSLOW

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP!

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, softening the gums, reducing all inflamation—will allay ALL PAIN and spasmodic action, and IS SURE TO REGULATE THE BOWELS.

Depend upon it mothers, it will give rest to yourselves and RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction even by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects and medical virtues.—We speak in this matter 'WHAT WE DO KNOW,' after ten years experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE.

This valuable preparation is the prescription of one of the most EXPERIENCED PHYSICIANS in England, and has been used with never-failing success in THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING IN THE BOWELS AND WIND CHOLIC, and overcome convulsions, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices or the prejudices of others stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world.

SURVIVE OR PERISH.

Holloway's Pills.

The history of this great remedy is the most wonderful medical revelation that the world has ever known. It is not a history written by one man, or even derived from the experience of one nation, but consists of a compilation of testimonials from the sick of every country—a record, the like of which has never been adduced in favor of any discovery or invention since time began.

BILIOUS DISORDERS.

In whatever form disease attacks the liver, it is repelled and exterminated by this searching, painless and irresistible curative.

Let the sick whom the faculty have abandoned, resort with confidence to this powerful antibilious agent, and a restoration to health and activity will be the unvarying result.

DYSPEPSIA

The great scourge of this continent yields quickly to a course of these antiseptic Pills, and the digestive organs are restored to their proper tone; no matter in what hideous shape this hydra of disease exhibits itself, this searching and unerring remedy disperses it from the patient's system.

GENERAL DEBILITY & WEAKNESS.

From whatever cause, LOWNESS OF SPIRITS, and all other signs of a diseased liver, and other disorganization of the system, vanish under the eradicating influence of this all powerful antiseptic and detergent remedy.

SICKLY FEMALES.

Should lose no time in trying a few doses of this regulating and renovating remedy; whatever may be their complaint, it can be taken with safety in all periodical and other disorganizations; its effect is all but miraculous.
