HOLLOWAY'S PILLS.—Deaths from apoplexy are in most cases attributable to imprudence an neglect. Let persons of a full habit, who have a predisposition to the disease, resort to this great vegetable sedative and iterative whenever they feel a sensation of fulness in the head, or are sensible of any undue excitement in the arterial system of the nerves, and we will guarantee them against appoplexy, and also against all diseases of the heart which do not result from inflammation or a change of structure. As a means of regulating the flow of the blood, and purifying it from all morbid particles, these Pills hold the first place in the materia medica. 177

THE MEDICAL FACULTY AND "KENNEDY'S MEDICAL DISCOVERY."—Physicians are very guarded in their remarks respecting any medicine that may be introduced to the public, especially if the discoverer has not received a medical education, and we honor them for their precaution and good judgment. But the cures of humors that have been made by Kennedy's Medical Discovery have astonished even the learned doctors, and as they have stood by the bedside of a patient and seen the favorable results arising from the use of this medicine in cases of Scrofula, Erysipelas, &c., &c., they have been led to exclaim as did one of the most disinguished physicians of our State, (Dr. Whitney of Dedham), "Whatever the medicine is, it is doubtless the best of its kind; keep on with it by all means."

For sale by every Druggist in the British Provinces. 177

MOTHERS

Thousands are daily speaking in the praise of

DR. EATON'S

INFANTILE CORDIAL,

and why? because it never fails to afford instantaneous relief when given in time. It acts as if by magic, and one trial alone will convince you that what we say is true. It contains

NO PAREGORIC OR OPIATE

of any kind, and therefore relieves by removing the sufferings of your child, instead of by deadening its sensibilities. For this reason, it commends itself as the only reliable preparation now known for CHILDREN TEETHING, DIARRHŒA, DYSENTERY, GRIPING IN THE BOWELS, ACIDITY OF THE STOMACH, WIND, COLD IN THE HEAD, and CROUP, also, for softening the gums, reducing inflammation, regulating the Bowels, and relieving pain, it has no equal—being an anti-spasmodic it is used with unfailing success in all cases of CONVULSION OR OTHER FITS. As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of narcotics of which other remedies for Infantile Complaints are composed, take none but DR. EATON'S INFANTILE CORDIAL, this you can rely upon. It is perfectly harmless, and cannot injure the most delicate infant. Price, 25 cents. Full directions accompany each bottle. Prepared only by

MRS. WINSLOW

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP!

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, softening the gums, reducing all inflamation—will allay ALL PAIN and spasmodic action, and IS SURE TO REGULATE THE BOWELS.

Depend upon it mothers, it will give rest to yourselves and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delight ed with its operations, and speak in terms of the highest commendation of its magical effects and medical virtues.—We speak in this matter 'WHAT WE DO KNOW,' after ten years experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED PHYSICIANS in New England, and has been used with never-failing success in MANY THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND COLIC.

and overcome convulsions, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has suffered with any of the foregoing complaints—do not let your prejudices of others, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on outside wrapper.

The constantly increasing demand from those who have long used the PILLS and the satisfaction which all express in regard to their use, has induced me to place them within the reach of all. The profession well know that different Cathartics act on different portions of the bowels. The FAMILY CATHARTIC PILL has, with the reference to this fact, been composed of the purest vegetable Extracts which act alike on every part of the alimentary canal, and are good and safe in all cases where a Cathartic is needed, such as Derangements of the Stomach, Sleeplessness, Pains in the Back and Loins, Costiveness, Pain and Soreness over the whole body, from sudden cold, which frequently, if neglected, end in a long course of Fever, Loss of Appetite, a Creeping Sensation of Cold over the body, restlessness, Headache, or weight in the head, all Inflammatory Diseases, Worms in Children or Adults, Rheumatism of the blood, and many diseases which flesh is heir, too numerous to mention in this advertisement.

DOSE—1 to 3. PRICE—3 dimes.

The LIVER INVIGORATOR and FAMILY CATHARTIC PILLS are retailed by Druggists generally, and sold wholesale by the trade in all the large towns.

PEALE'S COURT OF DEATH.

THE most elaborate and noted work of Art ever painted by an American Artist, is the 'COURT OF DEATH' by REMBRANDT PEALE. This painting covers 312 square feet of canvass—contains 23 Life Size Figures, and has never been valued at less than

25,000 Dollars.

It has been gazed upon with admiration and delight by tens of thousands. The subscriber has purchased the painting, and issued a splendid CHROMO LITHOGRAPHIC ENGRAVING of it, presenting a perfect FACSIMILE COPY of the original painting, WITH ALL ITS BEAUTIFUL COLORS.

The size of the Engraving is 23 by 31 inches, and the price ($1) for which it is offered, is only one-fifth the usual price of similar works—100,000 being issued instead of 5,000, the usual number. The home of every family in the land, should be adorned with this picture, as, besides its beauty as an ornament, the lesson it teaches, illustrating the evils of Intemperance and War, and the end of a good—a Christian Life, are invaluable. Mr. Peale says of the Engraving: 'I can certify that it is an accurate and admirable copy of the Original Painting.' Testimonials without number, have been received from distinguished Clergymen in praise of the Engraving. Many who received it, say they would not part with it for ten times its cost, if they could not procure another.

Clergymen and Church Societies supplied in quantities of not less than 20 copies at a time, on very liberal terms.

Terms for one copy, $1 and four letter stamps, or 5 copies for $4 without stamps. For a letter of Agency stating special terms, and 1 copy, $1 and 6 letter stamps, and in strong rolls by return mail, with a description. If $4 or more is sent in a letter, get a draft, or have the letter registered. Write the Name, Town, County or State plainly. Address

The Only Preparation.

HAVING PROVED SO STRONG AND DIRECT AS TO

EXPEL THE DOUBTS OF ALL

For Statesmen, Judges, Editors, Physicians, of the oldest schools as well as new, give it their unqualified sanction, and recommend it for all cases of eruptions, and diseases of the scalp and brain; but all who have used it, unite, in testifying that it will preserve the hair from being gray, and from falling to any age, as well as restore. Read the following:—

Oak Grove, S. C. June 24th, 1859.

PROF. O. J. WOOD: Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test:—

During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow; causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its drooping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced,

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result; two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; moreover, I shall use my influence, which I flatter myself to say, is not a little.

You can publish this if you think proper,

Yours, very respectfully,

M. F. WRIGHT, M. D.

Office of the Jeffersonian, Philippi, Va., Dec. 12th 1858.

Dear Sir:—I feel it my duty as well as my pleasure, to state to you the following circumstance, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his early youth; so much so, that he was compelled to wear a wig. He was induced to use a bottle of your 'Hair Restorative,' which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yours, &c.,

THOMPSON SURGNOR.

DR WOOD: Dear Sir: Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your 'Hair Restorative' it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable,

S. THALBERG.

The Restorative is put up in bottles of three sizes, viz., large, medium and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for three dollars per bottle.
