Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.
And for the speedy cure of the subjoined varieties of Disease:
Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.
OAKLAND, Ind., 6th June, 1859.
J. C. Ayer & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours,
ALFRED B. TALLEY.
St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.
Dr. Robert M. Preble writes from Salem, N. Y., 13th Sept., 1858, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous attack of Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly.
Bronchocele, Goitre or Swelled Neck.
Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goitre—a hideous swelling on the neck, which I had suffered from over two years."
Leucorrhea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.
Dr. J. B. S. Chausing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the fibrous(?) diathesis. I have cured many inveterate cases of Leucorrhea by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."
Edward S. Marrow, of Newbury, Ala., writes, "A dangerous cancrous tumor on one of the females in my family, which had defied all the remedies we could employ, had at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."
Syphilis and Mercurial Disease.
NEW ORLEANS, 25th August, 1858.
Dr. J. C. Ayer: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.
I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mercurial Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.
Fraternally yours, C. V. LARIMER, M. D.
Rheumatism, Gout, Liver Complaint.
INDEPENDENCE, Preston Co., Va., 6th July, 1858.
Dr. J. C. Ayer: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.
Jules Y. Gotchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for many years, from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Engy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The least that can be said of you is not half good enough."
Scirrhous, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.
A great variety of cases have been reported to us where cases of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.
Dyspepsia, Heart Disease, Pits, Epilepsy, Melancholy, Neuralgia.
Many remarkable cures of these complaints have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the physicians of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,
FOR THE RAPID CURE OF
Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.
This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary diseases, have made it known throughout the civilized nations of the earth. For sale throughout the country, and even families, among those who have not some personal experience of its effects or some living trophy to their mind of its victory over the subtle and dangerous disorders of the throat and lungs, do well know this doubtful history of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has kept all the virtues that it did have when making the cures which have won its strongly upon the confidence of mankind.

THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.
MR. Kennedy, of Roxbury, has discovered in one of our common Pasture Weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst scrofula down to a common pimple. He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates, of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will cure the system of boils.
Two bottles are warranted to cure the worst kind of canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst kind of erysipelas.
One to three bottles are warranted to cure all humor in the eyes.
Two battles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruptions of the skin.
Two to three bottles are warranted to cure the worst kind of ringworm.
Two to three bottles are warranted to cure the most desperate case of Rheumatism.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
ROXBURY, MASS.
DEAR MADAM,—The reputation of the Medical Discovery is curing all kind of humors, is so well established by the unanimous voice of all who have ever used it, and I need not say anything of the subject, as the most skillful physicians and the most careful druggists in the country are unanimous in its praise.
In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are unfortunately so liable. The most excruciating disease to an affectionate mother,
NURSING SORE MOUTH,
Is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and quiet slumbers; and the Medical Discovery becomes a fountain of blessing to your husband and household.
In the more advanced stages of
CANKER
it extends to the stomach, causing
DYSPEPSIA,
which is nothing but canker on the stomach; then to the intestines and
KIDNEYS,
creating a sinking, gone feeling, and an indifference even to the cares of your family.
Your stomach is
RAW AND INFLAMED,
your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best days are gone. For want of nourishment your system becomes loose and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to
CURE.
Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases, the
PILES.
How many thousands of poor women are suffering from this disease, and pining away a miserable life, and their next door neighbor does not know what is the cause. I wish to impress on your mind that good old proverb, "An ounce of prevention is better than a pound of cure." In the
MEDICAL DISCOVERY
you have both the preventative and the cure, with this great and good quality, that it will never under any circumstances, do you any injury.
No change of diet ever necessary—eat the best you can get and enough of it.
DIRECTIONS FOR USE—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years, teaspoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.
Yours truly,
DONALD KENNEDY.
