WORCESTER'S ILLUSTRATED QUARTO

DICTIONARY,

1,854 PAGES.

The Latest! The Largest! The Best!

THIS book was published Jan. 1, 1860, and such has been its success, that

20,000 Copies have already been Sold!

And the Twenty-fifth Thousand is now in press.

WORCESTER'S QUARTO—This Book has all the desirable qualities of Webster, and none of his innovations.

H.R.H. Prince Albert, in an autograph letter addressed to Hon. Edward Everett, dated Buckingham Palace, May 9, 1860, writes:

MY DEAR MR. EVERETT—I have to acknowledge the receipt of the very handsome copy of Dr. Worcester's Dictionary, which you have been good enough to send me, and I must beg of you also to assure the publishers that I am very sensible of the kind feeling which they manifested towards me. It is very gratifying to see that the parent language receives such valuable aid for its development and the preservation of its purity in your country.

The Highest English Authorities

Are unanimous in their eulogiums upon Worcester's Quarto Dictionary.

Letters expressing the highest approval have been received from CHAS. RICHARDSON, the venerable author of 'Richardson's Dictionary,' HERBERT COLERIDGE, Sec. Philological Society; RICHARD C. TRENCH, R. H. SMART, and also from Dr. BOSWORTH, Prof. Anglo-Saxon at Oxford University. The latter says of it:

'In short it is the most complete and practical, the very best as well as the cheapest English Dictionary that I know, and I have, therefore, no doubt of its success.'

The London Literary Gazette says:—

'The lapse of a few months will be sufficient to establish Worcester's Dictionary as the acknowledged standard of reference, among the scholars of England and America.'

MRS. WINSLOW

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP!
FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, softening the gums, reducing all inflamation—will allay ALL PAIN and spasmodic action, and

IS SURE TO REGULATE THE BOWELS.

Depend upon it mothers, it will give rest to yourselves and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues.—We speak in this matter 'WHAT WE DO know,' after ten years experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED FEMALE NURSES in New England, and has been used with never-failing success in THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND COLIC,

and overcome convulsions, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices or the prejudices of others, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on outside wrapper.

Sold by Druggists throughout the world. Principal Office, No. 31 Cedar street, New York.

THE

PLEASURE EXCURSION OF THE

SEASON.

GRAND Gathering at the Celebrated and Wonderful Lake on the Mountain, which, next to the Falls of Niagara, is the Greatest Natural Curiosity in Canada.

This Lake is situated contiguous to the Bay of Quinte, about 35 miles from Kingston, on the very summit of the loftiest hill or mountain, between Lake Erie and the foot of Lake Ontario. It has no apparent inlet, but a copious flow from it is continuously tumbling down the mountain side. Originally this escape was over a lofty precipice, and then by continued cascades through a deep ravine, formed a cataract upwards of three times the height of Niagara Falls.

The Lake is of great depth, none of the sounding lines which have yet been used having been sufficiently long to reach the bottom, and the allegation is that it regularly rises and falls with the fluctuations of Lake Erie. It is filled with very fine fish.

The view from the summit of the mountain (which can be ascended by an excellent road, has been universally pronounced to be one of the most beautiful in America, taking in at a single glance the Five Picturesque and Extensive Bays which meet at almost the very base of this mountain.

The Fishing in the vicinity of the Neighboring Islands is excellent.
