THE PLEASURE EXCURSION OF THE SEASON.

GRAND Gathering at the Celebrated and Wonderful Lake on the Mountain, which, next to the Falls of Niagara, is the Greatest Natural Curiosity in Canada.
This Lake is situated contiguous to the Bay of Quinte, about 35 miles from Kingston, on the very summit of the loftiest hill or mountain, between Lake Erie and the foot of Lake Ontario. It has no apparent inlet, but a copious flow from it is continuously tumbling down the mountain side. Originally this escape was over a lofty precipice, and then by continued cascades through a deep ravine, formed a cataract upwards of three times the height of Niagara Falls.
The Lake is of great depth, none of the sounding lines which have yet been used having been sufficiently long to reach the bottom, and the allegation is that it regularly rises and falls with the fluctuations of Lake Erie. It is filled with very fine fish.
The view from the summit of the mountain (which can be ascended by an excellent road, has been universally pronounced to be one of the most beautiful in America, taking in at a single glance the Five Picturesque and Extensive Bays which meet at almost the very base of this mountain.
The Fishing in the vicinity of the Neighboring Islands is excellent.

WORCESTER'S ILLUSTRATED QUARTO DICTIONARY,
1,854 PAGES.

The Latest! The Largest! The Best!

THIS book was published Jan. 1, 1860, and such has been its success, that 20,000 Copies have already been Sold! And the Twenty-fifth Thousand is now in press.
WORCESTER'S QUARTO—This Book has all the desirable qualities of Webster, and none of his innovations.
H.R.H. Prince Albert, in an autograph letter addressed to Hon. Edward Everett, dated Buckingham Palace, May 9, 1860, writes:
MY DEAR MR. EVERETT—I have to acknowledge the receipt of the very handsome copy of Dr. Worcester's Dictionary, which you have been good enough to send me, and I must beg of you also to assure the publishers that I am very sensible of the kind feeling which they manifested towards me. It is very gratifying to see that the parent language receives such valuable aid for its development and the preservation of its purity in your country.
The Highest English Authorities Are unanimous in their eulogiums upon Worcester's Quarto Dictionary.
Letters expressing the highest approval have been received from CHAS. RICHARDSON, the venerable author of 'Richardson's Dictionary,' HERBERT COLERIDGE, RICHARD C. TRENCH, R. H. SMART, Sec. Philological Society; and also from Drs. BOSWORTH, Prof. Anglo-Saxon at Oxford University. The latter says of it:
'In short it is the most complete and practical, the very best as well as the cheapest English Dictionary that I know, and I have, therefore, no doubt of its success.'
The London Literary Gazette says:—
'The lapse of a few months will be sufficient to establish Worcester's Dictionary as the acknowledged standard of reference, among the scholars of England and America.'
