AYER'S
CATHARTIC
PILLS.
Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtues of these Pills will neglect to employ them when suffering from the disorders they cure.
Statements from leading physicians in some of the principal cities, and from other well known public persons.
From a Forwarding Merchant of St. Louis, Feb. 4, 1856.
DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.
As a Family Physic.
From Dr. E. W. Cartwright, New Orleans.
Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.
Headache, Sick Headache, Foul Stomach.
From Dr. Edward Boyd, Baltimore.
DEAR DR. AYER: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.
Fitzburg, Pa., May 1, 1855.
DR. J. C. AYER, SIR: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.
Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Clarion.
Bilious Disorders—Liver Complaints.
From Dr. Theodore Bell, of New York City.
Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.
DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1856.
SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.
Dysentery, Diarrhœa, Relax, Worms.
From Dr. J. G. Green, of Cincinnati.
Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhœa. Their sugar-coating makes them very acceptable and convenient for the use of women and children.
Dyspepsia, Impurity of the Blood.
From Rev. J. V. Himes, Pastor of Advent Church, Boston.
DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. As regulates the organs of digestion and purifies the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.
WARSAW, Wyoming Co., N. Y., Oct. 21, 1854.
DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.
JOHN G. MEACHAM, M. D.
Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.
From Rev. J. P. Vaughn, Montreal, Canada.
Too much cannot be said of your Pills for their cure of costiveness. If others of our fraternity have found them as effective as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe sufferers to originate in the liver, but your Pills affect that organ and cure the disease.
From Wm. E. Sweet, Physician and Editor, Boston.
I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend it other to my patients.
From the Rev. Dr. Hawley, of the Methodist Episc. Church.
PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.
HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A coil settled in my bowels and brought on excruciating absolute agony, which ended in chronic obstruction. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Machenheimer, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.
SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1853.
DR. AYER: I have been entirely cured, by your Pills, of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.
☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.
Price, 25 cents per Box, or 5 Boxes for $1.

THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.
MR. Kennedy, of Roxbury, has discovered in one of our common Pasture Weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst scrofula down to a common pimple. He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates, of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will cure the system of boils.
Two bottles are warranted to cure the worst kind of canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst kind of erysipelas.
One to three bottles are warranted to cure all humor in the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruptions of the skin.
Two to three bottles are warranted to cure the worst kind of ringworm.
Two to three bottles are warranted to cure the most desperate case of Rheumatism.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
ROXBURY, MASS.
DEAR MADAM,—The reputation of the Medical Discovery is curing all kind of humors, is so well established by the unanimous voice of all who have ever used it, and I need not say anything of the subject, as the most skillful physicians and the most careful druggists in the country are unanimous in its praise.
In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are unfortunately so liable. The most excruciating disease to an affectionate mother,
NURSING SORE MOUTH,
Is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and quiet slumbers; and the Medical Discovery becomes a fountain of blessing to your husband and household.
In the more advanced stages of
CANKER
it extends to the stomach, causing
DYSPEPSIA,
which is nothing but canker on the stomach; then to the intestines and
KIDNEYS,
creating a sinking, gone feeling, and an indifference even to the cares of your family.
Your stomach is
RAW AND INFLAMED,
your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best days are gone. For want of nourishment your system becomes loose and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to
CURE.
Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases, the
PILES.
How many thousands of poor women are suffering from this disease, and pining away a miserable life, and their next door neighbor does not know what is the cause. I wish to impress on your mind that good old proverb, "An ounce of prevention is better than a pound of cure." In the
MEDICAL DISCOVERY
you have both the preventative and the cure, with this great and good quality, that it will never under any circumstances, do you any injury.
No change of diet ever necessary—eat the best you can get and enough of it.
DIRECTIONS FOR USE—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years, teaspoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day. Yours truly,
DONALD KENNEDY.
Price $1.00 per bottle. For sale by every Druggist in the British Province.

St. Nicholas Hotel.
BROADWAY, NEW-YORK
WHEN completed, six years ago, the St. Nicholas was universally pronounced the most magnificent, convenient, and thoroughly organized establishment of the kind on this continent. What it was then it remains to-day—without a rival in size, in sumptuousness, and in the general elements of comfort and enjoyment. The Hotel has accommodations for 1,000 guests, including 100 complete suites of apartments for families. Six hundred persons can be comfortably seated at the tables of its three public dining-rooms, and nothing that modern art has devised for the convenience and social gratification of the traveling public has been omitted in its plan, or is neglected in its practical details. The early reputation of the house at home and abroad, derived from its magnitude, its superb appointments, and its home-like comforts and luxuries, has been enhanced every year by the unwearied exertions of the proprietors.

MY DEAR MR. EVERETT—I have to acknowledge the receipt of the very handsome copy of Dr. Worcester's Dictionary, which you have been good enough to send me, and I must beg of you also to assure the publishers that I am very sensible of the kind feeling which they manifested towards me. It is very gratifying to see that the parent language receives such valuable aid for its development and the preservation of its purity in your country.
The Highest English Authorities
Are unanimous in their eulogiums upon Worcester's Quarto Dictionary.
Letters expressing the highest approval have been received from CHAS. RICHARDSON, the venerable author of 'Richardson's Dictionary,' HERBERT COLERIDGE, Sec. Philological Society; and also from Dr. BOSWORTH, Prof. Anglo-Saxon at Oxford University. The latter says of it:
'In short it is the most complete and practical, the very best as well as the cheapest English Dictionary that I know, and I have, therefore, no doubt of its success.'
The London Literary Gazette says:—
'The lapse of a few months will be sufficient to establish Worcester's Dictionary as the acknowledged standard of reference, among the scholars of England and America.'
