Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.
And for the speedy cure of the subjoined varieties of Disease:
Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.
OAKLAND, Ind., 6th June, 1859.
J. C. Ayer & Co. Gentlemen: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours,
ALFRED B. TALLEY.
St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.
Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1858, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous attack of Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly.
Bronchocele, Goitre or Swelled Neck.
Tabulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goitre—a hideous swelling on the neck, which I had suffered from over two years."
Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.
Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Female Disease of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some, where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."
Edward S. Marrow, of Newbury, Ala., writes, "A dangerous ovarian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."
Syphilis and Mercurial Disease.
NEW ORLEANS, 28th August, 1859.
Dr. J. C. Ayer: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.
I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mercurial Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, and of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its effects, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.
Fraternally yours, G. V. LARIMER, M. D.
Rheumatism, Gout, Liver Complaint.
INKERMAN, Preston Co., Va., 6th July, 1859.
Dr. J. C. Ayer: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. EREAM.
John Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years, from no other cause than derangement of the liver. My beloved pastor, the Rev. Mr. Guy, advised me to try your Sarsaparilla, because he said he knew you, and anything you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."
Scirrhus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.
A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.
Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.
Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the physicians of the people, and we are confident that this will do for them all that medicine can do.
Ayer's Cherry Pectoral,
FOR THE RAPID CURE OF
Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.
This has justly so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the efficacy of these remedies, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has not all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.
MR. Kennedy, of Roxbury, has discovered in one of our common Pasture Weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst scrofula down to a common pimple. He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates, of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will cure the system of boils.
Two bottles are warranted to cure the worst kind of canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst kind of erysipelas.
One to three bottles are warranted to cure all humor in the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruptions of the skin.
Two to three bottles are warranted to cure the worst kind of ringworm.
Two to three bottles are warranted to cure the most desperate case of Rheumatism.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
ROXBURY, MASS.
DEAR MADAM.—The reputation of the Medical Discovery is curing all kind of humors, is so well established by the unanimous voice of all who have ever used it, and I need not say anything of the subject, as the most skillful physicians and the most careful druggists in the country are unanimous in its praise.
In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are unfortunately so liable. The most excruciating disease to an affectionate mother,
NURSING SORE MOUTH,
Is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and quiet slumbers; and the Medical Discovery becomes a fountain of blessing to your husband and household.
In the more advanced stages of
CANKER
it extends to the stomach, causing
DYSPEPSIA,
which is nothing but canker on the stomach; then to the intestines and
KIDNEYS,
creating a sinking, gone feeling, and an indifference even to the cares of your family.
Your stomach is
RAW AND INFLAMED,
your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best days are gone. For want of nourishment your system becomes loose and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to
CURE.
Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases, the
PILES.
How many thousands of poor women are suffering from this disease, and pining away a miserable life, and their next door neighbor does not know what is the cause. I wish to impress on your mind that good old proverb, "An ounce of prevention is better than a pound of cure." In the
MEDICAL DISCOVERY
you have both the preventative and the cure, with this great and good quality, that it will never under any circumstances, do you any injury.
No change of diet ever necessary—eat the best you can get and enough of it.
DIRECTIONS FOR USE—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years, teaspoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.
Yours truly,
DONALD KENNEDY.

St. Nicholas Hotel.
BROADWAY, NEW-YORK
WHEN completed, six years ago, the St. Nicholas was universally pronounced the most magnificent, convenient, and thoroughly organized establishment of the kind on this continent. What it was then it remains to-day—without a rival in size, in sumptuousness, and in the general elements of comfort and enjoyment. The Hotel has accommodations for 1,000 guests, including 100 complete suites of apartments for families. Six hundred persons can be comfortably seated at the tables of its three public dining rooms, and nothing that modern art has devised for the convenience and social gratification of the traveling public has been omitted in its plan, or is neglected in its practical details. The early reputation of the house at home and abroad, derived from its magnitude, its superb appointments, and its home-like comforts and luxuries, has been enhanced every year by the unwearied exertions of the proprietors.

MOTHERS
Thousands are daily speaking in the praise of
DR. EATON'S
INFANTILE CORDIAL,
and why? because it never fails to afford instantaneous relief when given in time. It acts as if by magic, and one trial alone will convince you that what we say is true. It contains
NO PAREGORIC OR OPIATE
of any kind, and therefore relieves by removing the sufferings of your child, instead of by deadening its sensibilities. For this reason, it commends itself as the only reliable preparation now known for CHILDREN TEETHING, DIARRHŒA, DYSENTERY, GRIPING IN THE BOWELS, ACIDITY IN THE STOMACH, WIND, COLD IN THE HEAD, and COUGH, also, for softening the gums, reducing inflammation, regulating the bowels, and relieving pain, it has no equal—being an anti-spasmodic it is used with unfailing success in all cases of CONVULSION OR OTHER FITS. As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of narcotics of which other remedies for Infantile Complaints are composed, take none but DR. EATON'S INFANTILE CORDIAL, this you can rely upon. It is perfectly harmless, and cannot injure the most delicate infant. Price, 25 cents. Full directions accompany each bottle. Prepared only by
CHURCH & DUPONT.

BLOOD FOOD
Healthy human blood upon being
ANALYZED
always presents us with the same essential elements, and gives of course the TRUE STANDARD. Analyze the Blood of a person suffering from Consumption, Liver Complaint, Dyspepsia, Scrofula, &c., and we find in every instance certain deficiencies in the red globules of Blood. Supply these deficiencies, and you are made well. The BLOOD FOOD is founded upon this Theory—hence its astonishing success. There are
FIVE PREPARATIONS
adapted to the deficiencies of the Blood in different diseases. For Coughs, Colds, Bronchitis, or any affection whatever of the THROAT and LUNGS inducing Consumption, use No. 1, which is also the No. for Depression of Spirits, Loss of Appetite, and for all Chronic Complaints arising from Over-use, General Debility and Nervous Prostration. No. 2. for Liver Complaints, No. 3 for Dyspepsia. Being already prepared for absorption it is TAKEN BY DIGEST and carried immediately into the circulation, so that what you gain you retain. The No. 4 is for Female Irregularities, Hysteria, Weaknesses, &c. See special directions for this. For Salt Rheum, Eruptions, Scrofulous Kilney, and Bladder Complaints, take No. 5. In all cases the directions must be strictly followed. Price of the BLOOD FOOD $1 per bottle.

WORCESTER'S
ILLUSTRATED QUARTO
DICTIONARY,
1,854 PAGES.
The Latest! The Largest! The Best!
THIS book was published Jan. 1, 1860, and such has been its success, that
20,000 Copies have already been Sold!
And the Twenty-fifth Thousand is now in press.
WORCESTER'S QUARTO—This Book has all the desirable qualities of Webster, and none of his innovations.
H.R.H. Prince Albert, in an autograph letter addressed to Hon. Edward Everett, dated Buckingham Palace, May 9, 1860, writes:
MY DEAR MR. EVERETT—I have to acknowledge the receipt of the very handsome copy of Dr. Worcester's Dictionary, which you have been good enough to send me, and I must beg of you also to assure the publishers that I am very sensible of the kind feeling which they manifested towards me. It is very gratifying to see that the parent language receives such valuable aid for its development and the preservation of its purity in your country.
The Highest English Authorities
Are unanimous in their eulogiums upon Worcester's Quarto Dictionary.
Letters expressing the highest approval have been received from CHAS. RICHARDSON, the venerable author of 'Richardson's Dictionary,' HERBERT COLERIDGE, R. C. TRENCH, R. H. SMARTRIDGE, Sec. Philological Society; and also from Dr. BOSWORTH, Prof. Anglo-Saxon at Oxford University. The latter says of it:
'In short it is the most complete and practical, the very best as well as the cheapest English Dictionary that I know, and I have, therefore, no doubt of its success.'
The London Literary Gazette says:—
'The lapse of a few months will be sufficient to establish Worcester's Dictionary as the acknowledged standard of reference, among the scholars of England and America.'
