selves with great rapidity like yeast in moistened flour, so that the slightest quantity impregnates the whole mass. Yeast, though a powerful magnifier, is seen to be a forest of vegetation which grows blossoms, and goes to seed in a short time.—Miasm is not so distinctly vegetable, but has more the appearance of animal life, although its motions cannot be perfectly distinguished. What the Doctor claims to have settled is that it is an organic substance and he has further found and embodied in his 'Ague Cure' what will destroy it.—[Leader, St. Louis, Mo. 184

WORTH KNOWING.—Prof. Wood, whose advertisement will be found in another column, has discovered a remedy for the gray and bald, which is at once practicable and cheap. It requires no dyeing, no wig, nor extraordinary trouble. There can be no doubt whatever of its efficacy. We have seen testimonials almost without number, and from men of great intelligence, high standing and moral worth.

Those who have been bald for years are now wearing their own hair, and appear ten years younger than they did six months ago. As in most cases gray hairs and bald heads are both premature and unnatural, it is a duty to remedy them by the natural and undoubted means which Prof. Wood has invented, and now kindly offers to the afflicted. Read his advertisement, try his wonderful remedy, and give the Prof. a new testimonial.—Memphis Whig.

HUMOR IN THE EYES.—There is probably no part of the physical organization more tender or sensitive than the eye, and when humor once settles on the delicate organs of sight, blindness is sure to follow. There are instances where persons having become blind have applied to oculists in vain for relief, the professional gentleman being ignorant of the hidden cause of the trouble. 'Kennedy Medical Discovery' has effected many cures, when the patients were totally blind from the above cause, and we mention this fact at the present time to induce any who may be suffering from any trouble with their eyes to try this wonderful discovery, and not these only, but any who may be troubled with humors of any kind.

The Only Preparation,
HAVING PROOFS SO STRONG AND DIRECT AS TO
EXPEL THE DOUBTS OF ALL

For Statesmen, Judges, Editors, Physicians of the oldest schools as well as new, give it their unqualified sanction, and recommend it for all cases of eruptions, and diseases of the scalp and brain; but all who have used it, unite, in testifying that it will preserve the hair from being gray, and from falling to any age, as well as restore. Read the following:—

Oak Grove, S. C. June 24th, 1859.

PROF. O. J. WOOD: Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test:—

During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow; causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its drooping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result: two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; moreover, I shall use my influence, which I flatter myself to say, is not a little.

You can publish this if you think proper.

Yours, very respectfully,
M. J. WRIGHT, M. D.

Office of the Jeffersonion, Philippi, Va., Dec. 12th 1858.

Dear Sir:—I feel it my duty as well as my pleasure, to state to you the following circumstance, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his early youth; so much so, that he was compelled to wear a wig. He was induced to use a bottle of your 'Hair Restorative,' which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yours, &c.,

THOMPSON SURGHNOR.

DR WOOD: Dear Sir: Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your 'Hair Restorative' it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable,

S. THALBERG.

The Restorative is put up in bottles of three sizes, viz., large, medium and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for three dollars per bottle.

HOLLOWAY'S OINTMENT.

CONSOLATION FOR THE SUFFERING.

Nearly fifty years continual use in every part of the habitable globe, amongst the savage and civilized alike, has proved that simple eruptions, open sores, hard tumors, scrofulous developments of all kinds, abscesses, cancers, old wounds, and, in one word, every species of inflammation and suppuration, whether in the skin, the flesh, the glands, or among the muscles, can be arrested and permanently cured, without danger, by rubbing in, and using as a dressing, this inestimable Ointment.

SCROFULA, ERYSIPELAS, AND SALT RHEUM.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula or Erysipelas, can long withstand its influence.

BAD LEGS, OLD SORES, AND ULCERS.

Cases of many years standing, that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful ungnent.

ERUPTIONS OF THE SKIN,

Arising from a bad state of the blood or chronic disease, are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

PILES AND FISTULA.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emollient; warm fomentations should precede its application. Its healthy qualities will be found to be thorough and invariable.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Burns,	Chapped Hands,
Chilblains,	Fistula,	Skin Diseases,
Gout,	Lumbago,	Rheumatism,
Piles,	Ringworm,	Salt Rheum,
Scalds,	Sore Legs,	Swelled Glands,
Sore Breasts,	Sore Heads,	Sore Throats,
Sprains,	Stiff Joints,	Venereal Sores,
Ulcers of all kinds,	Mercurial Eruptions,	
Wounds of all kinds,	Tetter,	Ulcers,

☞ CAUTION!—None are genuine unless the words '*Holloway, New York and London,*' are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine or vending the same, knowing them to be spurious.

* * Sold at the manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots, at 25 cents, 63 cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed on each pot.
