Priceville Women's Institute

The W. I. met at the home of Mrs. Aldcorn for the January meeting. The attendance was small, eight members and two visitors. The meeting opened with the Ode, followed by the Lord's Prayer. The roll call was answered by an "Old Fashioned Parade," and it had to be seen to be appreciated, as it was really good. Discussion of quilts on hand followed and it was decided to were burnt out. Report was given of send two quilts to a family, who the boxes hent to boys overseas, not expected home for Christmas. A motion carried to the effect, that the society start the Tweedmuir Village History, a committee to after compiling, consisted of Mrs. Stewart Boyce, convenor; Miss Mary McKinnon and Mrs. Jack Whyte. Miss Jean Mather, in her pleasing manner and sweet voice rendered a solo, "Sweet Genevieve". Mrs. Mal. McLean gave a splendid paper, "Blessed Now Are The Peacemakers." An impromptu address by Mrs. Odell, dressed in old fashioned costume was much enjoyed. This was followed by a duet by Mrs. Odell and Miss Jean Mather, singing sweetly, "When You munity singing was enjoyed by all. and I Were Young, Maggie." Com- The mizpah benediction closed the meeting.

WITH ARMY IN JAPAN

Word was received by Mrs. George Field of Brampton that her brother, Pte. Lorenzo Martin, who has been residing at Los Angeles, Calif., for quite a number of years, is with the American Army of Occupation and is stationed at Osaka, Japan, the third largest city in Japan, of which, Lorenzo says, there is not much left. He has visited Kobe, Nagoya and Kyoto, the latter being a shrine city and was not bombed to any extent. There was no snow where he was stationed but some was expected after Christmas. Lorenzo is well known in the Eugenia district, where he was raised by his uncle and aunt, Mr. and Mrs. Robt. Gorley, now residing in Flesherton. Lorenzo is married and his wife and little daughter are residing at Los Angeles.

CREAMERY SAFE ROBBED OF $152.00

Flesherton creamery was burglarized early Friday morning of last week, when the safe was blown, the thieves making away with cash to the amount of $152, a number of postage stamps and a non-negotiabl cheque for $750.00.

The robbery was discovered by Mr. John Stewart, an employee, when he opened the creamery for business at 7:30 Friday morning, and found the doors of the large refrigerator wide open. He thought this strange as he had closed the doors the previous day, and he made further investigation and found that the door of the safe in the office had been blown and the firm's books and papers were strewn in confusion over the floor. Nothing had been overlooked. A check was made on the butter and egg stock, but none was found missing. Manager Avis was soon on the scene and Constable H. Black made his investigation, but as yet the thieves have not been apprehended.

The robbers made their entrance through the rear door of the creamery. After the safe had been opened, the pick owned by the creamery and a hollow tube were used to complete the opening of the safe door. Messrs. Louis Rapp and Harold Borinsky of Markdale are owners of the creamery. It is thought that the time of the robbery was around three a.m.

It has been usual in safe robberies to take the safe with them in their get-away, but it was impossible to do this as the safe was embedded in cement, and was all the more solid to make a good blowing job. It will take considerable work and effort to remove the safe safe from the floor.

United Church Notes

At Eugenia, the time of meeting will be changed from 7:30 in the evening to 3:45 in the afternoon.

Mild Weather Prevails

Just for the record we might mention the long mild spell we are now experiencing. The thaw started last Friday and by Monday all the snow had disappeared with the exception of ice on the streets and roads. This Wednesday morning rain is falling and there does not seem to be any prospect of the weather tightening up. The ice in the skating rinks is also taking a beating and will have to be built up before there is any more activities there.

Miss Agnes Heard of Toronto spent the week end with Mrs. McMillan and family. Agnes met Don when he arrived in Toronto.

Wife Still in Scotland

Pte. and Mrs. Eldridge Boyce

Pte. Eldridge Boyce, son of Mr. and Mrs. Calvin Boyce, Eugenia, arrived home recently from overseas to spend a 30-day leave, after which he expects his discharge.

He docked Friday, Dec. 28th, at New York on the Queen Elizabeth.

Eldridge went overseas in the fall of 1941, with the 5th Armored Division and served as a despatch rider, seeing action in France, Belgium, Holland and Germany. He was wounded at the battle of Caen, July 25, 1944.

In the above picture with Eldridge is his wife, the former Margaret Crawford of Edinburgh, Scotland, who was recently discharged from the W.A.A.F. and is expected to arrive in the near future.

ROSS — TUFFORD

A wedding took place, January 5, in Trinity United Church, Beamsville, when Mary MacMillan Tufford. daughter of Mr. and Mrs. L. B. Tufford, was married to Flt. Lieut John Edward Ross, R.C.A.F., son of Mr. and Mrs. A. W. Ross, Vancouver. Rev. Walter C. Almack officiated. William Tufford played the wedding music and Mrs. Charles Tallman was soloist. The chancel of the church was decorated with ferns, standards of white 'mums and silver candelabra and white tapers.

Given in marriage by her father, the bride wore a gown of English suede lace over white crepe with a sweetheart neckline, fitted bodice and long, full skirt forming a short train. Her full-length veil was held to her head by coronet of lace. She carried an arm bouquet of Calla lilies with a sprig of white heather. Preceding the bride were her attendants: Elizabeth McKeeman, Kincardine, maid of honor and cousin of the bride; Mrs. F. A. Miller, Cobourg, and Mrs. W. D. Roberts, Hamilton, bridesmaids. Their dresses were powder blue faille with floor-length skirts flaring from fitted bodices with matching velvet poke bonnets trimmed with pink roses. They carried arm bouquets of pink rosebuds. F. A. Miller, Cobourg, was groomsman and Capt. D. V. Roland R.C.C.S., and Dr. S. R: Hoag, Niagara Falls, were ushers.

A reception was held at the home of the bride's parents, which was decorated with white 'mums. The bride's mother received in a dawn bleu crepe gown, with a corsage of crimson and pale pink roses. Her headdress was a matching flowered toque. For travelling the bride wore a powder blue dressmaker suit with shell pink blouse, matching topcoat, navy hat and accessories. Her corsage was pink carnations. The couple will reside in Vancouver.

A nation which accepted no blame for the conditions in the world can do nothing to remedy them.

FRED HALE AND ARCHIE BUIE ELECTED TO REPRESENT OSPREY IN COUNTY COUNCIL

Mr. Fred Hale, Deputy-Reeve of Osprey Township for the past five years, was elected Reeve over Mr. Aarnold Hutchinson, a former Reeve. Archie Buie of Singhampton was also victorious over Clayton Sprott of Badjeros for the position of Deputy-Reeve, while Harry Thompson, Leslie Moore and Elgin McCutcheon were elected as Councillors. In last week's issue of The Advance the name of James Hudson, a prominent Feversham farmer, was omitted from the list of the contestants for a seat on the Council. The editor very much regrets the omission, as it was certainly unintentional and our apology is tendered to Mr. Hudson. Following is the vote by divisions:

	1	2	3	4	5	6	7	8	9
For Reeve									
Arnold Hutchinson	12	58	56	46	42	28	52	9	31—334

In Memoriam

PURVIS — In ever loving memory of a dear wife and mother, Ada Linton, who passed away January 10, 1940.

Somewhere back in the sunset
Where loveliness never dies
She lives in a land of glory
Midst the gold and blue of the skies
And we, who loved her dearly,
Whose passing has brought many tears,
Will cherish her memory always,
To brighten the drifting years.
— Sadly missed and always remembeed by Husband and Family.

Miss Norma Antler is spending a week with Mrs. McMillan and family.

Unemployment Insurance Will Continue

Since the announcement was recently made by the Minister of Labour, Mr. Mitchell, that National Selective Service Regulations have for the most part been cancelled, many persons have believed that the National Selective Service Offices will also be discontinued. We are informed however by the Manager of the Walkerton Office, A. J. Schnurr, that such offices will continue as Nationnal Employment Offices and will service the public in matters relating to Employment Service, Unemployment Insurance and Army Personnel Rehabilitation Employers are invited to place their orders for help required, while applicants for employment are asked to register at the local office for employment where they will be given every assistance possible in securing such. The Walkerton Employment Office, Mr. Schnurr, stated is particularly interested in assisting the Dischargees in their rehabilitation. When they are requiring information relative to Department of Veteran's Affairs, or in the matter of employment they are invited to visit the National Employment Office where Officers in charge of the particular department will give them every attention.

"Rough-Riders" Aid Motorists

Peacetime motorists are going to benefit from the experiences of the rough-riders of the British Eighth Army whose vehicles had to carry them over hundreds of miles of trackless desert, under a scorching sun. There, motoring presented many problems for the United Kingdom's car industry to solve, and the solutions are being incorporated in new models now in production. New ideas in suspension and springing were developed to make desert travelling more comfortable; in peacetime cars these new ideas will take the crick out of the neck and the pain out of the back of long journeys. In the desert grit was an enemy. New devices for sealing revolving joints, such as are found in gear boxes and back axles, will help to combat the ravages of dust and grit and make car maintenance easier. Air-conditioning was essential. It was so developed that even inside tanks and armoured cars, men were able to breathe comfortably. New cars will incorporate similar air-conditioning devices, and motorists will be able to regulate the temperature as they wish. Colours won't fade in the sun or wear away in wind and rain. For desert warfare, new paints fade in the sun or wear away in wind and rain. For desert warfare, new paints were developed which will stand up to weather and sun, and keep their colour in the most difficult of atmospheric conditions. These paints will be used for 100,000 new cars which the United Kingdom's motor industry is planning to build before June 1946.

Maxwell Couple Celebrate Golden Wedding

On New Year's Day, 1946, Mr. and Mrs. Angus Morrison of Maxwell celebrated their fiftieth wedding anniversary. All their family and grandchildren were home for the occasion, except one grandson, Jim Morrison stationed at Halifax, who is serving in the Canadian Navy. They are as follows: Mr. and Mrs. Emerson Wright, Fourth Line; Mr. and Mrs. R. J. Morrison and Bert of Walkerton; Mr. and Mrs. Andrew Morrison, Geraldine, Jean and Donald of New Toronto; Mr. and Mrs. Angus Morrison, Ross and Betty of New Toronto; Mr. and Mrs. George Morrison, Shirley and Dennis of Maxwell; Miss Kathleen Morrison of Mimico teaching staff.

The family all sat down to a bounteous fowl dinner, the table being centered with a three-tiered wedding cake, made by the bride herself.

Mr. and Mrs. Morrison are well known and highly esteemed throughout the community for their kindly and friendly feeling toward their fellow man. Mr. Morrison was born in 1876 on the Morrison homestead, on the Collingwood Gravel, about four miles east of Maxwell. Mrs. Morrison was born near Rob Roy in 1876, on the farm now owned by Mr. Clifford Bristow. Her parents, Mr. and Mrs. George Pallister, moved to Maxwell, to the farm now owned by Mr. Sam Grummett, when she was six years of age. In 1896, Mr. and Mrs. Morrison were married at the home of the bride's parents, by Rev. Legatte of Maxwell Methodist Church. The bridesmaid was Miss Julia Guy, later Mrs. Levi Pallister (now deceased) and the best man, Mr. Edmund Pallister, brother of the bride (now deceased).

Following their marriage they lived for some time on the farm now owned by Mr. Jim Brownridge, where they lived until recently, and which farm is now occupied by their son, George. In 1925 Mr. and Mrs. Morrison took a trip through the Canadian West to the Pacific Coast. This fall Mr. and Mrs. Morrison built a new house in the village and were privileged to celebrate their Golden Wedding there.

The family presented their parents with a dinette suite. The Maxwell United Church W.A. presented a tablecloth. Several other gifts and numerous cards of congratulations were received from friends and neighbors.

During the afternoon and evening friends and neighbors called to offer their congratulations. Mr. Morrison is 78 and Mrs. Morrison is 70. Both are enjoying fairly good health and we wish them many years of happiness in their new home.

Incidentally Mr. and Mrs. Morrison remember the weather on New Year's Day, 1896, as being very cold and stormy.

Springhill Farm Forum

Farm Forum met this week at the home of Mr. and Mrs. Richard Allen. It was an excellent opportunity for friends and neighbors to greet their son, Lloyd, recently returned from active service overseas, and welcome him home again.

The question for discussion was what joint action is called for in our community and what we can do about it. Topics discussed were soil conservation measures; credit unions; marketing co-operative; hospitalization plan and school dental clinics. It was moved by Ward Harrison and seconded by Mrs. R. Allen that our forum secretary obtain information re grants for school dental clinics, and the matter be discussed next week.

Mr. and Mrs. J. T. Parker have invited the forum to their home for the next meeting on January 14. All will be made welcome. Ward Harrison and Mrs. James Allen were appointed to recreation committee. After a game and contest, lunch was served.
