VANDELEUR

Vandeleur Farm Forum got away to a good start, after the holiday season with an enthusiastic and well attended meeting at the home of Mr. and Mrs. Lorne Ormsby, on Monday evening. Jan. 7, when the subject for discussion was "What Jobs Need To Be Done In Your Community" which cannot be accomplished by Individual action alone?" The Forum agreed that, soil conservation measures were needed; that a survey of the school section and contour plowing in some places would be beneficial. The members are not far from a co-operative and egg grading station, but would like more information on credit unions. The community is served with a Hospitalization Plan and a Dental Clinic is being started in the school.
