THE MIXING BOWL

BY Anne Allan
HYDRO HOME ECONOMIST

Hello Homemakers! Starting the New Year with good resolutions is often like admiring a jar full of cookies put on the kitchen table about three-thirty in the afternoon. Fifteen minutes later the children have been in from school changed their clothes, helped themselves to a cookies or two or three, and then gone out ot play. The jar of cookies which you thought would last all week, has been completely emptied!

If you weaken for a day, we trust that your resolutions will be reconsidered, just as the cookie jar has been refilled.

TAKE A TIP

The Homemaker's resolution:

1. Plan meals around the daily essentials—1 serving meat or fish or eggs, 2 servings of vegetables, 1 raw vegetable, 1 citrus fruit or tomato juice, 4 slices of whole wheat bread or whole grain cereals, 1 pint of mik or 2 servings cheese and a pat of butter.
2. Acquire the habit of using desirable working procedures.
3. Check on purchases within the family income.
4. Apply nutritive cooking methods for every meal.
5. Develop new serving ideas as well as attain standard products.
6. Show the ability to set an attractive table.
7. Entertain friends simply with ease and pleasure.

THE SUGGESTION BOX

During a recent visit to northern Ontario, we exchanged recipes with homemakers who have a high reputation for delicious food. From time to time we are publishing their 'pet' recipes. Here are a few:

FUDGE CAKE (Mrs. D. G. S.)

2 pkgs. salted peanuts, 1 can sweetened condensed milk, 2 cups crushed graham crackers or vanilla wafers. 2 sqs. unsweetened chocolate.

Melt chocolate in double boiler. Add milk and blend. Stir in cracker crumbs. Crush peanuts, spread half in bottom of greased pan, pour on the partially cooked chocolate mixture and press down. Spread remaining nuts on top. Chill to set.

DARK GUMDROP CAKE (Mrs. L. M. K.)

2 eggs well beaten, 1 cup granulated sugar, 1 cup butter or shortening. 1 tsp. salt, 1 tsp. cinnamon, 1 lb. gumdrops, cut with scissors, 1 cup sweetened apple sauce (thick), 2 cups all-purpose flour. ½ tsp. baking powder, ¾ lb. Sultana raisins (boiled 5 mins. in enough water to cover, drain and cool), 1 tsp. soda, dissolved in ½ cup boiling water.

Mix sugar. butter, add well beaten eggs, salt, cinnamon and thick applesauce, half the flour and drained raisins. Add gumdrops to rest of flour and add to batter. Stir in soda and hot water last. Cook in a covered casserole for 2 hrs. at 275-300 degs. Remove cover last 5 mins. to brown top.

BRAN MUFFINS (Mrs. W. M.)

2 heaping tbsps. shortening, ¼ cup brown sugar, 1 egg, 1 cup milk (Prepared dry milk or whole milk), ¼ tsp. salt. ½ cup flour, 2½ tsps. baking powder.

Cream shortening and sugar. Beat in egg. Add milk, sift flour, add baking powder. Stir in flour until it disappears. Pour in greased muffin tins. Bake in electric oven at 400 degs. for 15 mins.

PRINCESS CAKE (Mrs. C. D. M.)

2 eggs. ½ cup shortening, 1 cup brown sugar, 1 cup raisins, 1 cup thick sour milk, 2 tbsps. cocoa, ½ tsp. nutmeg, ½ tsp. cloves, 1 tsp. soda, 1 tsp. baking powder, pinch salt, 2 cups flour.

Mix soda with milk. Beat eggs, add shortening and sugar, continue beating, stir in sugar and raisins. Sift dry ingredients together and mix into bowl alternately with soda and milk. Pour into greased cake pan. Bake in preheated electric oven at 350 degs. for 45 mins.

ICING

2 cups icing sugar, 3 tbsps. coffee, few pieces almonds.

The teacher wrote on the blackboard: "I didn't have no fun last night." Then she turned to the class "How can I correct this?" she asked.

"Learn to dance and get a boy friend," chirped a small voice in the back."

Local and Personal

Mr. J. A. Richards spent the first of the week in Toronto on business.

Mrs. Archie Stewart attended the funeral of her brother-in-law, Mr. E. J. Swift, held in Toronto on Wednesday of last week.

Congratulations are extended to Messrs. Thos. Taylor and John MacMillan, who were 84 and 82 years of age, respectively, on Friday of last week.

Cpl. Bill McBride, son of Mr. and Mrs. W. G. McBride of Palgrave, formerly of Priceville, was a pleasant caller at The Advance Office on Thursday last, while visiting friends here and at Priceville. Bill was overseas with the Air Force since July, 1944, and arrived home last week.

A heavy snow storm Saturday night brought some ten inches of new snow to the green countrysire, following our unprecedented January thaw when the snow entirely disappeared and the grass was growing, sap running and visions of spring were held by the populace. However zero this Wednesday morning reminds us that there will be a couple of moons yet before spring is here.

VANDELEUR

The Farm Forum met on Monday evening, Jan. 14th, at the home of Mr. and Mrs. Jas. Cargoe and discussed the subject "Are National Farm Organizations Effectve?" and the bulk of the discussion centered around the activities of the Canadian Federation of Agriculture. The forum would like to see the efforts of the Federation expanded in all fields, but felt that it was doing a good job and was as effective as it could be with present finances. Individual members can get their views before the officers of the C.F.A. through the medium of the Farm Forum and more forums should be organized. There was also a good disucussion on oil heaters. Billie Johnston presided and conducted a contest. The next meeting will be at the home of Mr. and Mrs. Will Johnston.

The pastor, Rev. W. M. Lee delivered an able sermon in the church here on Sunday afternoon. He also announced for the annual congregational meeting to be held following the service on Sunday afternoon, Jan. 27.

Quite a number attended the social evening and dance held in the Community Hall one evening recently.

The Same Old Story

We might have known it would happen! When the county council of Grey decided to consider some health service for the county, Owen Sound immediately endeavours to corral the office for headquarters there.

In a recent report Dr. M. Phillips, M.L.A. for North Grey, is said to have made representations to this end and expects Mr. J. P. Johnston, M.L.A. for Bruce, Mr. Farquhar Oliver, M.L.A. for South Grey, and Mr. John H. Hannah, M.L.A. for Huron-Bruce, to follow along with him to procure a health unit established for Grey and Bruce, and use their influence to establish the office and its personnel in Owen Sound.

Health units have been in operation in some Ontario centres the past decade. Should one be established for Bruce and Grey, it would be governed by nine members appointed by the councils of the two counties and a tenth appointed by the government. There would be medical officer of health for each 25,000 people, a public health nurse for each 5,000, a clerical staff of two or three from each county and other technical personnel including dentists and veterinarians.

At the last meeting of Bruce County Council it was proposed a health unit be established for Bruce but the question was left over for the incoming council to consider. Grey County Council at their November meeting adopted the same attitude. Now Owen Sound begins its effort, like the octupus it is, to corral the office.

Let us hope that Bruce and Grey County councillors are a bit too smart for that. There are many other more convenient centres for the headquarters of a health unit, and we hope our representatives see one of them gets it. Rather than localize any more county offices in Owen Sound, it is high time that some arrangements were made for county business to be transacted elsewhere in the county. — Hanover Post.

"Grace," said her father from the head of the stairs, "is that sweetheart of your's an auctioneer?"

"No, father. Why?"

"Because he keeps on saying he's going — going, but he hasn't gone yet."
