The New American Watch.

IN ORDER TO MEET THE REQUIREMENTS OF GENTLEMEN who prefer a thinner watch than those usually made by us, we have lately issued a new style of watch on the three-quarter plate model, especially designed for this purpose.

In establishing this new series, it has also been our design to produce a watch in every way superior to the best and highest priced products of the most reputable of English and Swiss manufacturers; and no labor or expense has been spared to this end.

In all respects of fine and durable material, of external and internal finish, accurate compensation and adjustment, of mathematically just proportions, and of practical results our new three-quarter plate watch challenges competition with any in the world.

MOTHERS

Thousands are daily speaking in the praise of
DR. EATON'S
INFANTILE CORDIAL,

and why? because it never fails to afford instantaneous relief when given in time. It acts as if by magic, and one trial alone will convince you that what we say is true. It contains

NO PAREGORIC OR OPIATE

of any kind, and therefore relieves by removing the sufferings of your child, instead of by deadening its sensibilities. For this reason, it commends itself as the only reliable preparation now known for CHILDREN TEETHING, DIARRHŒA, DYSENTERY, GRIPING IN THE BOWELS, ACIDITY OF THE STOMACH, WIND, COLD IN THE HEAD, and CROUP, also, for softening the gums, reducing inflammation, regulating the Bowels, and relieving pain, it has no equal—being an anti-spasmodic it is used with unfailing success in all cases of CONVULSION OR OTHER FITS. As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of narcotics of which other remedies for Infantile Complaints are composed, take none but DR. EATON'S INFANTILE CORDIAL, this you can rely upon. It is perfectly harmless, and cannot injure the most delicate infant. Price, 25 cents. Full directions accompany each bottle. Prepared only by

BLOOD FOOD

Healthy human blood upon being
ANALYZED
always presents us with the same essential elements, and gives of course the TRUE STANDARD. Analyze the Blood of a person suffering from Consumption, Liver Complaint, Dyspepsia, Scrofula, &c., and we find in every instance certain deficiencies in the red globules of Blood. Supply these deficiencies, and you are made well. The BLOOD FOOD is founded upon this Theory—hence its astonishing success. There are

FIVE PREPARATIONS

adapted to the deficiencies of the Blood in different diseases. For Coughs, Colds, Bronchitis, or any affection whatever of the THROAT and LUNGS inducing Consumption, use No. 1, which is also the No. for Depression of Spirits, Loss of Appetite, and for all Chronic Complaints arising from Over-use, General Debility and Nervous Prostration. No. 2, for Liver Complaints, No. 3 for Dyspepsia. Being already prepared for absorption it is TAKEN BY DROPS and carried immediately into the circulation, so that what you gain you retain. The No. 4 is for Female Irregularities, Hysteria, Weakness, &c. See special directions for this. For Salt Rheum, Eruptions, Scrofulous Kidney, and Bladder Complaints, take No. 5. In all cases the directions must be strictly followed. Price of the BLOOD FOOD $1 per bottle.

STARTLING BUT TRUE.
SURVIVE OR PERISH.

Holloway's Pills.

The history of this great remedy is the most wonderful medical revelation that the world has ever known. It is not a history written by one man, or even derived from the experiences of one nation, but consists of a compilation of testimonials from the sick of every country—a record, the like of which has never been adduced in favor of any discovery or invention since time began.

BILIOUS DISORDERS.

In whatever form disease attacks the liver, it is repelled and exterminated by this searching, painless and irresistible curative.

Let the sick whom the faculty have abandoned, resort with confidence to this powerful antibilious agent, and a restoration to health and activity will be the unvarying result.

DYSPEPSIA

The great scourge of this continent yields quickly to a course of these antiseptic Pills, and the digestive organs are restored to their proper tone; no matter in what hideous shape this hydra of disease exhibits itself, this searching and unerring remedy disperses it from the patient's system.

GENERAL DEBILITY & WEAKNESS.

From whatever cause, LOWNESS OF SPIRITS, and all other signs of a diseased liver, and other disorganization of the system, vanish under the eradicating influence of this all powerful antiseptic and detergent remedy.

SICKLY FEMALES.
