## At His Own Expense

Allan Larden, Bell Telephone Company employee in the Sault, who was awarded the Conspicuous Gallantry Medal as an RCAF sergeant for a 1943 feat front paged all over the Empire. A bombardier who never had piloted a Lancaster, he brought one of the big four motored bombers back to base and landed it safely, bullet riddled, after the pilot had been incapacitated.

Just recently, civilian Larden received word to report to Government House in Toronto, January 27th, for investiture with the CGM, at his own expense.

He must reflect rather bitterly on the fact that if he had been decorated at a Buckingham Palace investiture thousands of miles from home and family, he'd have been entitled without question to transportation from wherever he happened to be, hotel for a week and all other expenses paid. His next of kin, if in the United Kingdom, would have received similar consideration.

But not so in grateful Ontario, his home province. — Sault St. Marie Daily Star.

Sister's Suitor—"Johnny, I dislike to tell you, but last night at the party your sister promised to become my wife. Can you forgive me for taking her away?"

Johnny—"Shucks, that's what the party was for."

## VANDELEUR

The Farm Forum met on Monday evening at the home of Mr. and Mrs. Howard Graham and discussed the question, "can we maintain our present consumption of farm production?" F. R. Boland presided and a good discussion took place. The Forum was sympathetic with industrial workers in their struggle for good wages and stability of employment, and unaminously approved the Federal Government's policy with respect to unemployment insurance; family allowances; and pensions of $30.00 per month for everybody over 70 years. Mrs. Angus Bowles conducted a couple of contests and readings were given by Mrs. W. Ratcliffe; Mrs. A. Fawcett; Mrs. H. Graham and Mrs. A. Bowles. Crokinole and checkers were played and lunch was served. The next meeting will be at the home of Will Ratcliffe with Geo. Shaw and Mrs. Ormsby in charge.

Pte. John Boland, recently returned from overseas, and his wife are visiting with Mr. and Mrs. Earl Morrison and other friends.

A number from here attended the short course in Agriculture in Flesherton on Monday and Tuesday.

An enjoyable social evening and dance were held in the Community Hall one evening recently.

The January meeting of the W.I. met at the home Mrs. Wm. Swanton in Markdale on Thursday afternoon, January 24th with a good attendance of members and visitors.

## Suspended Sentence

There is nothing like a suspended sentence to encourage a life of crime. If a man commits a crime of violence and gets off with suspended sentence, he can thumb his nose at he police and give them the Bronx cheer whenever he sees them.

It is discouraging to alert policemen to go to the trouble of arresting a man and registering a conviction, only to have their work nullified by suspending the sentence on the convicted person.

People do no like prison. A life of confinement under police supervision is enough to make a man or woman think twice before committing crime. If a thug knows he stands a good chance to get away with suspended sentence, then he can go right ahead and laugh at the constables.—Windsor Star.

## Local and Personal

Mr. Norman Scarrow spent the first of the week in Toronto.

Mr. Ray Richards of Toronto was a week end visitor with his brother.

Mr. and Mrs. F. J. Thurston spent a couple of days in Toronto last week.

Mr. and Mrs. Wallace Hamilton and family visited at Guelph recently.

Mrs. Thos. Crowe of Toronto is with her father, Mr. Jos. Williams, while her mother is in hospital.

Mr. and Mrs. Harold Fawcett of Kimberley visited on Sunday with Mr. and Mrs. Geo. Cornfield.

Miss Pansy Thompson and friend of Toronto spent the week end with Mr. and Mrs. F. Brackenbury.

Mr. Jim Wilson and son, Mark, of Owen Sound spent the week end in town.

Rev. Dr. Thomson and Mrs. Thomson are spending a few days in Toronto.

Miss Elsie Caswell of Toronto was a visitor with Mr. and Mrs. Sam Stauffer on Saturday.

Miss Jean McTavish of Toronto spent the week end with her parents, Mr. and Mrs. G. A. McTavish.

Mr. Edgar Fawcett of Toronto was a week end visitor with his sister, Mrs. Geo. Cornfield.

Mr. Geo. Boyd had his tonsils removed in a Toronto hospital Thursday last and is on the job again at the garage.

Mr. and Mrs. Wallace McDermid of Toronto spent the week end with the former's sister, Mrs. Don Porter, and Mr. Porter.

Mr. Clarence Alexander, Mr. Will Hyslop and Mrs. Jean Rennick of Owen Sound spent the week end with Mrs. Alexander.

Mrs. Jos. Williams was taken to Markdale hospital on Tuesday, where it is expected that she will undergo a serious operation.

Mr. F. B. Keys is in Toronto this Wednesday meeting his brother, Cfm. Russell E. Keys, who arrived on Monday on the Aquitania.

Miss Ollie McDonald and Mr. Robt. Reilley of Toronto spent the week end with the former's parents, Mr. and Mrs. John McDonald.

This past week end 23 young ladies from the main office of the Bell Telephone in Toronto, invaded the village and enjoyed a week end of skiing down the hills in the valley. They arrived in a flurry of snow, but Sunday was bright and the skiing was very enjoyable.

A heavy snowfall arrived Saturday, accompanied by high winds and over 12 inches of snow fell in the day. The highways, however, were kept open and the mails came through as usual. The thermometer reached 23 below zero Saturday night. Monday the weather moderated and Tuesday afternoon was quite mild.

Mrs. J. I. Fawcett of Kimberley, mother of Mrs. Geo. Cornfield of town, suffered a broken hip bone when she fell in her home at Kimberley one day last week. She is at present in the Markdale hospital. We hope that this highly regarded lady of 83 years will make a complete recovery.

## Plow Versus Disk

The plow has long been considered one of the most important of all cultivation implements. Recent developments, the Field Husbandry Division, Dominion Experimenal Farms Service points out, have called this consideration to question. In many parts of Western Canada where soil drifting is prevalent in certain seasons, it has been found that plowing is not only unnecessary, but may even be detrimental. Trash on the surface of the ground tends to retard soil drifting. A plow turns the trash under the surface, while a disk — a one-way disk — or cultivator will leave the trash on top.
