Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.
And for the speedy cure of the subjoined varieties of Disease:
Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.
OAKLAND, Ind., 6th June, 1859.
J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla, I ought to call it) which I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. Yours,
ALFRED B. TALLEY.
St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.
Dr. Robert M. Peebles writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous attack of Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly.
Bronchocele, Goitre or Swelled Neck.
Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goitre—a hideous swelling on the neck, which I had suffered from over two years."
Leucorrhea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.
Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the scrofulous diathesis. I have cured many inveterate cases of Leucorrhea by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."
Edward S. Murrow, of Newbury, Ala., writes, "A dangerous ovarian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remained."
Syphilis and Mercurial Disease.
NEW ORLEANS, 29th August, 1859.
Dr. J. C. Ayer: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.
I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mercurial Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla: the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman, who had been treated for the same disorder by mercury, was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.
Fraternally yours, O. V. LARIMER, M. D.
Rheumatism, Gout, Liver Complaint.
INDEPENDENCE, Preston Co., Va., 4th July, 1859.
Dr. J. C. AYER: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.
Jules F. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. Tried every thing and every thing failed to relieve me; and I have been a hopeless invalid for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Fay, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."
Scirrhous Cancer Tumors, Enlargement, Ulcerations, Caries and Exfoliation of the Bones.
A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.
Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia
Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the medical profession and by the people, and we are confident that this will do for them all that medicine can do.
Ayer's Cherry Pectoral,
FOR THE RAPID CURE OF
Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.
This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivaled excellence for coughs and colds, and its nearly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its efficacy—some living trophy in their midst of its victory over the subtle and dangerous diseases of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the efficacy of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when its long list of cures which have then so strongly spoken the confidence of mankind.

DICTIONARY,

The Latest! The Largest! The Best!
THIS book was published Jan. 1, 1860, and such has been its success, that
20,000 Copies have already been Sold!
And the Twenty-fifth Thousand is now in press.
WORCESTER'S QUARTO—This Book has all the desirable qualities of Webster, and none of his innovations.
H.R.H. Prince Albert, in an autograph letter addressed to Hon. Edward Everett, dated Buckingham Palace, May 9, 1860, writes:
MY DEAR MR. EVERETT—I have to acknowledge the receipt of the very handsome copy of Dr. Worcester's Dictionary, which you have been good enough to send me, and I must beg of you also to assure the publishers that I am very sensible of the kind feeling which they manifested towards me. It is very gratifying to see that the purest language receives such valuable aid for its development and the preservation of its purity in your country.
The Highest English Authorities Are unanimous in their eulogiums upon Worcester's Quarto Dictionary.
Letters expressing the highest approval have been received from CHAS. RICHARDSON, the venerable author of 'Richardson's Dictionary,' HERBERT COLERIDGE, R. C. TRENCH, R. H. SMART, Sec. Philological Society; and also from Dr. BOSWORTH, Prof. Anglo-Saxon at Oxford University. The latter says of it:
In short it is the most complete and practical, the very best as well as the cheapest English Dictionary that I know, and I have, therefore, no doubt of its success.'
The London Literary Gazette says:—
'The lapse of a few months will be sufficient to establish Worcester's Dictionary as the acknowledged standard of reference, among the scholars of England and America.'

The Hotel has accommodations for 1,000 guests, including 100 complete suites of apartments for families. Six hundred persons can be comfortably seated at the tables of its three public dining rooms, and nothing that modern art has devised for the convenience and social gratification of the travelling public has been omitted in its plan, or is neglected in its practical details. The early reputation of the house at home and abroad, derived from its magnitude, its expert appointments, and its home-like comforts and luxuries, has been enhanced every year by the unwearied exertions of the proprietors.
