A BLOODLESS VICTORY!!

1,000,000 Boxes sold of
MOREHEAD'S
Magnetic Plaster.

THIS enormous quantity of this invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. The reason for this extraordinary success is simply in the actual truth and value of the article. No one buys the MAGNETIC PLASTER without becoming its friend. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.

The MAGNETIC PLASTER is undoubtedly the Greatest Strengthener and Pain Destroyer that Science has yet discovered. If you put this Plaster anywhere, if Pain is there, the Plaster will stick there until the Pain has vanished. The Plaster magnetizes the Pain away, and

PAIN CANNOT EXIST
WHERE THIS
PLASTER IS APPLIED.

Rheumatism, Lameness, Stiffness, Weakness Debility, Nervousness, Neuralgia, Dyspepsia Coughs and Colds, Pains and Aches of every kind are IMMEDIATELY RELIEVED, and with a little patience, PERMANENTLY CURED, by the magical influence of the MAGNETIC PLASTER. Its use is agreeable, and without annoyance or trouble. Its price is within reach of all—rich or poor; all may have it, and all should have it who are sick and suffering in any way.

The New American Watch.

IN ORDER TO MEET THE REQUIREMENTS OF GENTLEMEN who prefer a thinner watch than those usually made by us, we have lately issued a new style of watch on the three-quarter plate model, especially designed for this purpose.

In establishing this new series, it has also been our design to produce a watch in every way superior to the best and highest priced products of the most reputable of English and Swiss manufacturers; and no labor or expense has been spared to this end.

In all respects of fine and durable material, of external and internal finish, accurate compensation and adjustment, of mathematically just proportions, and of practical results our new three-quarter plate watch challenges competition with any in the world.

Holloway's Pills.

NERVOUS DISORDERS.

What is more fearful than a break down in the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found There is one drink but little wine, beer, or spirits, or far better, none; take no coffee.—weak tea being preferable; get all the fresh air you can; take three or four Pills every night; eat plenty of solids, avoiding the use of slops; and forget you have any nerves.

MOTHERS AND DAUGHTERS,

If there is one thing more than another for which these Pills are so famous it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous and suspended secretions. Universally adopted as the one grand remedy for female complaints, they never fail, never weaken the system, and always bring about what is required.

SICK HEADACHES AND WANT OF APPETITES.

These feelings which so sadden us, most frequently arise from annoyances or trouble, from obstructed perspiration, or from eating and drinking what is unfit for use, thus disordering the liver and stomach. These organs must be regulated if you wish to be well. The Pills, if taken according to the printed instructions, will quickly restore a healthy action to both liver and stomach, whence follow as a natural consequence, a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.

DISORDERS OF THE KIDNEYS.

In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.

FOR STOMACHS OUT OF ORDER.

No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of spasm,—in fact they never fail in curing all disorders of the liver and stomach.

Holloway's Pills are the best remedy known in the world for the following diseases:

Ague	Fevers of all kinds	Sore Throats
Asthma	Fits	Stone and Gravel
Bilious Complaints.	Gout	Secondary Symptoms
Blotches on the skin	Head-ache	Tic-Douloureux
Bowel Complaints	Indigestion	Tumours
Colics	Inflammation	Ulcers
Constipation of the Bowels	Jaundice,	Venereal Affections
Consumption,	Liver Complaints	Worms of all kinds
Debility	Lumbago	Weakness from whatever cause,
Dropsy	Piles	&c., &c., &c.
Dysentry	Rheumatism	
Erysipelas	Retention of Urine	
Female Irregularities	Scrofula, or King's Evil	

☞ CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

***Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in boxes at 25 cents, 63 cents, and $1 each.

☞ There is considerable saving by taking the larger sizes.

N.B.—Directions for the guidance of patients in every disorder are affixed to each box. 202

St. Nicholas Hotel.
BROADWAY, NEW-YORK

WHEN completed, six years ago, the St. Nicholas was universally pronounced the most magnificent, convenient, and thoroughly organized establishment of the kind on this continent. What it was then it remains to-day—without a rival in size, in sumptuousness, and in the general elements of comfort and enjoyment. The Hotel has accommodations for 1,000 guests, including 100 complete suites of apartments for families. Six hundred persons can be comfortably seated at the tables of its three public dining rooms, and nothing that modern art has devised for the convenience and social gratification of the travelling public has been omitted in its plan, or is neglected in its practical details. The early reputation of the house at home and abroad, derived from its magnitude, its superb appointments, and its homelike comforts and luxuries, has been enhanced every year by the unwearied exertions of the proprietors.
