The Late T. J. Stuart

As announced last week the late Mr. T. J. Stuart passed away at the Private Patients' Pavillion, Toronto General Hospital, on Sunday, March 10th. His death occurred very suddenly. He had gone down for a check up on some minor ailments and was sitting up in bed in apparently good condition when he suddenly collapsed and expired.

The deceased was the son of the late James Stuart and Ellen Fawcett of Kimberley. He came to this area about thirty five years ago.

He was first married in 1901 to Minnie Gilliland of Eugenia, who passed away in Jan. 1910. Of this union were born two daughters and two sons, as follows: Lottie (Mrs. Stuart White) of Windsor; Earl of Detroit; Myrtle of Toronto; Clarence who passed away in childhood All those living were present at the funeral

In 1918 Mr. Stuart was married to Adella Parker, who with one son Harvey, survives. Harvey has only recently returned from overseas where he served as a sergeant in the R.C.A.F.

After coming to this area, Mr. Stuart engaged in the butcher business in Powassan for some years, and then during the Elk Lake gold strike he operated a successful livery business in that northern town. On returning to this locality he took up the business of cattle buying and selling and was actively engaged in that at the time of his death.

The deceased gentleman, who was of a most affable nature, took an active interest in municipal affairs and was largely instrumental in having the present water system installed in Burks Falls. He was a member of the (Methodist) United Church and was ever interested in the welfare of the community. A great circle of friends can testify to his character as a gentleman.

Besides the members of his immediate family, he is survived by three brothers: Jasper of Meaford, Fred of Bracebridge and Charles of Kingston.

The funeral was held from the home at Burks Falls on Wed., March 13. There were a very large number in attendance, a tribute to the esteem in which the deceased and the family are held. The casket was enshrouded in an exquisite array of flowers seldom witnessed here.

Rev. C. J. Fox of the United Church, assisted by Rev. Elwyn Rhodes of the Anglican Church, conducted the services at the home and Mortuary.—Burks Falls Arrow.

CUSTOMERS' Suggestion CORNER

For Rural Telephone Service

ONE CUSTOMER WRITES:
"Invent some system that will prevent our neighbours discussing at great length their troubles with chocolate pie fillings, burned cabbage, etc."

We're afraid there is no "system" that will keep people from following the age-old custom of chatting with their neighbours.

But we all know how crowded rural lines are right now and we do urge you to keep those friendly telephone "visits" down to a minimum. It will help to improve telephone service all-round.
