Masonic Emblem In The Ground For 33 Years

While working a field on his farm preparing it for seeding recently, Mr. Sam Fitzsimmons of the Meaford Road found a small Masonic emblem which had been lost by Mr. J. W. Cochrane of Colborne, Ont., on the farm some 33 years ago when the property was owned by the late Mr. J. W. Davis. He is a brother-in-law of Mr. Frank Davis of Vandeeur and Mrs. L. Johnston and Mrs. Geo. Buchanan of the Meaford Road. Mr. Fitzsimmons saw the bright object on the ground and on picking it up found the emblem to be in excellent condition, after its long period under the earth. Mr. Davis has the emblem in his possession at the present time.

Spoke To Wife In England

Mr. Jim Thurston had the pleasure of talking to his wife at Southampton, England, on Wednesday afternoon of last week. Her voice came very clear, although the call was delayed several hours due to atmospheric condition. Mrs. Thurston does not know yet when she will be coming to Canada.

Highway Speeding Should Be Watched By Officers

There will be more motor cars operating on the highways this coming summer than ever before in the history of the province. Last year many cars were laid up because of poor tires and shortage of gasoline. With all restrictions removed there is certain to be increased traffic.

Traffic Officers assigned to work on the roads have an important task ahead of them if there is to be a diminution in the number of fatal and accidents caused by speeding. There is no doubt that with good roads and plenty of gas there is an incentive to step on the gas and speed up, too often with disasterous results.

Statistics show that the death rate due to motor car accidents is much higher than it ought to be. Only the strictest vigilance on the part of the traffice officers and insistence on the traffic laws being observed to the letter can these things be prevented.

URGE GOVERNMENT RAISE BEEF PRICES

On Tuesday, May 20, representatives of the Bruce and Grey County Federations of Agriculture and the Grey County Agricultural Committee met at Owen Sound for the purpose of discussing the present beef situation. After considerable time spent in discussing the problem in all its aspects the following resolution was moved and carried unanimously:

Whereas, the beef producers of the Counties of Grey and Bruce, because of rising costs of production, the declared Federal policy of maintaining present ceiling prices, the permitted advance in price of farm machinery, the scarcity and incerased wages of farm labor, the widening disparity between the purchase price of farm necessities and the sale price of farm produce and the refusal of large processors to purchase cattle under the existing ceiling prices for dressed meats, all of which have placed the beef producer in a most difficult position where losses are inevitable be it resolved that the above organizations strongly protest the present agricultural policy of the Federal Government, relative to maintaining present ceiling prices and therefore demand immediately:

1. The increase of present ceiling prices on beef to 25c for Red Brand quality, 23c for Blue Brand and 21s for commercial grade.

2. That in the event of no action being taken by the Federal Government and the Wartime Prices and Trade Board, that a protest meeting be organized by the Ontario Federation of Agriculture to be held at a central point selected by the officials of the Ontario Federation of Agriculture.

STAUBLE — STONEOUSE

A quiet but pretty wedding took place on Saturday, May 11, at the Presbyterian Manse, Hanover, with Rev. W. D. Mark performing the ceremony, when Violet Christena Stoneouse, only daughter of the late Mr. and Mrs. Alexander Stoneouse, Priceville, was united in marriage to Frank Joseph Stauble, Ceylon.

The bride was lovely in pale blue chiff.on dress with glower hat to match, with white accessories and her corsage was pink rose buds and maiden hair fern. Her attendant was Mrs. Cecil Fawcett, who wore navy with accessories and her corsage was red rose buds and sweet peas. Mr. Percy Stoneouse supported the groom.

After the creemony, the bridal party returned to the home of the bride's brother, Mr. Alex. Stoneouse, where a delightful wedding dinner was served to the immediate family. The table was centred with a three-tier wedding cake, made by the bride's cousin, Mrs. Bradey Irwin.

The happy couple left on a short honeymoon, amid showers of confetti and best wishes, for Niagara Falls, Hamilton and Toronto, the bride travelling in a turquoise blue suit with black accessories. On their return they will reside at Ceylon.

It is hard for us to be fair to a person against whom we have a prejudice even in a minor matter.

PROPERTY CHANGES IN FLESHERTON

Real estate has been moving at a fast clip in Flesherton this past year and more transactions have been put through during the past week.

Mr. Douglas MacArthur of town last week purchased the residence in the village on Toronto Street, owned by Mrs. Wm. Moore. Possession is to be given on June 1st.

Mr. Francis Genoe of Eugenia has purchased Miss Ada Atkinson's residence on Durham Street and Miss Atkinson has purchased the J. A. Kernahan farm near Feversham.

Mr. Harold Fawcett of town bought the residence formerly occupied by the late John Bellamy, now occupied by Mr. Frank Teeter, from Mr. J. A. Richards, who purchased it from Mrs. Gordon Wauchope, Chatsworth.

Consider Estabilshing Of Local Credit Union

An attempt will be made to establish a "Credit Union" in connection with the Flesherton Co-operative store, according to a resolution passed at a meeting held in the Park House, Flesherton, which was addressed by Mr. Clifford Allen, president of the Dundalk Credit Union.

The meeting felt that whereas Co-operatives are supposed to do a cash business, and whereas credit is almost an essential part of trade, it could be provided through the medium of a Credit Union, which deals in that commodity.

The Directors of the Co-operative were appointed provisional directors of the Credit Union, with John McWilliam as treasurer. It will be necessary to secure at least 20 members with shares of at least $5.00 each before a charter can be secured.

Credit Unions are quite common in many parts of the United States, and some parts of Canada, but the only ones in this district are located at Dundalk, Mt. Forest and Port Elgin.

Public School Principal Resigns; E. Oliver Engaged

Mr. S. A. Hazen, principal of the Flesherton Public School for the past year, tendered his resignation to the School Board last week. We are sorry to lose Mr. Hazen as he has been a good citizen and teacher and, has also been active in church work. Miss Emma Oliver, daughter of Mr. and Mrs. Jas. Oliver of town, has been engaged as principal. Miss Oliver has a splendid teaching record and should prove satisfactory in her new school.

Honor Mr. And Mrs. Stauble

(By Priceville Reporter)

Friday night a large crowd gathered at the hall to honor the newly married couple, Mr. and Mrs. Joseph Stauble (Violet Stoneouse), who were married on May 11th at Hanover. The evening was spent in dancing, good music being supplied by the Pedlar orchestra from Flesherton. At the midnight hour, Mr. Thos. McDougall called on the bride and groom to come forward and Messrs. Bob McIntyre, Archie Sturrock and Dan Campbell presented them with a studio couch, an occasional chair, a Kenwood blanket and other lovely gifts. Both Mr. and Mrs. Staubles made neat replies and thanked one and all for the appreciated gifts.

Lunch was served and exhibitions of step dancing were given by Messrs T. McDougall, Bob McIntyre and L. McKeown.

Teacher Hired For High School; Another Resigns

Mr. Earl Clement of Burgessville has been secured to teach in Flesherton High School next year, taking the place of Mrs. Goheen, whose resignation takes effect at the end of the present term. Mr. Clement is married and we understand will take the Kennedy apartment. He has been teaching in the Burgessville Continuation school for three years, the last two of which he has been principal.

Miss Carroll, teacher in Flesherton High School for the past year tendered her resignation to the Board at the meeting Monday evening, which was accepted. Miss Carroll has given good satisfaction during the year. Mrs. Mercer has signed her contract to return next year.

Saw Foxes Fighting In Field Near Town

A couple Flesherton citizens were recently travelling along No. 10 highway had a ring-side view of two foxes fighting in the flat field just north of Mr. Fred Brown's residence, one and a half miles north of town. The men say it was a real fight and did not stop when they blew the car horn. When they walked toward the fighters, the foxes moved off a short distance and again continued their doneybrook, reluctant to be scared away from their task by mere man. On approaching closer, the men did scare them sufficiently for them to take to their heels and were soon out of sight. This is certainly a rare occurrence for two foxes to be fighting in broad daylight.

Baptist Church Notes

"WHITHER RUSSIA"

A special sermon on prophecy will be presented in Cedarside and Rock Mills churches Sunday. "Whither Russia And Who With Her." Those interested and planning to attend this service are asked to read Ezekiel 38, and compare this week's newspaper reports on the Russo-Iranian and Arab-Jewish problems confronting the world. Thinking people, not attending church elsewhere this week will want to hear this timely topic to be offered by the minister, Mr. Keys.

SLIDES ON SPAIN

Since Spain looms arge on the horizon of current affairs, a special meeting is arranged for May 29, one week from Wednesday, at 8:15 p.m., daylight saving time, when beautifully colored views on this country will be presented in Cedarside Church with Rock Mills co-operating. The speaker is Rev. Milton Hill of the Spanish Mission. Never before has a speaker on Spain been heard here, therefore this will be an outstanding event in very way.

Mrs. W. Pinkerton Heads St. Mary's Anglican Guild

The annual meeting of St. Mary's Guild, Maxwell, was held on May 16 at the home of Mrs. Hannah, Feversham, with ten ladies attending. The report of the secretary, Mrs. G. Lawler, showed that a number of quilts had been made and sold with some still ready to quilt. A bazaar was held in the fall, which netted a nice sum. The young people of the church gave a play in several places and the proceeds were donated to the Guild toward the repairing of the church. The report of the treasurer, Mrs. A. Grummett, showed $124.50 in the bank, with about $25 on hand. This money is to be used for decorating the church in preparation for the 100th anniversary in October of this year.

The president, Mrs. Pinkerton, in endeavoring to reclaim some property donated by the Crown to the Anglicans in Eugenia for a church and burialground. This was tried several years ago, without success. If successful the property could be sold and the money used to aid the Maxwell charge.

After the year's business was completed, the officers were re-elected, as follows:

President — Mrs. Wm. Pinkerton.
Vice-Pres. — Mrs. Wm. Hall.
Secretary — Mrs. Geo. Lawler.
Treasurer — Mrs. A. Grummett.

The June meeting will be held at the home of Mrs. Alvin Grummett.
