VANDELEUR

The dental clinic is now in operation in Vandeleur school and the first semi-annual inspection was made on Thursday afternoon, May 16th, by Dr. J. A. McArtrur of Markdale. He also gave a short address on the care of teeth, how to use the tooth brush, etc. Dr. McArthur stated that the general condition of the children's teeth was above average. Each child will receive an individual chart, showing the teeth which have to be treated. The clinic was sponsored by the local Farm Forum.

Vandeleur softball team won their third straight vame in the south Grey Softball League when they defeated Dundalk here Tuesday evening of last week. The appearance of a Dundalk team on the local grounds brought back memories of the time when huge crowds turned out to see Vandeleur and Dundalk play baseball. At one game here $250 was taken in at the gate. They didn't get that much at last week's game, but it was, of course, a damp evening.

VICTORIA CORNERS

Mr. and Mrs. E. A. Stinson made a business trip to Toronto recently.

Most of our ladies of the neighborhood motored to Flesherton to join other Societies at St. John's United Church, on May 17h. Rev. Dr. and Mrs. Thomson's daughter, Mrs. Gale, recently returned from a Japanese internment camp, was the guest speaker. Needless to say, her discourse was greatly enjoyed. At the close of the meeting lunch was served by the Flesherton ladies.

Inistioge Untied Church is planning to have Mr. and Mrs. Wallace, evangelists, at their church from June 16 to 23rd. An unique dinner was served at this church Wed., May 23, with Bethel W.A. ladies as guests. About 50 ladies sat down to a typical Chinese meal. Mrs. (Rev.) Thomson directed the dinner with our ladies as her assistants. Following the dinner, the Bethel ladies supplied two numbers, one a duet by Mrs. John McConnell and Mrs. Stanley Acheson, the other a reading by Mrs. Milton Gillies. Mrs. Thomson brought a most interesting message of Chinese life and illustrated her talk with pictures of a number of years ago through to today. Everybody heartily enjoyed the dinner and program, for which Mrs. Thomson is to be highly commended for its success. Our field has been very fortunate in having Rev. Dr. and Mrs. Thomson with us during the past year, and regret losing them at the end of June.

Mr. and Mrs. J. D. Wiltshire of Hopeville were visitors one day recently with their uncle and aunt, Mr. and Mrs. Wilfred Gallagher. We are glad to learn that J. D. had the cast removed on May 14th, and examination revealed his condition making satisfactory progress.

Miss Hazel Copeland, Toronto, is on vacation at her parental home.

The W. I. held their May meeting in the home of Mrs. E. A. Stinson and Mrs. Wm. Ludlow on Thursday afternoon. Mrs. Stinson is the newly appointed president.

Mrs. Ernie Stewart accompanied Mr. and Mrs. Thos. Copeland to Brampton Tuesday to visit her sister, Mrs. Albert Reid, and family.

Mrs. John Duncan visited with her brother, Mr. Jim Badgerow, at Rock Mills.

Miss Anne Stinson, Toronto spent Empire Day and week end with her parents, Mr. and Mrs. E. A. Stinson. Mr. Eldon Henderson, Corbetton, has been at the Stinson home during the past two weeks.

Holiday and week end guests with Mrs. Albert Stinson were her two daughters and families, Mr. and Mrs. Mel Hawes, Mary and Kenneth, of Bright, and Mr. and Mrs. Bill Coon, Billie and Bobbie, of Acton.

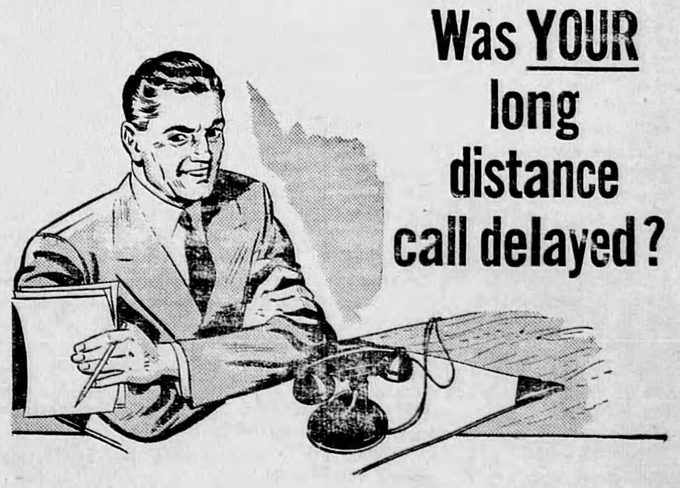
Was YOUR long distance call delayed?



MOST Long Distance calls go through all right. But from time to time there *is* a delay.

That is because there are so many more telephones now and so many more people are using Long Distance.

WHEN YOU PLACE a Long Distance Call...

FIRST, give the operator the name of the distant city...

THEN, the telephone number of your party...

THEN, when the operator asks it, your own telephone number.

If you don't know the distant telephone number, please make a note of it for future use when you hear the operator repeat it.

We're hard at work adding new switchboards and lines and training many more operators to get Long Distance service back to pre-war speeds and even faster.

In the meantime, when you find circuits extra busy you can help relieve the load by observing the proper sequence, and by being patient if there is a delay.
