Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.
And for the speedy cure of the subjoined varieties of Disease:
Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases;

OAKLAND, Ind., 6th June, 1859.
J. C. Ayer & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was induced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which soon a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours,
ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.
Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1858, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous attack of *Malignant Erysipelas* by large doses of the same; says he cures the common *Ringworm* by it constantly.

Bronchocele, Goitre or Swelled Neck.
Rebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goitre—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.
Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."
Edward S. Marrow, of Newbury, Ala., writes, "A dangerous cancerous tumor on one of the females in my family, which had defied all the remedies we could employ, had at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.
NEW ORLEANS, 25th August, 1858.
Dr. J. C. Ayer Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.
I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Diseases*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, that the ulceration had eaten away a considerable part of it, so that I believe the disease would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from blotches in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.
Fraternally yours, O. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.
INDEPENDENCE, Preston Co., Va., 6th July, 1858.
Dr. J. C. Ayer Sir, I have been afflicted with a painful chronic rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FERAM.

John T. Gotchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Fogg, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.
A great variety of cases have been reported to us where some of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.
Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the medical men of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,
FOR THE RAPID CURE OF
Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.
This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its efficacy or some living trophy to bear testimony of its victory over the subtle and treacherous disease of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the efficacy of this remedy, we need not do more than to assure them that it has still all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

MOTHERS
Thousands are daily speaking in the praise of
DR. EATON'S
INFANTILE CORDIAL,
and why? because it never fails to afford instantaneous relief when given in time. It acts as if by magic, and one trial alone will convince you that what we say is true. It contains
NO PAREGORIC OR OPIATE
of any kind, and therefore relieves by removing the sufferings of your child, instead of by deadening its sensibilities. For this reason, it commends itself as the only reliable preparation now known for CHILDREN TEETHING, DIARRHŒA, DYSENTERY, GRIPING IN THE BOWELS, ACIDITY OF THE STOMACH, WIND, COLD IN THE HEAD, and CROUP, also, for softening the gums, reducing inflammation, regulating the Bowels, and relieving pain, it has no equal—being an anti-spasmodic it is used with unfailing success in all cases of CONVULSION OR OTHER FITS. As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of narcotics of which other remedies for Infantile Complaints are composed, take none but DR. EATON'S INFANTILE CORDIAL, this you can rely upon. It is perfectly harmless, and cannot injure the most delicate infant. Price, 25 cents. Full directions accompany each bottle. Prepared only by

BLOOD FOOD
Healthy human blood upon being
ANALYZED
always presents us with the same essential elements, and gives of course the TRUE STANDARD. Analyze the Blood of a person suffering from Consumption, Liver Complaint, Dyspepsia, Scrofula, &c., and we find in every instance certain deficiencies in the red globules of Blood. Supply these deficiencies, and you are made well. The BLOOD FOOD is founded upon this Theory—hence its astonishing success. There are
FIVE PREPARATIONS
adapted to the deficiencies of the Blood in different diseases. For Coughs, Colds, Bronchitis, or any affection whatever of the THROAT and LUNGS inducing Consumption, use No. 1, which is also the No. for Depression of Spirits, Loss of Appetite, and for all Chronic Complaints arising from Overwork, General Debility and Nervous Prostration. No. 2, for Liver Complaints, No. 3 for Dyspepsia. Being already prepared for absorption it is TAKEN BY DROPS and carried immediately into the circulation, so that what you gain you retain. The No. 4 is for Female Irregularities, Hysteria, Weakness, &c. See special directions for this. For Salt Rheum, Eruptions, Scrofulous Kidney, and Bladder Complaints, take No. 5. In all cases the directions must be strictly followed. Price of the BLOOD FOOD $1 per bottle.

MARK THESE FCTS!
The Testimony of the Whole World.
HOLLOWAY'S OINTMENT.
BAD LEGS, BAD BREASTS, SORES AND ULCERS.
All description of sores are remediable by the proper and diligent use of this inestimable preparation. To attempt to cure bad legs by plastering the edges of the wound together is a folly; for should the skin unite, a boggy diseased condition remains underneath to break out with ten fold fury in a few days. The only rational and successful treatment, as indicated by nature, is to reduce the inflamation in and about the wound and to soothe the neighboring parts by rubbing in plenty of the Ointment as salt is forced into meat.
DIPTHERIA, ULCERATED SORE THROAT, AND SCARLET AND OTHER FEVERS.
Any of the above diseases may be cured by well rubbing the Ointment three times a day into the chest, throat and neck of the patient; it will soon penetrate, and give immediate relief. Medicine taken by the mouth must operate upon the whole system ere its influence can be felt in any local part, whereas the Ointment will do its work at once. Whoever tries the unguent in the above manner for the diseases named, or any similar disorders affecting the chest and throat, will find themselves relieved as by a charm.
PILES, FISTULAS, STRICTURES.
The above class of complaints will be removed by nightly fomenting the parts with warm water, and then by most effectually rubbing in the Ointment. Persons suffering from these direful complaints should lose not a moment in arresting their progress. It should be understood that it is not sufficient merely to smear the Ointment on the affected parts, but it must be well rubbed in for some considerable time two or three times a day, that it may be taken into the system, whence it will remove any hidden sore or wound as effectually as though palpable to the eye. There again bread and water poultices, after the rubbing in of the Ointment, will do great service. This is the only sure treatment for female cases of cancer in the stomach, or where their may be a general bearing down.
INDISCRETIONS OF YOUTH;—SORES AND ULCERS.
Blotches, as also swellings, can with certainty, be radically cured if the Ointment be used freely, and the Pills be taken night and morning as recommended in the printed instructions. When treated in any other way they only dry up in one place to break out in another; whereas this Ointment will remove the humour from the system and leave the patient a vigorous and healthy being. It will require time with the use of the Pills to ensure a lasting cure.
DROPSICAL SWELLINGS, PARALYSIS AND STIFF JOINTS.
Although the above complaints differ widely in their origin and nature, yet they all require local treatment. Many of the worst cases of such diseases, will yield in a comparatively short space of time when this Ointment is diligently rubbed into the parts affected, even after every other means have failed. In all serious maladies the pills should be taken according to the printed directions accompanying each box.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Cancers	Rheumatism,
Bad Breasts	Contracted and Stiff Joints	Scalds,
Burns,		Sore Throats,
Bunions,	Elephantiasis	Skin Diseases,
Bite of Mosquitoes and Sand Flies	Fistula,	Skin Diseases,
	Gout	Scurvy,
Coco-bay	Glandular Swellings	Sore Heads,
Chiego-foot		Tumors,
Chilblains,	Lumbago	Ulcers,
Chapped Hands	Piles,	Wounds
	Corns (Soft)	Yaws.

☞ CAUTION.—None are genuine unless the words '*Holloway, New York and London,*' are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine or vending the same, knowing them to be spurious.
*** Sold at the manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots, at 25 cents, 63 cents, and $1 each.
☞ There is a considerable saving by taking the larger sizes.

DR MOTT'S
CHALYBEATE RESTORATIVE
PILLS OF IRON.
AN aperient and Stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest Medical Authorities, both in Europe and the United States, and prescribed in their practice.
The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case. Innoxious in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:
In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhœa, Dysentery, Incipient Consumption Scrofulous Tuberculosis, Salt Rheum, Menstruation, Whites, Chlorosis, Liver Complaints, Chronic Head aches, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.
In cases of GENERAL DEBILITY, whether the result of acute disease or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female Sufferers, or reputed victims of apparent marasmus, s[illegible]ous exhaustion, critical changes, and the [illegible]plication of nervous and dyspeptic aversion to air and exercise for which the physician has no name.
In NERVOUS AFFECTIONS of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overheating; and gently, regularly aperient, even in the most obstinate cases of costiveness, without ever being a gastric purgative, or inflicting a disagreeable sensation.
It is this latter property, among others, which makes it so remarkably effectual and permanent a remedy for Piles, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.
In DYSPEPSIA, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendent Costiveness.
In unchecked DIARRHŒA, even when advanced to Dysentery, confirmed, emaciating and apparently malignant, the effects have been equally decisive and astonishing.
In the local pains, loss of flesh and strength, debilitating cough, and remittent hectic, which generally indicate INCIPIENT CONSUMPTION, this remedy has allayed the alarms of friends and physicians, in several very gratifying and interesting instances.
In SCROFULOUS TUBERCULOSIS, this medicated iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known liabilities.
The attention of females cannot be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them.
In RHEUMATISM, both chronic and inflammatory—in the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.
In INTERMITTENT FEVERS it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high renown and usefulness.
No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects.
Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its issue.
Put up in neat flat metal boxes containing 50 pills, price 50 cents per box; for sale by Druggists and dealers. Will be sent free to any address on receipt of the price. All letters, orders, etc., should be addressed to
