An undertaker found a donkey lying in front of his premises and went to inform the police.

"What am I to do with it?, he asked the officer in charge.

The officer had a sense of humor.

"Do with it? he asked with a grin. "Bury it, of course. You're an undertaker, aren't you?"

"That's true," replied the undertaker, "but I thought it was customary to come round and inform the relatives first."
