Ceylon Residents Honored By The Community

(By Ceylon Reporter)

The Fraternal Hall, Flesherton, was the scene of two presentations on Tuesday, when the Ceylon community honored Mr. and Mrs. Laurie Genoe and Mr. and Mrs. Jos. Staubles. The former received a floor lamp, occasional rocker and an electric toaster, while the latter were presented with a floor lamp, and a Coxwell chair. Mr. Bill Cairns read the address to Mr. and Mrs. Genoe and Fred Chislett to Mr. and Mrs. Staubles. A pleasant evening was spent in dancing.

Remember, Parents, Children May Be Right," says a headline. And remember, children, its just possible that once in a long time even parents may be right — strange so that seems.

EVERETTE PARKER ASSESSOR FOR GLENELG TOWNSHIP

Mr. Everette Parker has received the appointment of assessor for Genelg Township, and expects to commence his duties Monday next. The assessment was commenced some time ago, but was never completed. The southern half of the township is yet to be finished.

It is said that the dusky belles of the South Pacific are wild about costume jewelry. What! With nothing to pin it to.

MORE LONG DISTANCE CALLS THAN IN WARTIME!

JUST two years ago we were serving 975,000 telephones. There are now 120,000 *more* telephones and as a result Long Distance calling has steadily increased even though the war is over. Actually the volume of calling is now about 100% higher than when the war began.

That's why it is so helpful when you observe the proper sequence, as shown below, in making Long Distance calls.

We are building new lines and new switchboards but it will take some time to get them into use. In the meantime we'll appreciate your help and understanding, especially if your call is delayed.

WHEN YOU PLACE a Long Distance Call

FIRST, give the operator the name of the distant city...

THEN, the telephone number of your party...

THEN, when the operator asks it, your own telephone number.

If you don't know the distant telephone number, please make a note of it for future use when you hear the operator repeat it.
