## Beef Producers Elect Officers At Markdale

The township representatives of the Grey County Beef Producers met in the Department of Agriculture office at Markdale on July 2nd, to elect their officers for the coming year, the result being:

President: Arthur Lemon, Balaclava, Sydenham, Twp.

Vice President: Vic Porteous, Owen Sound, Derby.

Executive: Stewart Falls, Meaford Euphrasia Twp.; Geo. Bell, Priceville Glenelg Twp.; Philip McKay, Chatsworth, Holland Twp.

The ceiling price of beef was discussed, also a protest sent to the W.P.T.B. against the use of certain figures compiled by the government regarding the cost of producing beef, as the figures were not relative to producing beef where mixed farming was carried out. They also accepted the proposal for a conference with government officials, where the whole problem of the beef producers would be discussed the date being set for July 25th at Owen Sound. It is hoped to arrange for two meetings, one a round table conference of selected representatives of the different farm organizations, the other an open meeting for all beef producers. Further notice will be given when all arrangements are complete.

The Board of Directors is asked to meet July 18th, to complete their plans.

## George Morrison Buys The Feversham Mill

## In Memoriam

SIMMONS — In loving memory of a dear father and mother, Walter Robert Simmons and Sarah Simmons who passed away July 29th, 1925, and June 22nd, 1945, respectively.

One by one they go before us,
They are fading like the dew,
But we know they're watching o'er us,
They the good, the fair, the true.
They are waiting for us only,
Where no pain can ever mar,
Dear ones who left us lonely
Watch us through the gates ajar;
There a father, there a mother,
Gone within those gates ajar.

## Committees For Commodity Groups In Osprey Township

The Osprey Federation of Agriculture met in C. W. Long's office recently and named a board for each of the following commodity groups to represent the Township of Osprey at Markdale on Tuesday, July 2:

Hogs — D. Stephens, C. Monaghan, Norman Priddle and Emerson Grey.

Beef — Arnold Hutchinson, Clayton Sprott, Elgin McCutcheon and Alf. Hawton.

Cream — Bruce McCutcheon, Joe Wright, Albert Moore and Albert Williams.

At Markdale, from township groups such as the above, it was purposed to organize each group commodity under an Act similar to that for hogs, through the Farm Products Act from which eventually will come a farm-controlled product from the farm to consumer.

A motion was also passed to approach the Osprey Township Council to set aside a grant of money to be used in caring for neglected graveyards or parts thereof in Osprey, sponsored by the Board of the Federation of Agriculture, in co-operation with the Council.

## Co-operative News

Osprey and Artemesia Co-operative was on the air over C.F.O.S. at Owen sound at one o'clock on Saturday June 29th. on the Co-operative broadcast. The President, Mr. Howard I. Graham spoke for the Co-op. These broadcasts are sponsored by the Ont. Co-operative Union, and the Co-ops. of this district.

At the June Board meeting of the Local Co-op. held on Monday evening June 24th., Messrs. Richard Allen and John McWilliam, who were delegates to the Co-op. affiliates meeting in Toronto, gave a report and made several suggestions.

Recently the Board of the local Co-operative decided to organize a "Credit Union." According to Mr. A. C. Savage, secretary of the Ontario Co-op. Union, Credit Unions are one of the most successful types of Co-op in Canada. The first Credit Union in North America was organized at Levis, Quebec, ony 46 Years ago. Members of a Credit Union have only two objectives: to encourage thrift, and provide an inexpensive source of credit. The Credit Union idea has really caught on. In Ontario there are now over 265 Credit Unions, some of which are qunte small of course, but there is one with assets of over one million dollars.
