Flesherton Won From Vandeleur In First Game

Flesherton softball team took Vandeleur on Monday night to the tune of 9-5 in a hard fought game in the first game of the best 2 out of 3 semi-finals. The second game to be played on Thursday night in Flesherton should be a thriller with Vandeleur fighting to remain in the running and Flesherton boys determined to put them out, and then go on to play the winner of the Dundalk-Rock Mills series.

On Monday night Flesherton went to town in the first inning and tallied 4 runs, while Vandeleur failed to count until the 6th inning. Dargavel pitched a magnificent game with 8 strike outs and a home run to his credit, making himself the star of the game.

H. Best and G. Boyd came next in the honor list with 2 runs and four hits each at 5 times to bat.

Phillips, who generally plays sensational ball was not up to par and was struck out in the 6th inning for the first time this year by N. Genoe who helped Buchanan on the mound for Vandeleur, both doing a fine job but their support in the field was weak.

Be on hand early Thursday evening to ensure yourself of a good seat as a large crowd will be in attendance to see the next game. Come out and cheer your team to victory. Admission: 25 and 15 and 50c. per family. Cars free.

Lightning Strikes Barn But Does Not Burn

The barn on the farm of Mr. Grant Helmkay, five miles east of Flesherton, Collingwood Gravel, the former Martin Phillips place, was struck by lightning in the electric storm Monday afternoon, but the only damage done was a window frame and twelve panes blown out. The barn was filled with smoke and fumes and an attempt was made to take out the livestock in the barn, not knowing the extent of the damage the barn sustained. The horses were very excitable at that moment and Earl Helmkay, the owner's son went to release one of the team, it struck out with its hind foot, striking Earl and throwhim against the wall with such force that the button on his trousers was embedded in his flesh. He was lucky to escape serious injury. The barn had lightning rods installed and it is suspected that these prevented the fire which usually follows a lightning bolt.

Ben Bellamy Returned

L.A.C. Ben Bellamy, son of Mr. and Mrs. C. J. Bellamy, arrived home from overseas on Friday last, having reached Toronto Wednesday evening. Ben was in England and Wales with the Air Force for one year and four months. Two months ago he was married to a Welsh girl, who expects to follow him within the next few months. Ben was the last remaining Flesherton boy in either England or on the continent and we are glad to know that they are all home again safe and sound.

F. R. Oliver Says People Should Take More Interest In Public Affairs

(By Vandeleur Reporter)

The Hon. F. R. Oliver, M.P.P. for South Grey, and Miss Theda Krieger of the Women's Institute, which was guest speakers at the July meeting of the Womens Institute, which was was held in the Community Hall on Thursday evening, July 18th, and two exceptionally interesting addresses were delivered. Mr. Oliver spoke of the general apathy of the people to public questions, as evidenced by the small vote at elections, and the small attendance at public meetings and the unwillingness of many to assume responsibility and said that these things should be corrected as they were part of the cause that led to the rise of dictatorships and the loss of political and religious freedom. He spoke of Canada's position with regard to the British and world markets, and highly commended the work of the Canadian Federation of Agriculture.

Miss Kreiger, who is a teacher by profession, gave a vivid description of the social, economic, educational and political situation in the Argentine Republic. She said that vast tracts of land are owned by the land owners, and the farmers, in most cases, rent small farms and live in mud houses. Both speakers stated that cattle in the Argentine are pastured all the year around and could be placed on the world market at 6 or 7 cents per pound.

Readings were given by Mrs. Will Ratcliffe and Mrs. Frank Davis, and the president, Mrs. Ethel Hutchinson, presided. Lunch was served by all members.
