In Memoriam

HAMILTON — In loving memory of our dear son and brother, James Laveral Hamilton, who was instantly killed July 31st, 1944.

In the bloom of life God called him,
In the pride of his manhood days;
Those that knew him, loved him,
All spoke of him with praise.
Smiling and happy, always content,
Loved and respected wherever he went;
Thoughtful of others, gentle and kind,
A beautiful memory he left behind.
We love to think of you, dear Jim,
In mansions bright and fair,
There Jesus reigns in glory,
There is no sorrow there.

—Ever remembered by Mother, Dad, Brothers and Sisters.

In Memoriam

DOUPE — In loving memory of a dear son and brother, Gnr. Edgar Doupe, killed in action at Caen, France, August 4th, 1944.

He has solved it life's wonderful problem,
The deepest, the strangest, the last.
and into the school of the angels,
With the answer forever, has passed.
How strange so unworn by the strife
While beside him, brimful of hope's nectar,
Untouched, stood the goblet of life.
God knew all about it, how noble,
How gentle he was and how brave,
How bright his possible future,
Yet put him to sleep in the grave.
God knew all about those who love Him,
How bitter the trail must be,
And right through it all God is loving
And knows so much better than we.

—Lovingly remembered by his Mother, Brother and Sisters.

E. J. FISHER BUYS CORNER BLOCK

The large business block, formerly occupied by the Co-operative store, has been sold to Mr. E. J. Fisher, who is at present operating the 5c to $1.00 Store several doors to the north. The building was purchased from Mr. W. G. Kennedy and was built by the late M. K. Richardson and used as a general store. Later J. & W. Boyd operated a large store there, W. L. Wright then purchasing it, followed by Mr. Kennedy taking possession from the Wright estate. It is a choice business site and will be an asset to the village to have it occupied.

Another real estate deal was made on Monday, when Mr. Alfred Down of Owen Sound, formerly of Flesherton, purchased the property on the south edge of the village from Mrs. E. E. Wolfe of Hamilton. The property was owned by the late John Breen, the Breen estate selling to the late Jas. Robertson.

Billings Of Want Ads.

The bane of many weekly publishers is the neglect of some in paying for "want ads" ordered by mail or telephone. Some papers are now refusing these ads unless they are paid for before insertion. We hesitate to take this drastic action as we realize that farmers and other living at a distance phone them in and in most cases, call and pay for them at the first opportunity. We do ask, however, that those who have not done so, help us clear these off the books. Sending out those small accounts by mail entails a considerable amount of work, time and added costs for postage, etc.

RATION CUPON DUE DATES

Coupons good as of August 1st. are: sugar-preserves S1 to S23; butter R10 to R16, and meat coupons M40 to M48. A new ration book will be distributed during the week of September 9.

BEEF PRODUCERS MET IN OWEN SOUND

The beef producers of five counties met in Owen Sound on Thursday last and were in conference with government officials, J. C. McTaggart, chairman of the Meat Board, and Mr. Pearsol, manager of the Meat Board. The purpose of the meeting was to thresh out, as far as possible, the price grievances of the farmers.

A brief was presented requesting information and reasons for certain unsatisfactory conditions in the minds of beef producers, chiefly those who buy and feed for profit. A concrete statement was presented, showing how, on a 1,000 pound bullock, bought at 10½ cents, fed with a gain of 200 pounds at 10½ cents, produced a loss to the feeder of $51.00. A lively discussion ensued, Mr. Mcaggart strongly supporting the actions of the Board, considered is existing reasons and its relationship to other commodities and dealt with certain contracts with other countries. The purpose of the Board, organized in 1939, was to ensure equality of distribution and sell under contract, governed by a price oversight, to see as far as possible that all received their right share of proceeds, accomplished the grading of hogs and red and blue beef.

Mr. McTaggart held that prices were the highest in Canadian history and that the government never encouraged the production of more beef. The policy of price support clearly was to prevent deflation as in 1920 and 1930, sad experiences for the farmer. Price control of feeder cattle was a definite concern which must be left with the feeder buyer, something not wanted.

In the evening, some 250 people met to hear Mr. McTaggart's address regarding the work of the Meat Board and its relationship to other departments of the government, its aim and general proficiency. All were fully convinced in Mr. McTaggart's ability to handle the department of Meat Board supervision. A resolution was passed requesting a set price of $25.00 for blue and $23.00 for red beef.

Chicken Market Age

The age at which chickens are marketed has a direct bearing on the quality of the carcass and on the amount of feed required to produce a pound of meat, Leonard Griesbach, Dominion Experimental Station at Frederickton, N.B., point out. Chickens will not fatten when they are growing rapidly, so they should be practically full grown when moved to the fattening pens. Usually this would be about six months of age for the heavy breeds, such as Barred Rocks, but it is not profitable to keep them long after they are full grown because the amount of feed required to produce a pound of gain increases with age, and the quality of the carcass is highest shortly after maturity.

Scotch Wife Of Ceylon Soldier Arrives In Canada

(By Ceylon Reporter)

Mr. and Mrs. John Meads motored to Toronto last Thursday to meet their daughter-in-law, Mrs. Wm. Meads, and infant son, who arrived on the Queen Mary. Mrs. Meads was the former Elizabeth Kelly of Dundee, Scotland, and was married to Mr. Meads while he was overseas with the Canadian Army. Mr. Meads returned last August. On Saturday, Mr. and Mrs. Meads, accompanied by Mr. LeRoy Meads, motored to Niagara Falls, N.Y., to visit friends. Quite a number of friends and neighbors assembled at the home of John Meads Thursday evening to welcome Mrs. Meads and son, to whom, strangers to our country, may we add our welcome to Canada.

Stole Car In Town Sunday Found At Mimico Later

Early Sunday morning a car owned by the Ford Motor Co., and driven to Flesherton on Saturday by Mr. Bill Wilson of Windsor, was stolen from the side of C. J. Bellamy's residence. The theft was not noticed until nearly noon, when Provincial Constable Harold Black of Flesherton was advised. The car was reported found at Mimico at 6:30 p.m. Mr. Wilson and his brother, Ben, of St. Catharines, who was also visiting here. They brought the vehicle to Flesherton that night, but it was minus the radio and undamaged. It is thought that the party or parties who took the above were the ones who abandoned a reported stolen car just east of Flesherton when they ditched the machine.

St. John's W.M.S.

The July meeting of the St. John's United W. M. S., Flesherton was held on the church lawn. Those present enjoyed a most interesting meeting.

Dell Thurston gave a much appreciated talk on St. Christopher House, where Dell lives in Toronto and is a part time worker. This work is partly supported by the United Church Missions. Alice Heard read a chapter from Wm. Allan's book "Musings," which was also very much appreciated. Everyone enjoyed a picnic lunch although it was somewhat hurried on account of a threatened storm. The Aug. meeting will also be a social one when two quilts are expected to be completed in the church basement.

Flesherton Enters Finals

Flesherton won the right to enter the South Grey Softball League finals when they defeated Vandeleur in a weird game Thursday evening last 39-14. The contest saw Vandeleur start off with scoring nine runs in the first inning and Flesherton 13. Then in the sixth and full-sized dispute arose when questionable tactics were indulged in by both teams, one to end the game quickly and the other to keep it drawn out. The fans present did not like the brand of ball presented to view, but in justice to the pitchers we must state that the ball was too hard, easily hit for extra bases and hard for the pitchers to control. Home runs were plenty.

This Friday evening Dundalk plays their first game of the semi-final series with Rock Mills on the latter playing field. The winner of this series will meet Flesherton.
