Department of Citizenship and Immigration, Canada
Department of Lands and Forests, Ontario
Canadian Red Cross Society
Junior Farmers of Oxford County

Avon Products of Canada Limited
Clayton-Ford Productions
T. Eaton Company of Canada, Limited
Toronto Transportation Commission
and
The 48th Highlanders of Canada
(by kind permission of Lt.-Col. G. A. Fraser)

The co-operation of these many groups has made possible the assembling of an unusually large cast of performers, a great variety of authentic costumes and many important properties such as trees, old-time vehicles and flags.

To the new Canadians from many lands who took part in the Pageant through arrangements by the Department of Citizenship and Immigration, we should like to say a special word of thanks. We were very happy to have Canadians from so many different national backgrounds sharing with us this great international event.
