JUST WHAT HE NEEDED

King George receives 36 horses from Queen Wilhelmina of the Netherlands at Buckingham Palace in London. Thirty of the steeds are black and destined for the household cavalry, crack regiment which supplies escorts for the Royal Family.

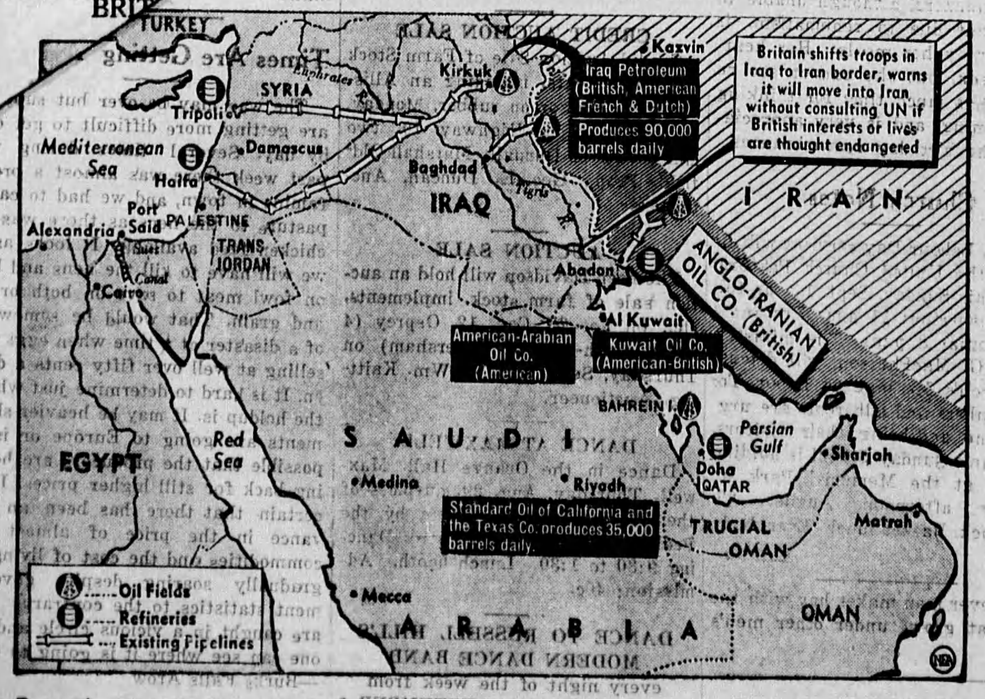
RIGHT IN DER FUEHRER'S FACE!

These German women are laughing fit to kill—at none other than Charlie Chaplin burlesqueing their once-loved Adolf Hitler. The Chaplin film, "The Great Dictator," was recently sprung by surprise on an audience of some 400 Berliners, who thought they were going to see "Kitty Foyle." Experiment was conducted by the information control division of American Military Government.

NEW HOMES FOR SWEDEN'S FARMERS

This scale model represents type of home the Swedish farm worker will live in shortly. It was exhibited at the Swedish Agricultural Exhibition in Stockholm. Sweden is making strenuous efforts to overcome the housing shortage.

BRITAIN SET TO ACT OVER IRANIAN OIL FIELD STRIKES



Domestic unrest in Iran, highlighted by two strikes of 30,000 workers which paralyzed vital British-held oil fields for weeks, may compel Great Britain to move armed forces into Iran. The British government owns over half of the Anglo-Iranian Oil Company, whose Khuzistan wells are the largest in the Middle East, producing 17,000,000 tons in 1945. Iran has protested recent dispatch of British troops from India to southern Iraq and has demanded withdrawal of British forces now concentrated on Iran-Iraq border.

Highlights of the News

Paris Peace Conference

Italy will ask the Conference of Paris for the right to help draw the peace treaties for Austria, Germany and Japan.

The Finnish delegation was ejected from the commission and was told former enemies must present their views in writing unless invited to appear.

Prime Minister Ping of Canada warned the Conference to stop "wasting vital time" and prepare "decent instruments of peace without endangering the future by futile discussions."

Washington has prepared a note to Moscow rejecting Russia's proposal for joint Soviet-Turkish control of the Dardanelles and offering for the first time to participate in the defense of the Straits.

War of Nerves

An American transport plane, the second within ten days, was fired upon and forced down near the Yugoslav border while on a regular flight to Udine, Italy. The last word from the airplane reported that it was a target for aircraft and anti-aircraft missiles about half way between Udine and Klagenfurt, Austria.

The seriousness of relations with Yugoslavia was emphasized in the release by Washington and London of notes strongly rejecting Belgrade's account of clashes between Yugoslav and Allied forces in Venezia Giulia. The United States charged Yugoslavia with conducting a war of nerves against the British and Americans and accused Marshal Tito personally of making unfounded charges.

Jet Plane in Test Flight

Squadron Leader W. A. Waterson, Canadian-born member of the British Royal Air Force, achieved a "true" air speed of 620 miles per hour in a test flight of the second "Star" meteor yet plane in England last week. On a similar test flight Aug. 14 Group Capt. Donaldson, Commander of the Royal Air Force high speed flight, reached 626 miles per hour.

Communists in China Mobilize

Yenan called the 130,000,000 Chinese in Communist-dominated areas to mass mobilization for full-scale civil war against the Chiang Kai-shek Government.

It was emphasized that not only troops but also all of China's 130,000,000 Communist population was being mobilized.

The Communists are said to have 1,200,000 regulars and more than 2,000,000 guerrilla fighters under arms. They control small sections of southern and eastern China, thousands of square miles in western, central and north China and all of northern Manchuria. There also are strong Communist forces along the eastern seaboard.

U.S. Seamen Strike

The National Maritime Union (C.I.O.) threw picket lines around maor United States ports on the Great Lakes, calling upon all seamen to oin a strike aimed at tying up the American side of the lake shipping industry and halting the flow of iron ore, coal, grain and oil.

Union President Joseph Curran, estimated the union's lake strength at 4,500 and strike headquarters predicted 4,000 to 5,000 other workers would oin the walkout in support of the maor issue, a shortened work week.

Lake Walkout Likely

The Canadian Seamen's Union charged that the lake shipowners appeared to be hedging in regard to settling the three-month-old dispute with the labor organization and indicated the possibility of a new seamen's strike unless the Federal Government takes steps to have an agreement signed without delay.

Calcutta Riots

Rioting in Calcutta subsided after four days of looting, arson and murder during which between 2,000 and 3,000 persons were killed.

London took the view that these grave disturbances would not be likely to upset the efforts to form a new interim Government in India.

THERE'S A SURPRISE awaiting you if you haven't yet tried delicious Maxwell House Coffee. It's "Radiant-Roasted" to develop all the *extra* flavor in the superb Maxwell House blend.

THAT'S NO BUOY, BOY!

This life guard keeps a wary eye on an old Navy mine that washed ashore on Coney Island beach near New York City. Bathers thought at first it was an old buoy, but Navy experts took one look, said it was a mine of the type used in New York harbor in 1941, and ordered it towed to sea and destroyed.
