Moscow thinks that the poets of democracy put up a poor show during this Second World War, but of course, the real poets were Churchill and Roosevelt, who lived out the poetic ideal day by day.

HOCKEY NEWS

Flesherton defeated Markdale 5-2 in a spirited C.O.H.L. game Monday evening, for their first win of the season. Markdale didn't have to "defensive" hockey any time through the game, and neither did Flesherton. Ed. Ferris came out of retirement and played his usual position of goal and with Doug. Cairns out for the first time, made a great difference for Flesherton. If these two players could have been persuaded to come out earlier in the season, Flesherton would not now be holding down the bottom rung in the standing. Doug fired in two goals, Fred Gorrell one on a shot from centre ice, Ken Chard and Roy Best counting the other two. Flesherton had Markdale 4-0 with ten minutes to go in the last period.

Flesherton goal tender received a penalty! We believe this is the first instance this year that such has occurred. Ferris came out of his net and he and Bannon combined to give Fitzsimmons for Markdale a real "sandwich" which jarred the receiver considerably. As a goal tender cannot be placed in the penalty box one of the other players served it for him. Ed was death on close shots and had plenty of work to do all evening. Don Banks, 15 years old has been doing the net-minding job in the previous games, but has not had the experience necessary to keep the score down. He should do well if he keeps at it.

The Flesherton players were: goal, E. Ferris; defence, Bannon and H. Best; wings, R. Best, D. McTavish,; centre H. Teeter; alternates, F. Gorrell, G. Sled, D. Cairns, G. Chard, K. Chard, F. Boyce, A. Proctor and F. Marshall. Referee, Bob Phillips of Flesherton.

Flesherton lost out at Grand Valley 5-1 on Thursday night last in a well played game. Flesherton was short on players, as some were ill or recovering from injuries. It was their first game on the small ice surface of Grand Valley rink.
