The Advance Subscription Rate At $2.00 March 1st

We make announcement to our subscribers that, due to the advance in the cost of paper we use for the printing of The Advance and the increased cost of living, we are forced to advance the price of this newspaper on March 1st. During the past year we have taken four advances in the cost of newsprint and absorbed the extra cost, but with the rapidly increasing cost of living we are forced to take the step if we wish to continue in business.

Subscriptions will be accepted from subscribers up to March 1st at the present rate of $1.50, hen the new rate will come into force. Send in your arrears and renewal before March 1st and take advantage of the present rate.

Card of Thanks

I would like to say "Thank You" to my friends for the lovely cards, letters, flowers and treats, also for the many kind enquiries, while I was in Markdale hospital and since my return home. They were all deeply appreciated.

County Would Regulate Cutting of Trees On Private Land

The Reforestation Committee of the Grey County Council recommended that the "Grey Forest" be extended, and that a study of the Conservation Act be made this year with a view to regulating the cutting of trees on privately owned land.

The report of this committee, as adopted by the Council, read in part:

"Your committee recommends that a study be made of the application of the Tree Conservation Act to conditions in Grey Count with a view to the regulation of cutting threes on privately owned land; and that the County Solicitor, Agricultural Representative and District and Zone Foresters collaborate with the Committee in the preparation of a by-law for submission to the next session of the County Council.

"Your Committee recommends that the policy of extending the Grey County Forest be continued so as to provide demonstration forests in each municipality.

"Your Committee recommends that education in conservation and reforestation be vigorously pursued in the schools throughout the County and with this in mind that the Public School Inspectors be urged to ensure that suitable literature for this purpose be included in school libraries.

"It is recommended that a qualified land surveyor be employed by the County to establish the boundary lines for all County Forests where deemed necessary by the Committee.

"Your Committee recommends that Township Councils be encouraged to form a Conservation and Reforestation Committee for the purpose of fostering the planting of forest trees for permanent snow hedges, for the conservation of soil,, water and wild life, and the establishment of plantation on land which is unsuited to agriculture.

"Your Committee would recommend that the County Roads Committee be invited to co-operate with the Reforestation Committee in roadside planting along County roads to serve as permanent snow hedges and for general beautification."

In Memoriam

CONN — In loving memory of our Daughter and Sister-in-law, Frances Conn, who passed away Jan. 30, 1946.

Her weary hours and days of pain,
Her troubled nights are past,
And in our aching hearts we know
She has found sweet rest at last.
—Sadly missed by Mr. and Mrs. Wm. Conn and Family.

In Memoriam

CONN — In loving memory of our dear wife and mother, Frances Conn, who passed away Jan. 30, 1946.

One year has passed, dear wife and mother,
Since you were called away;
How well do we remember
That sad and weary day.
You suffered much, you murmered not,
We watched you day by day,
We cried and prayed that your dear life
Would not be taken away.
—Sadly missed by Husband and Son, James C. and Chalmer Conn, Collingwood, Ont.

Father And Son Banquet Held In St. John's Church

The fathers of members of the Tuxis and Trail Ranger groups were entertained at a banquet in honor of Father and Son night, in the basement of St. John's United Church on Wednesday evening of last week, with members of the C.G.I.T. preparing the meal and acting as maitresses. This was the first one of these events to be held here and each of the dads enjoyed himself to the utmost, and would like to see the event repeated.

P. J. McDougall, one of the leaders, presided as toastmaster in his usual pleasing manner. Donald McLeod proposed a toast to the church, which was responded to by J. Brackenbury, Superintendent of St. John's Sunday School, and the toast to the Dads was proposed by Jack Milne and response was made by G. E. Banks, our genial village postmaster. The toast to the Leaders was given nicely by Carson Stauffer and Bob Phillips, leader of the Tuxis group, replied briefly. This was followed by a toast to the members of the two boys' groups proposed by F. J. Thurston, with response being made by Rev. A. G. Macpherson, pastor of St. John's United, who dwelt on the aims and work of the two groups. A vote of thanks to the ladies for the spendid banquet was moved by M. S. McLeod and was heartily seconded by all present.

M. B. Dulmage Retires As Editor of O. S. Sun-Times

After 18 years as editor of the Owen Sound Sun-Times, Mr. M. B Dulmage has retired to that of an associate editor, and Arthur Davidson of Owen Sound succeeds him. Dick Payne takes the position of news editor. We congratulate both these young men on their advancement, the former having been with the Sun-Times for 19 years and Mr. Payne 17 years. We wish them the best of success. To Mr. Dulmage we express our appreciation of his kindness and pleasant associations with him the past few years, and wish for him many years of contentment and joy in his retirement, with the knowledge that his work with the Sun-Times has been of the highest calibre and his influence in the community cannot be estimated. Good luck, M. B.

Miss Hattie Wallace Dies

It was with regret that we yearned on Monday of the death of Miss Harriet (Hattie) Ann Wallace at her home, 63 Taylor Street, Toronto, which occurred on Monday morning. Miss Wallace took a cold last week, which turned to pneumonia. She leaves two brothers, John T. of London and Roy H. of Toronto, besides three nieces with whom she resided, Lena, Jean and Wally McLennan.

The late Miss Wallace took a great interest in the Flesherton Old Boys' and Girls' Association and attended most of the meetings and functions of that organization. The editor enjoyed a talk with her at the annual meeting in Toronto two weeks ago and she was looking forward with pleasure to the Old Home Week celebration in Flesherton this summer. She had a fine Christian character and taught Sunady School both here and in Toronto, where she moved a number of years ago.

The funeral will take place this Thursday afternoon, Jan. 30th, with service in Oak United Church, Oak St., Toronto, at 2 p.m., with interment in St. John's Cemetery, Norway.

In Memoriam

LINTON — In memory of Jas. Linton, who died January 26, 1945.

There are loved ones who miss you dearly
In a home where you used to be,
Loved ones who tried to keep you,
But God willed it not to be.

Eight Reasons Why China Needs Your Help Now

1. After eight years of tragic war China is hungry, war weary and ravaged by disease. She suffered more than ten million casualties; roads, railroads, bridges and towns were destroyed. The Japanese carried away 400 million tons of iron and machinery. The Russians stripped the Manchurian factories. Transportation is paralyzed. Inflation is rampant. Now the country is torn by a ruinous civil war.

2. It is under such conditions that Communism thrives. If China goes Communist with her one quarter of the human race, the stage is set for World War III. Canada has the highest standard of living in the world and her cities and industries are untouched by war. It is our responsibility and privilege to feed the hungry and heal the sick of our good neighbor China. If we act now we can help save China.

3. The need for clothing, drugs, medical comforts and food is great and urgent. Inflation makes it impossible for the people to help themselves. As an example, it requires one million dollars to buy a $500 piece of Canadian hospital equipment

4. It is to Canada's interest to help China in this way because most of the money for these necessary supplies is spent here. A renewed China means markets for Canadian goods, and on our part we need Chinese wood-oil (for our paint industry), Chinese silk, tea, medicine, roots, bristles, hides, porcelain and many other articles of trade.

5. Canada and China are next door neighbors. We were allies in both world wars. We are deeply indebted to China for her eight years' unequal struggle in holding down half a million trained Japanese soldiers to the bitter end. Winston Churchill, Britain's war-time Premier, said in one of his speeches: "We owe a deep debt of gratitude to our loyad ally, the unconquerable Chinese." There is every reason for real friendship between Canada and China.

6. China united and prosperous can be a great force for world peace. China disunited, or Communist, can be a world menace.

7. Canada is one of the few nations not smashed by war. China's need is our opportunity to make a real thankoffering — not a donation, but an investment in the post-war world. "United nations are more powerful than split atoms."

8. Canada was the "arsenal of democracy" in war. Let us make her the "arsenal of reconstruction" in a world devastated by war.
