HOCKEY NEWS

Dundalk defeated Grand Valley on Monday night 7-4. The ice was covered with water and even the referee, Bob Phillips, had his trousers pulled up to his knees to escape having them wet, but every time a player shot the puck there was a shower of water. It was an easy game to handle, very few penalties being given by Phillips.

Markdale defeated Shelburne in a surprise victory Friday night last 7-5 which brings Markdale tied with Grand Valley for third place, and still two games in hand. Flesherton is out of the play-offs as they have only won one game, with a game to be played with Shelburne at Markdale this Friday night.

Shelburne is currently leading the League, despite two successive losses. Next in the standing are Dundalk, Grand Valley and Markdale, with the local team last with only two points.

Flesherton plays their last game with Dundalk Friday night and Shelburne plays in Markdale Saturday night. This promises to be a real game, as Shelburne will not want to be displayed as League leaders.

Sorrow which is never spoken is the heaviest load to bear.

NOTICE TO CREDITORS

In The Matter of THE OSPREY FARMERS' MILLING COMPANY with Head Office at the Village of Feversham in the County of Grey.

Review Of Grey County Farm Forum Reports

The weather and impassible roads are still taking their toll off the attendance of Grey Farm Forums. Out of a total of 110 registered Forums 78 met January 13, and up to time of writing 27 reports have come to hand. With very bad roads and weather, it is still encouraging to see that as high as 30 attended one Forum to discuss the questions.

By the reports one can read between the lines that the subject "Commodity Agreements and Cartels" came in for very intensive study. Most Forums were ready to admit that they are of similar purpose. Blue Mountain puts it thus "Both are designed to try to keep a proper price level and prohibit the dumping of products on the market." But most Forums pointed out that while designed to the same purpose, they worked entirely different. Orange Valley said "That Commodity Agreements were designed to keep a steady volume with a fair return to the producer, while Cartels were a manufacturers' union with the sole object in view of making money." They might have added that Cartels are a union to create scarcities of essential products by restricting the production or withholding it from the market for gain for themselves.

All Forums agreed that the 1946 Wheat Agreement was a good thing, or that they were in accord with the principle of same, as it created a stability in our markets, which is desirable if we are to have any form of prosperity.

We notice that many Forums are still studying the Grey County Co-operative Medical Services. We hope that enough applications have been sent in to warrant the inauguration of this at once. Also many Forums have some other project on hand. Vandeleur Forum is studying Credit Unions, and have started a fund to buy a piano for their hall.

Twelve Forums in the vicinity of Hanover are working hard to help form a Producers' Co-operative to buy out a Dairy, Creamery, Egg Grading and Cold Storage business in the town of Hanover.

Rural Ontario's great need is still "More and more Farm Forums, where people meet to discuss and plan ways and means of improving their lot."

Your secretary had the privilage of meeting with the Agricultural Committee of Grey County Council and one of the items discussed was how to find ways and means to bring electricity to the people of Rural Grey. Why not have your Forum study this problem also?

Just as soon as we get around to controlling the atom bomb we can try it on ourselves.

Local and Personal

Master Bobbie Stoddart is spending this week in Owen Sound.

Mr. Jim Thurston of Pickering was was home over the week end.

Misses Jean Proctor and Jean McCracken spent the week end with friends in Toronto.

Mr. and Mrs. Claude Akins spent a couple of days in Dundalk last week.

Mr. Richard Fawcett of Hamilton visited the first of the week with his son, Mr. Harold Fawcett.

Miss Marjorie Brackenbury of Toronto was home over the week end with her parents, Mr. and Mrs. R. J. Brackenbury.

The Women's Institute will meet at the home of Mrs. Hickling Wed., February 5th, at 2:30 p.m. Roll call "A sterling quality of the woman to your right." Everybody welcome.

Mrs. Lorne Fawcett and little son returned to her home at Aldershot with her husband on Tuesday, after spending the past two months with her parents, Mr. and Mrs. L. Pedlar.

Mr. Sam Phillips of Rock Mills has purchased the former Pedlar residence in the village from Clarence Adlam. They expect to move to their new home shortly.

Mrs. Wm. McMillan spent the week end at Sudbury and was met there by her husband, who was returning to his home from Prince George, B.C., where he has been since last July. They visited their son, Donald, while at Sudbury.

The monthly meeting of St. John's Young People's Club was held at the home of Mr. and Mrs. Mack Duncan on Janupary 21st. New members are always welcome. A skating party will be held in Markdale rink on Feb. 4th. For particulars see Mack Duncan or Jean McCracken.

Mr. and Mrs. Melville Holroyd of Macrorie, Sask., are spending the winter with the latter's sister, Mrs. Richard Allen, and family. It has been 20 years since Mr. and Mrs. Holroyd last visited his district and many their friends were pleased to see them again. They intend to return West in the Spring.

Gossipers are tale-bearers that set on fire all houses they enter.

If misfortune comes she brings along the bravest virtues.

You have to make allowances for college students — by mail.

Whether you drive, walk or ride a bicycle, use courtesy, alertness and common sense caution.

Burnet - MacArthur

A quiet put pretty wedding was solemnized on Saturday, Jan. 25th, at the home of Mrs. A. B. MacArthur, Priceville, when her only daughter, Margaret, was united in marriage by Rev. McInnis of Durham, to Dr. Robert Royden Burnet, son of Robert Burnet and the late Mrs. Burnet of Durham.

The bride, who was given in marriage by her brother, Jack MacArthur, looked charming in a powder blue sheer dress, with a corsage of roses, and wearing a lovely string of pearls, the gift of the groom. The bride's mother was gowned in a mauve crepe dress, with a corsage of baby 'mums.

Following the ceremony and congratulations, dinner was served to the immediate friends of the bride and groom. The table was decorated in a color scheme of pink and white. The three-tiered wedding cake centred the bride's table, ornamented with silver leaves and pink trimmings, and topped with a vase of baby 'mums. Rev. McInnis proposed a toast to the bride, which was responded to by the groom and Mr. Robt. Burnet proposed a toast to the bride and groom.

The happy couple left amid showers of confetti and best wishes for Hamilton, London, Detroit and Windsor, the bride travelling in a grey crepe dress with brown accessories. On their return they will reside at Durham, Ont.

Skidding On Ice

Very few drivers seem to know what to do when a car starts skidding on ice, snow or wet pavement. The Ontario Highways Department wants to remind you of what every experienced driver does instinctively, in such situations. When your car skids do as follows:- First, turn the front wheels in direction in which the rear end is slipping; second, take your foot off the accelerator but leave the clutch engaged; third, pump the brake pedal down and up gently. Above all, don't lose your head and jam on the brakes.
