Grandfather Of Local Man Heard First Telephone Call

Local interest is attached to the anniversary of the birth of Alexander Graham Bell and the observation of the day on Monday, March 3rd. The grandfather of Rev. W. A. White, pastor of Cedarside Baptist Church, who was Rev. W. G. White, at that time pastor of Ohsweken Tuskarora Baptist Church, was present at the Bell homestead at Brantford when the first call was sent through to the Court House at Brantford. With him at the time were two of the Indians from the reserve. One of them was at the Court House and the other at Tuleta Heights, the Bell home. They spoke to each other in their native tongue, and when their conversation was finished the Indian remarked "It speaks the same language I do."
