A patient in an asylum was observed winding up and making imaginary pitches although he didn't have a baseball in his band.

An inquiring visitor was told that the man was a farmer and bad times had unsettled his mind.

Said the visitor: "I'm a farmer, too, and if I don't get a good crop this year I'll be catching for that chap."

Mrs. W. P. Crossley Passes

After an illness of only two weeks, Mrs. W. P. Crossley passed away at the home of her daughter, Mrs. Harry Quigg, at Harriston on Saturday evening, March 8th, in her 90th year.

The late Mrs. Crossley was formerly Charlotte Spiker, daughter of the late Isaac and Lucy Spiker, and was born on the farm her father hewed out of the bush, one mile and quarter west of Maxwell. She was married in April of 1878 to Wm. P. Crossley, who predeceased her in February, 1836. Mrs. Crossley spent all her married life in Flesherton, until she went to reside with her daughter six years ago. Mr. and Mrs. Crossley were happy to have celebrated their fiftieth wedding anniversary in 1928. Although in fairly good health, Mrs. Crossley only took ill two weeks ago.

The late Mrs. Crossley was a member of Grey Chapter No. 190, O.E.S., Flesherton and was also a charter member of Carnation Lodge, L.O.B.A., Flesherton. She was also a member of Cedarside Baptist Church. For many years she was a director of the Flesherton Agricultural Society, and her special hobby was flowers, of which she had an abundance around her home. Her personality won for her many friends and her Christian attitude and outlook on life will always be remembered by all her knew her.

She leaves to mourn three daughters and two sons: Ethel (Mrs. W. Bentham), Toronto: Berta (Mrs. S. J. Bowler), Detroit; Wilda (Mrs. C. H. Quigg), Harriston; Charles J., of Toronto and William F., St. Thomas. Millie (Mrs. Geo. Cairns), Winnipeg, died a short time ago. She also leaves 16 grandchildren and four great grandchildren.

The remains arrived on the noon train on Tuesday and were taken to Cedarside Baptist Church, where the funeral service was held at 2 o'clock p.m., with the pastor, Rev. W. A. White delivering a most comforting message. The church was filled with many friends who knew the deceased intimately in past years and whose sympathies were thereby tendered to the sorrowing family. Interment was made in Flesherton Cemetery Chapel, where the beautiful commitment service of the Order of the Eastern Star was conducted by the Matron, Mrs. E. Fisher, following the religious burial service by Rev. White.

The pallbearers were: Messrs. A. E. Bellamy, Gordon Irwin, Fred Irwin, F. W. Duncan, G. E. Banks and F. J. Thurston.

The family and others from a distance who attended the funeral were: Mr. and Mrs. Jas. Bowler, Karl, Doris and Verna, Detroit; Mrs. Wm. Bentham and Ed. Bentham, Mr. and Mrs. C. J. Crossley, and Wm. Hemphill, all of Toronto; Mr. and Mrs. H. Quigg, Harriston and Wm. Crossley St. Thomas.

Among the beautiful floral tokens were messages of sympathy from the Flesherton Old Boys and Girls of Toronto, Eastern Star of Flesherton and the Department of Veterans' Affairs, Toronto.

F. W. Nicholson Passes

Death came quietly to Frederick W. Nicholson, well known and highly respected native of Artemesia Township and a resident of Flesherton for the past two and a half years. on Tuesday, March 4th, at the home of his brother-in-law, Mr. Joseph Duncan. He suffered a heart attack ten days previous to his death.

The late Mr. Nicholson was a son of the late J. P. Nicholson and Louisa LeBer, and was born at Todmorden on November 18th, 1859, near the Don River. At two years of age his parents moved to the Township of Toronto, Ebenezer Corners, where he grew up and worked at the trade of carriage maker for 16 years. He took up farming on the 4th line, Artemesia, six miles east of Flesherton, where he remained for 33 years, and carried on a Sunday Schol in the Orange Hall for 17 years. He was married to Miss Melissa Gamey on June 15th, 1898, she passing away on Feb. 21st, 1939. He moved to Toronto in 1915 and carried on an insurance business until he came to reside in Flesherton in June of 1944. He was treasurer of Humbercrest United Church, Toronto, for eight years and Chapel Steward for 30 years and was also a member of the Session. He was a man of deep religious convictions and was highly regarded by a host of friends.

The remains rested at the Richards Funeral Home, where service was held Friday at 2 o'clock p.m., Rev. A. G. Macpherson, pastor of St. John's United Church conducting the service. Funeral of Mrs. Thos. Kew

(By Ceylon Reporter)

The funeral service for Mrs. Thos. Kew was held Wednesday afternoon, Feb. 26th, at 1:30 p.m., in the Wingham United Church, where many old friends and neighbors assembled to pay their last respects to one who had been an active worker in choir, church and Sunday School, Mrs. Kew having taught Sunday School for 35 years. Rev. W. A. Beecroft gave a comforting message to the bereaved. A solo "Sun of My Soul," a favorite of the deceased, was sung by Mrs. McCool, on request of her daughter, Mrs. I. B. Whittaker. The other hymn sung at the service was "Unto The Hills Around." The many eautiful floral tokens were silent tributes of esteem for the deceased, who in life was very fond of flowers.

Four of the pallbearers were men who, in their boyhood days, had been in Mrs. Kew's Sunday School class: Messrs. Frank Howson, Superintendant of the Wingham United Church Sunday School, Chas. Wilkinson, Assistant Supt., Charles Lloyd, Alex. Coutts, Stuart Beatty principal of Wingham Public School, formerly of Flesherton, and Wm. McCool, editor of the Wingham Advance. Additions to Rural Hydro Service

In 1946 your Commission added more Rural consumers than in any previous year of Hydro's history. 6,636 Farm customers were connected—an average of over 500 Farm services each month. At the end of 1946 a total of approximately 75,219 Farms were being served with electricity.

For those Ontario farmers who have applied for Hydro service, your Commission desires to draw attention to the conditions which now seriously slow up connections to new consumers and the building of rural extensions.

During and since the war, it has not been possible to obtain sufficient materials to build all Hydro service equipment to the capacity needed to meet the new and greater demands. As a consequence, the trickle of material now available is being largely applied in the urgent rehabilitation of existing Hydro lines.

While the Commission continues to press strenuously for material and equipment, it can complete this year only a small part of the full program planned. Unfortunately, many applications already approved will, of necessity, remain uncompleted this year.

Present policy of your Commission, with which it is believed you will agree, is to first bring existing essential services up to adequate capacity, and then serve all applicants in order of receipt of applications, giving preference to farm and similarly essential users over those of other types of service.

These facts are presented so that you may make your plans with a full understanding of the delaying conditions beyond the control of your Commission.
