VANDELEUR

(Intended for Last Week)

The final meeting of the Farm Foruf winter series was hel in thed in the Community Hall on Monday evening, March 24th, which was a most enjoyable agair. The president, Will Ratcliffe, presided, and after reading of communications by the secretary, Howard Graham, a brief jeriod was spent in answering the questionaire, and the balance of the evening was spent in progressive crokinole and euchre, with five tables of the former and three of the latter. The winners were: crokinole, Andy Fawcett and Mrs. Angus Bowles, euchre, Lorne Ormsby and Mrs. Andy Fawcett. Each received a piece of glassware. Lunch aws served, during which music was provided by Lorne Ormsby with the violin and Mrs. Carl Wilson at the piano. Mrs. Andy Fawcett thanked the Forum for the treat sent her while in hospital, and a vote of thanks was tendered to the president and secretary. The president often took a sleigh-load to the meetings and took his radio to the hall, and the secretary has not missed a meeting since the Forum started six years ago. It was an interesting series and it was unanimously decided to hold a meeting once a month for at least part of the summer. It is hoped to have a picture show or lecture or something of that nature at each meeting.

Vandeleur Community Hall now has a piano. The Farm Forum collected a fund and Will Ratcliffe and Alex. Gilray brought it in from Markdale in time for the W.I. meeting Thursday afternoon.

Mr. Chas. Boland of Walkerton spent a week with his daughter, Mrs. Earl Morrison, and family.

The W.I. met at the Community Hall Thursday afternoon for their March meeting, with the president, Mrs. Ethel Hutchinson, presiding. The roll call was answered with school-day memories. Mrs. F. Freeman explained the motto: "The world without a Sabbath would be like a man without a smile, like a garden without a flower and like a homestead without a garden. It is the most joyous day of the year." — (Beacher). Mrs. Lundy Johnston, citizenship convener, was unable to be present, but prepared a splendid paper "The Stranger Within Our Gates," which was read by Mrs. Geo. Shaw. Mrs. Newton Hutchinson gave a reading "Why Worry?" and Mrs. Alex. Gilray conducted a snow contest. The next meeting will be held in the hall on the last Thursday in April. A petition to the Hydro Commission, sponsored by the Farm Forum, urging priority of Hydro for rural homes, was signed by the W. I. Members.

We are sorry to report Master Wayne Maxwell, pupil of S.S. No. 6, bedfast, Dr. Lindsay in attendance.

Now, that makes people think, when one in the house takes seriously ill on these back roads, with no doctor within miles. A drive has to meet the doctor and then drive to be made with horse and cutter him back. Surely, in the near future, we will have our roads open, so that we can take a look at the outside world in time of trouble.

Mrs. Morton Sayers and three daughters visited over the week end at Beeton with another daughter, Edith, and son-in-law.

Mr. and Mrs. Alex. Maxwell, Shirley and Royden, entertained their friends and neighbors on Saturday evening to a progressive euchre party, when a good time was enjoyed by all.

Miss Grace Wright, teacher at S. S. No. 6, is at her parental home this week. We understand that Mr. Lorne Wright has purchased a new tractor and plow. Good luck, Lorne.

Mr. and Mrs. Geo. Dobson have invested in a new Super-DeLuxe Ford for their health and enjoyment in the future. That is good business. You can't take the money away with you. Good luck.

Mr. Editor, you know while there is life there is hope. W. L. Hamilton's snow plow is winding its way in from the pipe-line on the Meaford Road, working East.

Mrs. Jas. McKenzie and Ione visited with Mr. and Mrs. Gordon Lanktree, at Revanna.
