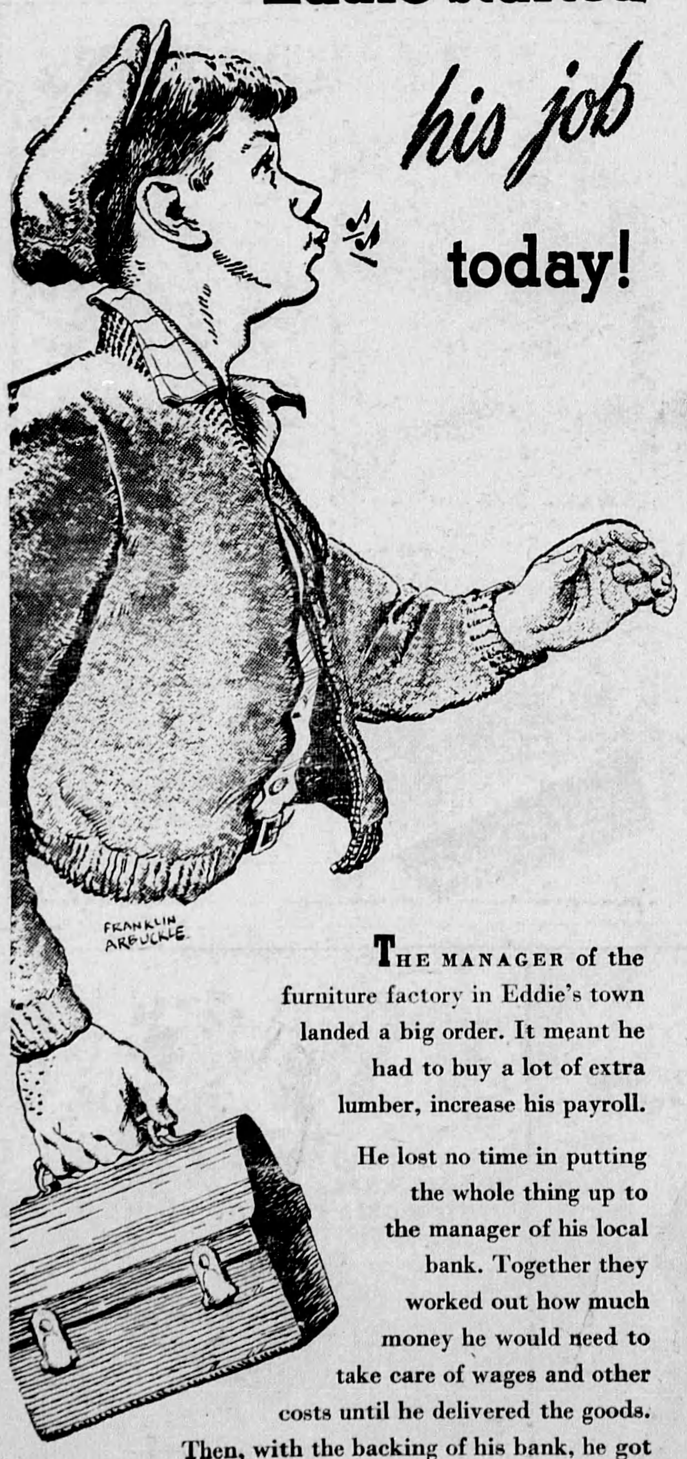
The cost of living goes up and the bank account goes down.

A husband who had stayed out too late tip-toed into his house and up the stairs, without waking his wife. At the bedroom door he dropped to his hand and knees and started to crawl across the floor. His wife awakened, and mistaking her husband for the dog, said sleepily: "Here Cindy, good dog!"

"And then," said the husband, in telling his cronies about it next morning, "I had the good sense to go over and lick her hand."

Eddie started his job today!



THE MANAGER of the furniture factory in Eddie's town landed a big order. It meant he had to buy a lot of extra lumber, increase his payroll.

He lost no time in putting the whole thing up to the manager of his local bank. Together they worked out how much money he would need to take care of wages and other costs until he delivered the goods. Then, with the backing of his bank, he got to work on the order.

... And that's where Eddie came in. He was put on the payroll—given his first chance to learn a trade. Right now he's on his way home to tell Mom and Dad how much he likes his new job.

Spring seems to have finally rounded the corner, but there still are snow banks to be seen. On account of the weather nothing has been done on the land. Meadows appear to have come through the winter in good shape, but wheat is not looking too good.

The fishing season has opened for another year and, as usual, the champions were caught in Artemesia. The rivers in this district are almost high enough to float a whale, but we have not heard of any being caught or any of the numerous anglers having to be rescued.

Mr. and Mrs. Lorne Eccles of Dromore spent the week end with Mr. and Mrs. Lorne Ormsby.

The Late Geo. Williamson

After an illness of four weeks duration Mr. George Williamson passed away at his home on the Old Durham Road, Artemesia, on Wed, April 23rd, in his 85th year. His death came from the result of an accident in his home when he fell downstairs and received injuries from which he was unable to recover.

The late Mr. Williamson was a resident of the O.D.R. for over 79 years and was highly regarded as a citizen. He was never married.

The funeral was conducted on Sat., April 26th, by Rev. Gandier of Priceville and was largely attended by friends and neighbors. The hymns used were "Unto The Hills" and "Rock Of Ages." Interment was made in Evergreen Cemetery, South Line.

Among those who attended the funeral from a distance were: Ralph Joe and Douglas Williamson, Mrs. Ted Bramston, Miss Mable Parslow, all of Toronto, Dr. and Mrs. F. M. Williamson of Wiarton and Jas. Turner of Lourel

He was like a sheaf of grain,
Garnered in so full and ripe;
No more suffering, no more pain,
No more darkness, no more night.

It is more important to teach your children proper living habits than to train them to be careful crossing a busy street. And yet, say health authorities at Ottawa, parents often content themselves with the more obvious safety warnings. Wise parents also have their children vaccinated, inoculated, and taught to live right.
