AYER'S CATHARTIC PILLS.
Are you sick, feble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in healthy action. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same preparative effect exists them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills will neglect to employ them when suffering from the disorders they cure.
Statements from leading physicians in some of the principal cities, and from other well known public persons.
From a Patmaching Merchant of St. Louis, Mo., A. 1858.
DR. AYER: Your Pills are the perfection of all that is great in medicine. They have cured my little daughter of ulcerous eruption on her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.
ASA NORGRIDGE.
As a Family Physic.
From Dr. E. W. Cartwright, New Orleans.
Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.
Headache, Sick Headache, Foul Stomach.
From Dr. Edward Bogle, Baltimore.
DEAR SIR, AYER: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an efficient cathartic in my daily contest with disease, and believe, as I do, that your Pills afford us the best we have, I of course value them highly.
Piermont, Pa., Mar 1, 1858.
DR. J. C. AYER: Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.
Yours with great respect, ED. W. PRESLEY,
Clerk of Steamer Clarion.
Bilious Disorders—Liver Complaints.
From Dr. Theodore Dell, of New York City.
Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.
DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1856.
SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not speedily yield to them. Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.
Dysentery, Diarrhoea, Relax, Worms.
From Dr. J. G. Grech, of Chicago.
Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhoea. Their sugar coating makes them very acceptable and convenient for the use of women and children.
Dyspepsia, Impurity of the Blood.
From Rev. J. V. Himes, Pastor of Advent Church, Boston.
DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion, and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.
WEBSTER, Wyoming Co., N. Y., Oct. 24, 1855.
DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.
JOHN G. MEACHAM, M. D.
Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Dyspepsia, Piles, etc.
From Dr. J. P. Temple, Montreal, Canada.
Too much cannot be said of your Pills for the care of costiveness. Hundreds of our patients have found them an effectual cure. I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the precursor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.
From Mrs. M. Stair, Physician and Midwife, Surry.
I find one or two large doses of your Pills, taken at the proper time, are excellent promoters of the natural energies when wholly or partially suppressed, and also very effectual in clearing the stomach and bowel worms. They are so much the best physic we have that I recommend them to my patients.
From the Rev. Dr. Stanton, of the Methodist Episcopal Church.
PRESIDING ELDER'S OFFICE, Savannah, Ga., Jan. 6, 1858.
MESSRS. AYER: I should be unmerciful for the relief your skill has brought me if I did not report my case to you. A cold settled in my head and brought on excruciating neuralgia pains, which ended in almost total deafness. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. McAdams, I tried your pills. They did not give me, but one, by persevering in the use of them, I am now entirely well.
Salt Rheum, Scald Head, Ulcers.
DEAR SIR: I have been entirely cured by your Pills of the worst case of scald head that ever afflicted my poor child.
VINCENT SLADDEN.

THE ONLY DISCOVERY,
WORTHY OF ANY CONFIDENCE FOR
RESTORING
THE BALD AND GRAY.
Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its resistless sway. Read the following:
Bath, Maine, April 18th, 1859.
PROF. O. J. WOOD & CO.: Gents:—The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching the facts in the case. The enquiries are, first, is it a fact of my habitation and name as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color? To all I can and do answer invariably yes. My hair is even better than in any stage of my life for 40 years past, more soft, thrifty and better colored; the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablution of the face, when if care were used by wiping the face in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this it has no doubt been merely imitated and been used, but only without any good effect, but to absolute injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and hundreds have examined it with surprise, as I am now 61 years old and not a grey hair in my head or on my face; and to prove this fact, I send you a lock of my hair taken of the past week. I received your favor of two quart bottles last summer, for which I am very grateful; I gave it to my friends and thereby induced them to try it. Many were skeptical until after trial, and then purchased and used it with universal success. I will ask as a favor, that you send me a test by which I can discover fraud in the Restorative sold by many. A fear, without authority from you. A pure article will insure success, and I believe where good effects do not follow, the failure is caused by the impure article, which carries the inventor of the good. I deem it my duty as heretofore, to keep you apprised of the continued effect on my hair, as I assure all who enquire of me of my unshaken opinion of its valuable results. I remain dear sir, yours,
A. C. RAYMOND.
Aurora, Run Ky., Nov. 30, 1858.
PROF. O. J. WOOD: Dear Sir,—I would certainly be doing you a great injustice not to make known to the world the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restorative extant, but without success, and finding my head nearly destitute of hair, I was finally induced to try a bottle of your Hair Restorative. Now candor and justice compel me to announce to whomsoever may read this, that I actually possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will therefore take occasion to recommend this valuable remedy to all who may feel the necessity of it.
Respectfully yours,
REV. S. ALLEN BROCK.
PS.—The testimonial of my appreciation for your valuable medicine for your Hair Restorative is unsolicited;—but if you think it worthy a place among the rest, insert it; you will not destroy and my nothing. Yours, &c.,
REV. S. A. B.
The Restorative is put up in bottles of three sizes, viz., large, medium and small; the small holds a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for three dollars per bottle.

NERVOUS DISORDERS.
What is more fearful than a break down in the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found. There is one: drink but little wine, beer, or spirits, or far better, none; take no coffee,—weak tea being preferable; get all the fresh air you can; take three or four Pills every night; eat plenty of solids, avoiding the use of slops; and forget you have any nerves.
MOTHERS AND DAUGHTERS.
If there is one thing more than another for which these Pills are so famous it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous and suspended secretions. Universally adopted as the one grand remedy for female complaints, they never fail, never weaken the system, and always bring about what is required.
SICK HEADACHES AND WANT OF APPETITES.
These feelings which so sadden us, most frequently arise from sanguineous or trouble, from obstructed perspiration, or from eating and drinking what is unfit for use, thus disordering the liver and stomach. These organs must be regulated if you wish to be well. The Pills, if taken according to the printed instructions, will quickly restore a healthy action to both liver and stomach, whence follow as a natural consequence, a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.
DISORDERS OF THE KIDNEYS.
In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.
FOR STOMACHS OUT OF ORDER.
No medicine will so effectually improve the tone of the stomach as these Pills; they remove all sickly, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in cases of mania. In fact they never fail in curing all disorders of the liver and stomach.

CHALYBEATE
RESTORATIVE
PILLS & IRON
AN aperient and Stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest Medical Authorities, both in Europe and the United States, and prescribed in their practice.
The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case. Innoxious in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:
In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhœa, Dysentery, Incipient Consumption, Scrofulous Tuberculosis, Salt Rheum, Menstruation, Whites, Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.
In cases of GENERAL DEBILITY, whether the result of acute disease or of the continued dissipation of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are affected of female sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical change, and that complication of nervous and dyspeptic aversion to air and exercise for which the physician has no name.
In NERVOUS APPREHENSIONS of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for, unlike the old nostrums, it is vigorously tonic, without being exciting and overheating; and gently, regularly aperient, even in the most obstinate cases of costiveness, without ever being a gastric purgative, or inflicting a disagreeable sensation.
It is this latter property, among others, which makes it so remarkably effectual and permanent a remedy for Piles, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.
In DYSPEPSIA, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendant Costiveness.
In ENGRAINED DIARRHŒA, even when advanced to Dysentery, accompanied, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.
In the local pains, loss of flesh and strength, debilitating cough, and remittent hectic, which generally indicate INCIPIENT CONSUMPTION, this remedy has allayed the alarms of friends and physicians, in several very gratifying and interesting instances.
In SCROFULOUS TUBERCULOSIS, this medicated iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known liabilities.
The attention of females cannot be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them.
In RHEUMATISM, both chronic and inflammatory—in the latter, however, your doubtfulness—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.
In INTERMITTENT FEVERS it must necessarily be a great remedy and energetic restorative, and its progress in the
