A NOVELTY IN THE ART WORLD!

PHOTOGRAPHY UPON PORCELAIN

Secured by letters patent in the United States, England, France and Belgium.

THE AMERICAN PHOTOGRAPHIC PORCELAIN COMP'Y, No. 781 Broadway, N.Y. having secured their novel and ingenious invention by American and European patents, are fully prepared to execute all orders for

Miniature Likenesses of persons on China presenting all the attractive and advantageous features of ordinary photographs, the brilliancy and finish of a water-color drawing, and a hitherto unattained quality of durability, by being rendered as imperishable as the natural properties of the articles upon which they are transferred.

As the patented process of the Company enables the reproduction of Photographs, not only on plain surfaces, but upon such as are round or of any degree of irregularity—portraits can be reproduced with faultless accuracy, and delicacy of delineation, upon Porcelain wares of any description and dimension used as articles of luxury or of household utility, such as Urns, Vases, Breakfast Cups, Toilet Articles, &c.; thereby securing faithful portraits and furnishing a unique and exquisite style of ornamentation of articles in domestic use.

In order to furnish facilities for the gratification of the popular taste, and to meet the wants of those patrons of the Fine Arts desirous of having Portraits on Porcelain, the Company have imported from Europe a collection of superior porcelain goods, manufactured to their own order, which they sell at cost prices.

As the American Company are owners of the patent right, and consequently the only persons authorized to use the process, they have determined, in order to afford people in every section of the Union an opportunity to possess

PORTRAITS ON CHINA,

to make the following proposition to residents in the Country, who are unable to visit personally the Atelier and Galleries in New York.

Persons sending a photograph, ambrotype, or daguerreotype to the office of the Company in New York, accompanied by $5, will receive in return by express, free of other charge,

A Richly Ornamented Breakfast Cup and Saucer, with the Portrait transferred thereon.

By transmitting a daguerreotype and $10, they will secure in like manner, a HANDSOME FRENCH VASE or TOILET ARTICLE, with the portrait reproduced by the patented process.

By sending a pair of daguerreotypes and $15, they will receive in return,

A PAIR OF RICH SEVRES VASES,

with the portraits executed equal to miniature paintings; and, in like manner, portraits can be reproduced on porcelain wares or Vases of every quality of finish, ranging in price from twenty to one hundred dollars the pair.

N.B.—Be particular in writing the address, town, county and State distinctly.

MOTHERS

Thousands are daily speaking in the praise of

DR. EATON'S

INFANTILE CORDIAL,

and why? because it never fails to afford instantaneous relief when given in time. It acts as if by magic, and one trial alone will convince you that what we say is true. It contains

NO PAREGORIC OR OPIATE

of any kind, and therefore relieves by removing the sufferings of your child, instead of by deadening its sensibilities. For this reason, it commends itself as the only reliable preparation now known for CHILDREN TEETHING, DIARRHŒA, DYSENTERY, GRIPING IN THE BOWELS, ACIDITY OF THE STOMACH, WIND, COLD IN THE HEAD, and CROUP, also, for softening the gums, reducing inflammation, regulating the Bowels, and relieving pain, it has no equal—being an anti-spasmodic it is used with unfailing success in all cases of CONVULSION OR OTHER FITS. As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of narcotics of which other remedies for Infantile Complaints are composed, take none but DR. EATON'S INFANTILE CORDIAL, this you can rely upon. It is perfectly harmless, and cannot injure the most delicate infant. Price, 25 cents. Full directions accompany each bottle. Prepared only by

BLOOD FOOD

Healthy human blood upon being

ANALYZED

always presents us with the same essential elements, and gives of course the TRUE STANDARD. Analyze the Blood of a person suffering from Consumption, Liver Complaint, Dyspepsia, Scrofula, &c., and we find in every instance certain deficiencies in the red globules of Blood. Supply these deficiencies, and you are made well. The BLOOD FOOD is founded upon this Theory—hence its astonishing success. There are

FIVE PREPARATIONS

adapted to the deficiencies of the Blood in different diseases. For Coughs, Colds, Bronchitis, or any affection whatever of the THROAT and LUNGS inducing Consumption, use No. 1, which is also the No. for Depression of Spirits, Loss of Appetite, and for all Chronic Complaints arising from Over-use, General Debility and Nervous Prostration. No. 2, for Liver Complaints. No. 3 for Dyspepsia. Being already prepared for absorption it is TAKEN BY DROPS and carried immediately into the circulation, so that what you gain you retain. The No. 4 is for Female Irregularities, Hysteria, Weakness, &c. See special directions for this. For Salt Rheum, Eruptions, Scrofulous Kidney, and Bladder Complaints, take No. 5. In all cases the directions must be strictly followed. Price of the BLOOD FOOD $1 per bottle.

A BLOODLESS VICTORY!!

1,000,000 Boxes sold of MOREHEAD'S

Magnetic Plaster.

THIS enormous quantity of this invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. The reason for this extraordinary success is simply in the actual truth and value of the article. No one buys the MAGNETIC PLASTER without becoming its friend. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.

The MAGNETIC PLASTER is undoubtedly the Greatest Strengthener and Pain Destroyer that Science has yet discovered. If you put this Plaster anywhere, if Pain is there, the Plaster will stick there until the Pain has vanished. The Plaster magnetizes the Pain away, and

PAIN CANNOT EXIST

WHERE THIS

PLASTER IS APPLIED.

Rheumatism, Lameness, Stiffness, Weakness Debility, Nervousness, Neuralgia, Dyspepsia Coughs and Colds, Pains and Aches of every kind are IMMEDIATELY RELIEVED, and with a little patience, PERMANENTLY CURED, by the magical influence of the MAGNETIC PLASTER. It is the simplest, surest, safest, pleasantest and cheapest remedy in existence. Its application is universal—equally to the strong man, the delicate woman, and the feeble infant. Its use is agreeable, and without annoyance or trouble. Its price is within reach of all—rich or poor: all may have it, and all should have it who are sick and suffering in any way.

FARMERS and PLANTERS should always be supplied with the MAGNETIC PLASTER. It will be the Good Physician in any household ready at all times and at instant notice.

Put up in air-tight tin boxes. Each box will make six or eight plasters and any child can spread them. Price, 25 cents a box, with full and plain directions.
