The Late Mrs. Wm. J. Love

The funeral of the late Mrs. Wm. Love, who passed away at the home of her daugter at Berkeley on Friday, May 16th, was held on Monday afternoon, May 19th, with service at the home of her son, Luther, at Mt. Zion.

Rev. A. G. Macpherson of Flesherton and Inistioge took the service and delivered a most comforting message. Hymns used during the service were Safe in The Arms of Jesus and What a Friend We Have in Jesus. Mrs. Elmo Stevens and Russell Acheson sang: Good Night and Good Morning.

The pallbearers were: Messrs. Fred Plantt, Fred Taylor, Elmo Stevens, Harry Fisher, Sam Sheardown and Emerson Gallaugher. The flower bearers were: Art and Bruce Wilson, Ren Acheson, Clayton Betts and Bob Nicholls.

Among the floral tributes were tokens of sympathy from the neighbors and the Portlaw neighbors.

The late Mrs. Love, whose maiden name was Sarah Ann Baker, was born at Caledon, but spent practically all her life in Artemesia Township a daughter of the late John and Frances Baker. Besides a daughter, Lila, and son, Luther, she leaves to mourn a sister, Mrs. Jane McCluney, of Fenelon Falls, Ont. Her husband, William J. Love, predecesed her by almost a year. Deceased was held in high esteem by friends at Portlaw and Berkeley where she had lived.

Interment was made in Mt. Zion Cemetery.

Friends from a distance who attended the funeral were: Mr. and Mrs. Morrell Crawford, Mr. and Mrs. G. McInns, Mrs. Wm. T. Fitzsimmons and Barry, Mr. and Mrs. E. Crossett, Mrs. A. Hannah, Mr. and Mrs. Ken Hill, Mr. and Mrs. A. McTaggart, Wm. Allen and Clifford, Mr. and Mrs. Gordon Wiley, Mr. and Mrs. Geo. Caswell, Mr. and Mrs. T. Batching is what a married man looks forward to in July and afterwards is darn glad when she gets back again.

BIG
TOURIST SEASON
AHEAD!

THE THOMPSONS are busy as bees, getting their place in shape for the tourist season. This year, with three more cabins, electricity and a modernized kitchen, they hope to do even better than before.

They were able to make these additions because last fall Mr. Thompson drove to town to see his bank manager. He knew about the nice little business the Thompsons had built up; a bank loan was quickly arranged.

Now the Thompsons can handle more tourists and increase their income. At the same time Canada will benefit from the extra tourist dollars they take in.

Bottle Mouse Trap

A devastating plague of mice in the Mallee district of Victoria, Australia, has resuscitated an old idea of a mouse trap, with an Australian angle to it. A piece of cheese for bait is plugged into the mouth of a beer bottle which is fixed horizontally above a kerosene can filled with water. Leading to the trap is a board up which the mouse climbs towards the cheese, but slips on the well-greased neck of the bottle. The mouse falls into the water and is drowned. One farmer, says the Australian News, claims to have caught 2,400 mice in this way within 12 hours.
