RICHARDSON'S NEW METHOD FOR THE PIANO-FORTE.

THIS New Method by the Author of 'The Modern School,' combines the excellencies of former works, with such improvements as the experience of Teachers and Scholars have, from time to time, suggested. Those who have examined it pronounce it unsurpassed, if not unequalled as a course of instruction designed to lead a pupil from the earliest rudiments of musical knowledge to the possession of that artistic skill as a performer necessary for a rapid and finished execution of the best compositions. Its elegantly engraved plates, exhibiting correct positions of the Hands and Fingers in playing form a new and important feature of a work of the kind, and will be found one of the greatest aids to both teacher and pupil.

Two Editions are published, one adopting American, the other foreign Fingering. When the work is ordered, if no preference is designated, the edition with American Fingering will be sent. Price $3, on receipt of which it will be forwarded by Mail, post paid. Published by

MOTHERS

Thousands are daily speaking in the praise of

DR. EATON'S

INFANTILE CORDIAL,

and why? because it never fails to afford instantaneous relief when given in time. It acts as if by magic, and one trial alone will convince you that what we say is true. It contains

NO PAREGORIC OR OPIATE

of any kind, and therefore relieves by removing the sufferings of your child, instead of by deadening its sensibilities. For this reason, it commends itself as the only reliable preparation now known for CHILDREN TEETHING, DIARRHŒA, DYSENTERY, GRIPING IN THE BOWELS, ACIDITY OF THE STOMACH, WIND, COLD IN THE HEAD, and CROUP, also, for softening the gums, reducing inflammation, regulating the Bowels, and relieving pain, it has no equal—being an anti-spasmodic it is used with unfailing success in all cases of CONVULSION OR OTHER FITS. As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of narcotics of which other remedies for Infantile Complaints are composed, take none but DR. EATON'S INFANTILE CORDIAL, this you can rely upon. It is perfectly harmless, and cannot injure the most delicate infant. Price, 25 cents. Full directions accompany each bottle. Prepared only by

BLOOD FOOD

Healthy human blood upon being

ANALYZED

always presents us with the same essential elements, and gives of course the TRUE STANDARD. Analyze the Blood of a person suffering from Consumption, Liver Complaint, Dyspepsia, Scrofula, &c., and we find in every instance certain deficiencies in the red globules of Blood. Supply these deficiencies, and you are made well. The BLOOD FOOD is founded upon this Theory—hence its astonishing success. There are

FIVE PREPARATIONS

adapted to the deficiencies of the Blood in different diseases. For Coughs, Colds, Bronchitis, or any affection whatever of the THROAT and LUNGS inducing Consumption, use No. 1, which is also the No. for Depression of Spirits, Loss of Appetite, and for all Chronic Complaints arising from Over-use, General Debility and Nervous Prostration. No. 2. for Liver Complaints, No. 3 for Dyspepsia. Being already prepared for absorption it is TAKEN BY DROPS and carried immediately into the circulation, so that what you gain you retain. The No. 4 is for Female Irregularities, Hysteria, Weaknesses, &c. See special directions for this. For Salt Rheum, Eruptions, Scrofulous Kidney, and Bladder Complaints, take No. 5. In all cases the directions must be strictly followed. Price of the BLOOD FOOD $1 per bottle.

A BLOODLESS VICTORY!!

1,000,000 Boxes sold of MOREHEAD'S

Magnetic Plaster.

THIS enormous quantity of this Invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. The reason for this extraordinary success is simply in the actual truth and value of the article. No one buys the MAGNETIC PLASTER without becoming its friend. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.

The MAGNETIC PLASTER is undoubtedly the Greatest Strengthener and Pain Destroyer that Science has yet discovered. If you put this Plaster anywhere, if Pain is there, the Plaster will stick there until the Pain has vanished. The Plaster magnetizes the Pain away, and

PAIN CANNOT EXIST WHERE THE PLASTER IS APPLIED.

Rheumatism, Lameness, Stiffness, Weakness Debility, Nervousness, Neuralgia, Dyspepsia Coughs and Colds, Pains and Aches of every kind are IMMEDIATELY RELIEVED, and with a little patience, PERMANENTLY CURED, by the magical influence of the MAGNETIC PLASTER. It is the simplest, surest, safest, pleasantest and cheapest remedy in existence. Its application is universal—equally to the strong man, the delicate woman, and the feeble infant. Its use is agreeable, and without annoyance or trouble. Its price is within reach of all—rich or poor; all may have it, and all should have it who are sick and suffering in any way.

FARMERS and PLANTERS should always be supplied with the MAGNETIC PLASTER. It will be the Good Physician in any household ready at all times and at instant notice.

Put up in air-tight tin boxes. Each box will make six or eight plasters and any child can spread them. Price, 25 cents a box, with full and plain directions.

D. C. MOREHEAD, M. D., Inventor and Proprietor, 19 Walker Street, New York.

MOREHEAD'S MAGNETIC PLASTER IS SOLD BY ALL DRUGGISTS AND DEALERS IN GENUINE MEDICINES EVERYWHERE.

SANFORD'S LIVER

INVIGORATOR

NEVER DEBILITATES,

IT is compounded entirely from Gums and has become an established fact a Standard Medicine, known and approved by all, that have used it, and is now resorted to with confidence in all the diseases for which it is recommended. It has cured thousands within the last two years who had given up all hopes of relief, as the numerous unsolicited certificates in my possession show. The dose must be adapted to the temperament of the individual taking it and used in such quantities as to act gently on the bowels.
