FAR AHEAD OF ANY FASHIONS IN EUROPE OR AMERICA
Godey's is the only work in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and the public. The publication of these plates cost
$10,000 MORE
Than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to do it. Other magazines cannot afford it. Only when the public can be informed that fashions may be relied on—that a lady may be made after them, and the world will not subject herself to ridicule, as she would be the case if she visited the cities dressed after the style of the plates given in some of our so called fashion magazines.

Beware of them. Remember that the Lady's Book is the original publication and cheapest. If you take Godey, you want no other magazine.

OUR RECIPES

THE SPECIFIC PILL
A SPECIFIC REMEDY FOR
SPERMATORRHŒA, OR SEMINAL WEAKNESS, AND GENITAL IRRITABILITY IN EITHER SEX.

This Malady, the terrible consequences of which are too well known to require more than a bare allusion to them, is one of the most insidious, and therefore dangerous, of all the long catalogue of human ills. It saps the very springs of Life, rapidly undermines the constitution, and sinks the unhappy victim into imbecility and a premature grave! From one to six boxes of the Specific Pill are sufficient to effect a permanent cure in the most aggravated cases, whether Constitutional, or arising from Abuse or Excesses.

MEDICAL TESTIMONY.

"We believe it to be, in the treatment of Spermatorrhœa, as near a Specific as any medicine can be."—R. Keith, M. D. [Am. Jour. of Medical Science.

"I have found them all that could be desired. Their effect has been truly wonderful. I used them in a case of Spermatorrhœa of long standing which has been under treatment for years. I think three boxes will complete the cure."—E. P. Dickee, M.D.

JUDSON'S
Mountain Herb Pills.

Above we present you with a perfect likeness of Deseh, a chief of a tribe of the strange Aztec Nation, that once ruled Mexico. You will find a full account of him and his people in our Pamphlets and Almanacs—to be had gratis, from the Agents for these Pills.

The Inventor and Manufacturer of "Judson's Mountain Herb Pills," has spent the greater part of his life in traveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and it was thus that the "MOUNTAIN HERB PILLS" were discovered. A very interesting account of his adventures there, you will find in our Almanac and Pamphlet.

It is an established fact, that all disease arises from

IMPURE BLOOD!

The blood is the life! and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is withound, and so the circulation is feeble. The food becomes clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain-head of life—the blood. As if you had thrown some earth, for instance, in a pure spring, from which run a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out.

These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled as a

CURE FOR BILIOUS DISEASES,

Liver Complaint, Sick Headache, &c. This Anti-Bilious Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and honest, cleansing and invigorating the vital organs.

Doubt it not, reader, if you will, but we are able to place within your reach a medicine like the "MOUNTAIN HERB PILLS," that will pass directly to the affected parts, through the blood, and fields of the body, and cause the sufferer to brighten with the flush of beauty and health.

Judson's Pills are the Best Remedy in existence for the following Complaints:

Blood Complaints,	Jaundice,	General Weakness,
Coughs,	Fever and Ague,	Liver Complaints,
Colds,	Female Complaints,	Lassitude of Spirits,
Chest Diseases,	Headache,	Costiveness,
Consumption,	Indigestion,	Piles,
Dyspepsia,	Dysentery,	Rheumatism,
Diarrhea,	Inflammation,	Gout,
Dropsy,		

GREAT FEMALE MEDICINE!

Females who value health, should never be without these Pills. They purify the blood, relieve obstructions of all kinds, cause the stain of all impurities and blotches, and bring the rich color of health to the pale cheek.

The Plants and Herbs of which these Pills are made, were discovered in a very surprising way among the Indians, a tribe of Aborigines in Mexico, but the interesting account of his adventures there, you will find in our Almanac and Pamphlet.

Observe.—The genuine Judson's Pills are put up in a yellow Wrapper. Each box contains 40 pills, and bears the signature of "JUDSON & CO." on each box.

BLACKWOOD'S MAGAZINE
AND THE
BRITISH REVIEWS.

L. SCOTT & CO., NEW YORK, continue to publish the following leading British Periodicals, viz:

1. THE LONDON QUARTERLY (Conservative).
2. THE EDINBURGH REVIEW (Whig).
3. THE NORTH BRITISH REVIEW (Free Church).
4. THE WESTMINSTER REVIEW (Liberal).
5. BLACKWOOD'S EDINBURGH MAGAZINE.

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumors of the daily Journal, and the ponderous tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these periodicals that readers must look for the only really intelligible and readable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

DARLING'S
LIVER REGULATOR,
AND
LIFE BITTERS,

Are pure vegetable extracts. They cure all bilious disorders of the human system. They regulate and invigorate the liver and stomach; they give tone to the digestive organs; they regulate the secretions, excretions and exhalations; equalize the circulation, and purify the blood. Thus all bilious complaints—some of which are Torpid Liver, Sick Headache, Dyspepsia, Piles, Chills and Fevers, Costiveness or Looseness—are entirely controlled and cured by these remedies.

DARLING'S
LIVER REGULATOR
Removes the morbid and bilious deposits from the stomach and bowels, regulates the liver and kidneys, removing every obstruction, restores a natural and healthy action in the vital organs. It is a superior

FAMILY MEDICINE,
Much better than pills, and much easier to take.

DARLING'S
LIFE BITTERS
Is a superior tonic and diuretic; excellent in cases of loss of appetite, flatulency, female weakness, irregularities, pain in the side and bowels, blind, protruding and bleeding piles, and general debility.

READ THE FOLLOWING TESTIMONY:

Jas. L. Brumley, merchant, 184 Fulton street, New York, writes August 18, 1860:—"I have been afflicted with piles accompanied with bleeding, the last three years; I used

DARLING'S
LIVER REGULATOR
AND
LIFE BITTERS
And now consider myself entirely cured."

Hon. John A. Cross writes, "Brooklyn March 15, 1860. In the spring of 1859 I took a severe cold, which induced a violent fever. I took two doses of

DARLING'S LIVER REGULATOR.
It broke up my cold and fever at once. Previous to this attack, I had been troubled with dyspepsia several months; I have felt nothing of it since."

Otis Studley, Esq., 138 East 28th Street, N.Y., writes: "August 18, 1860.—I had a difficulty with Kidney Complaint three years, with constant pain in the small of my back. I had used most all kinds of medicines, but found no permanent relief until I used

DARLING'S LIVER REGULATOR
AND
LIFE BITTERS.

I passed clotted blood by the urethra. I am now entirely cured, and take pleasure in recommending these remedies."

Mrs. C. Tebow, 11 Christopher Street, N.Y., writes: "Feb. 20, 1860.—I have been subject to attacks of Asthma the last twenty years. I have never found anything equal to

DARLING'S LIVER REGULATOR
in affording immediate relief. It is a thorough Liver and bilious remedy."

Mrs. Young, of Brooklyn, writes, "February 29, 1860.—In May last I had a severe attack of Piles, which confined me to the house. I took one bottle of

DARLING'S LIFE BITTERS,
and was entirely cured." I have had no attack since."

D. Westervelt, Esq., of South 5th, near 5th Street, Williamsburg, L.I., writes: "August 5, 1860.—Having been troubled with a difficulty in the Liver, and subject to bilious attacks, I was advised by a friend to try

DARLING'S LIVER REGULATOR.
I did so, and found it to operate admirably removing the bile and arousing the liver to activity. I have also used it as a

THE PERFECTION OF
Medical Science.
Fifty Years Practical Experience.
HOLLOWAY'S OINTMENT.

The rapid sale of this Ointment and the universal favor with which it is uniformly received, prove conclusively its powerful efficacy on disease. During a period of fifty years it has stood the trying ordeal of the civilized world, and its popularity attests its marvellous virtues while the demand for it to-day, still continues as unbated as ever—a fact so significant that further comment is unnecessary.

SKIN DISEASES.

Erysipelas, Ringworm, Measles, Small Pox Scarlatina, Rash, Itch, Cutaneous Eruptions, Blotches, Pimples, Pustules, whether Scaly, Dry, Watery, Crusted or Mattery, are quickly healed by the free use of this Balsamic Ointment. Its operation is materially assisted by taking Holloway's Purifying Pills, which expel the blood and secretions.

DISEASES OF THE THROAT AND CHEST

Diptheria or Patrid Sore Throat, Quinsy, Coughs, Colds, Hoarseness, Influenza, Catarrh, Asthma, Bronchitis, Tightness of the Chest, Pleurisy, &c. By rubbing the Ointment on the affected parts it is quickly absorbed and allays the Irritation, cleanses the passages of the phlegm which obstructs them, thereby giving immediate freedom to the organs of respiration.

LUNG DISEASES, EXTERNAL ULCERS.

The extraordinary efficacy of this Balsamic Ointment on Old Sores, Bad Legs and Cancer-Ulcers, is frankly admitted by eminent medical men. By rubbing it on the chest and back it is quickly imbibed by the absorbents, and conveyed through the aid of the blood to the lungs where its antiseptic properties are equally as active on ulcerated tubercles as on external ulcers. Thousands have been cured of Incipient Consumption by a persevering use of Holloway's Pills and Ointment.

RHEUMATISM, NEURALGIA, GOUT.

The Excruciating agonies of Tic-Douloureux, Lumbago and Sciatica, the crippling diseases of the Nerves and Muscles, the exquisite torture of Cramps, Gout, and contracted or stiff Joints are quickly assuaged by local applications of the Ointment which soothes the irritability and relaxes the spasms. As these diseases however, originate in the acid state of the blood permanent relief cannot be obtained by a liberal use of Holloway's Pills, in conjunction with the Ointment, to renovate the vital fluid of the humors which engender the disorders.

Both the Ointment and Pills should be used in the following cases:

Bad Breasts	Chilblains,	Scalds,
Burns,	Corns (Soft)	Sore Nipples
Bunions	Cancers	Scurvy,
Bite of Moschetoes and	Coco-bay Glandular	Sore Heads, Tumors,
Sand Flies,	Swellings	Wounds
Chiego-foot	Elephantiasis	Yaws.
Chapped Hands	Fistula, Piles,	

IMPORTANT CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-Mark in every leaf of the book of directions around each pot or box.

* Sold at the manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the civilized world, in pots, at 25 cents, 63 cents, and $1 each.

There is a considerable saving by taking the larger sizes.
