night it was very cold, and the Englishman feeling it pretty badly, came downstairs early next morning to get warm. At the same time, a trapper, who had been out looking at his traps, came in the door. Icicles were hanging from his moustache and with a pitying expression, the Englishman looked at him and exclaimed: "By Jove, old man, what room did you sleep in?"

SANDY SIMPSON has been patiently improving his dairy herd. He saw his chance to buy a pure bred bull — and the manager of his bank lent him the ready cash to close the deal. Now he's expecting great things of his new calf; already he sees her winning her class at next year's Fall Fair. A few more like her and he can also see his milk production rising — as well as a nice extra income from selling his surplus stock to neighbouring farmers.
