HOLLOWAY'S PILLS AND OINTMENT.—He only is wise who seeks safety in precaution. Life is uncertain, thousands in vigor of health to-day will never see to-morrow. The varying atmosphere, the raw piercing winds warn us of winter's approach with its icy blasts and ruthless scourges; Coughs, Colds, Sore Throats, Asthma, Bronchitis, Pleurisy, Consumption, Rheumatism, Chilblains, Frost bites, &c.—The wise and cautious will immediately have recourse to those powerful invigorators Holloway's Pills, which enable the lungs to resist the deleterious effects of ill weather and fortify the constitution to withstand the rigors and inclemencies of winter. The Ointment is an infallible remedy for inflammation of the throat and all disorders of the chest produced by violent colds. It also gives speedy relief to the organs of respiration. 6[195]

RELIEF IN TEN MINUTES.

BRYAN'S PULMONIC WAFERS.

The most certain and speedy remedy ever discovered for all diseases of the Chest and Lungs, Coughs, Colds, Asthma, Consumption, Bronchitis, Influenza, Hoarseness, Difficult Breathing, Sore Throat, &c.

THESE WAFERS give the most instantaneous and perfect relief, and when persevered with according to directions, never fail to effect a rapid and lasting cure. Thousands have been restored to perfect health who have tried other means in vain. To all classes and all constitutions they are equally a blessing and a cure—none need despair, no matter how long the disease may have existed, or how severe it may be, provided the organic structure of the vital organs is not hopelessly decayed. Every one afflicted should give them an impartial trial.

To vocalists and Public Speakers these Wafers are peculiarly valuable; they will in one day remove the most severe decasional hoarseness; and their regular use for a few days will, at all times, increase the power and flexibility of the voice, greatly improving its tone, compass and clearness, for which purpose they are regularly used by many professional vocalists.

THE GREAT FEMALE MEDICINE—The functional irregularities peculiar to the weaker sex, are invariably corrected without pain or inconvenience by the use of Judson's Mount'in Herb Pills. They are the safest and surest medicine for all the diseases incidental to females of all ages, and more especially so in this climate.

Ladies who wish to enjoy health should always have these Pills. No one who ever uses them once will allow herself to be without them. They remove all obstructions, purify the blood and give to the skin that beautiful, clear and healthful look so greatly admired in a beautiful and healthy woman. At certain periods these Pills are an indispensable companion. One to four should be taken each day, until relief is obtained. A few doses, occasionally, will keep the system so healthy, and the blood so pure that diseases cannot enter the body.

THE PIONEER

GIFT BOOK

STORE.

G. W. PITCHER

SUCCESSOR TO

D. W. EVANS & CO.,

No. 677 Broadway, NEW YORK.

THE OLDEST ESTABLISHED GIFT BOOK HOUSE.

A GIFT WITH EVERY BOOK,

Worth from 50c. to $100,00.

G. W. PITCHER, having purchased the entire stock and business of the late firm of D. W. Evans & Co., 677 Broadway, begs to inform the public that he will continue the business at the old place, in accordance with the times, is prepared to offer greater inducements to the purchasers of Books than ever before. The titles are selected with care, and are of the best quality and of the most fashionable styles. The books are sold at the lowest prices, and a gift—useful or ornamental—to the value from 50c. to $100 is given with each Book.

What I claim as the peculiar advantage of this business is that I give more for the same amount of money than the regular dealer in books, and thus make my Books advertise themselves. Also, creating a healthy taste for useful and standard literature by introducing books, in many cases, where they have hitherto been almost unknown.

THE BOOKS ARE NEW and fresh from the publisher's hands, and all orders are filled and delivered with the utmost despatch to all parts of the United States and the Canadas. The central location of New York gives peculiar facilities for rapidity and cheapness of transportation, which are unrivalled by any city in the world.

FIFTEEN THOUSAND AGENCIES are open for application, and all persons desiring a pleasant, easy and profitable employment, requiring but little of their time, will do well to accept at the earliest opportunity and secure in their names.

As this house from the first has taken the lead of all others, I shall endeavor to maintain the position and well earned reputation.

Book Agents, and those desiring to become so, should examine my terms, as ten books can be sold in the same time that one may be disposed of in the usual way, through the indescribable given to the publisher.

REMEMBER

That this is the only Gift Book House that takes the risk of loss through the mail.

That this is the only Gift Book House that has received the voluntary endorsement of over one hundred city and country journals, and of the leading publishing houses of the country.

That this is the oldest established and most extensive House of the kind in the world.

That I pay the most liberal commission to Agents.

That I keep the most varied and extensive stock of Books and Gifts, and gratuitously circulate the most complete and best classified catalogue in the country.

That I guarantee perfect satisfaction to all who may favor me with their patronage.

HOW TO SEND FOR BOOKS.

Orders of Five Books and upwards should be sent by express, if possible, as it is safer and cheaper than by mail.

Money, if possible, should be sent in form of Drafts, as payment can be stopped if lost through the mail.

Letters enclosing money may be sent at my risk, provided they are registered according to law. These precautions are simple and within the reach of all, assuring the safe transmittance of Books.

In ordering books, the title, in black letters only should be used. The writing should be plain, and the Name, Post Office, County and State should be distinct to avoid mistakes.

THE SCIENCE OF HEALTH.

Every Man His Own Physician!

HOLLOWAY'S PILLS

The laws relating to health are so exceedingly simple as to be within the comprehension of the most limited capacity. Disease is an effect—the violation of some principle of nature, consequently the infraction of her laws is invariably punished with pain and suffering.—Medical writers classify the predisposing causes under two heads:

An unhealthy condition of the Stomach, and a depraved state of the Blood.

DISORDERS OF THE STOMACH, LIVER & BOWELS.

The Stomach is the great centre which influences the health or disease of the system—Abused or debilitated by excess—Indigestion, offensive breath and physical prostration are the natural consequences. Allied to the brain it is the source of headaches, mental depression, nervous complaints and unrefreshing sleep. The liver becomes affected and generates bilious disorders, pains in the side, &c.—The Bowels sympathize by Costiveness, Diarrhœa and Dysentry. The principal action of these Pills is on the stomach and the liver, lungs, bowels and kidneys, participate in their recuperative and regenerative operation.
