THE LADY'S FRIEND.

GODEY'S LADY'S BOOK

FOR 1862

THE WORLD'S FAVORITE.

For 32 Years the Standard Magazine.

Pronounced by the Press of the United States

THE BEST LADY'S MAGAZINE IN THE WORLD AND THE CHEAPEST.

THE LITERATURE

Is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers to the Book.

THE BEST LADY WRITERS

In America contribute to its pages, and we have some that write for no other magazine.

THE MUSIC

Is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except 'Godey.'

OUR STEEL ENGRAVINGS,

All efforts to rival us in this have ceased, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

GODEY'S

Immense Double Sheet Fashion-Plate

CONTAINING

From five to seven full length Colored Fashions on each plate. Other magazines give only two,

FAR AHEAD OF ANY FASHIONS IN EUROPE OR AMERICA.

Godey's is the only work in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and the public. The publication of these plates cost

$10,000 MORE

Than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefited.

These fashions may be relied on.—Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so called fashion magazines.

OUR WOOD ENGRAVINGS,

Of which we give twice or three times as many as any other magazine, are often mistaken for steel. They are so far superior to any others.

IMITATIONS.

Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey, you want no other magazine.

Everything that is useful or ornamental in a house can be found in Godey.

DRAWING LESSONS.

No other magazine gives them, and we have given enough to fill several large volumes.

OUR RECEIPTS

Are such as can be found nowhere else. Cooking in all its variety—Confectionary—the Nursery, the Toilet—the Laundry—the Kitchen. Receipts upon all subjects are to be found in the pages of the Lady's Book. We originally started this department, and have peculiar facilities for making it most perfect. This department alone is worth the price of the Book.

LADIES' WORK TABLE.

This department comprises engravings and descriptions of every article that a lady wears.

MODEL COTTAGES.

No other magazine has this department.

Terms to Subscribers in the British Provinces.

One copy one year, $3. Two copies one year, $5. Three copies one year, $6. Five copies one year, and an extra copy to the person sending the club, making six copies, $11 25.

At these prices subscribers in the Provinces will have no American postage to pay.

SPECIAL CLUBBING WITH OTHER MAGAZINES.

Godey's Lady's Book and Arthur's Home Magazine both one year for $3 50.

Godey's Lady's Book and Harper's Magazine both one year for $4 50.

Godey, Harper and Arthur will all three be sent one year, on receipt of $6 00.

BLACKWOOD'S MAGAZINE

BRITISH REVIEWS.

E. SCOTT & CO., NEW YORK, continue to publish the following leading British Periodicals, viz:

1. THE LONDON QUARTERLY (Conservative).
2. THE EDINBURGH REVIEW (Whig).
3. THE NORTH BRITISH REVIEW (Free Church).
4. THE WESTMINSTER REVIEW (Liberal).
5. BLACKWOOD'S EDINBURGH MAGAZINE.

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news items, crude speculations and flying rumors of the daily Journal, and the ponderous Tome of the future historian, written after the living interest in the events of the great political events of the time shall have passed away.—It is to these periodicals that readers must look for the only reliable, long-date and readable history of current events, and as such, in addition to their well established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

EARLY COPIES.

The receipt of ADVANCE SHEETS from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

DARLING'S

LIVER REGULATOR,

AND

LIFE BITTERS,

Are pure vegetable extracts. They cure all bilious disorders of the human system. They regulate and invigorate the liver and kidneys; they give tone to the digestive organs; they regulate the secretions, excretions and exhalations, equalize the circulation, and purify the blood. Thus all bilious complaints—some of which are Torpid Liver, Sick Headache, Dyspepsia, Piles, Chills and Fevers, Costiveness or Looseness—are entirely controled and cured by these remedies.

DARLING'S

LIVER REGULATOR

Removes the morbid and bilious deposits from the stomach and bowels, regulates the liver and kidneys, removing every obstruction, restores a natural and healthy action in the vital organs. It is a superior

FAMILY MEDICINE,

Much better than pills, and much easier to take.

DARLING'S

LIFE BITTERS

Is a superior tonic and diuretic: excellent in cases of loss of appetite, flatulency, female weakness, irregularities, pain in the side and bowels, blind protruding and bleeding piles, and general debility.

READ THE FOLLOWING TESTIMONY:

Jas. L. Brumley, merchant, 184 Fulton Street, New York, writes August 18, 1860:—"I have been afflicted with piles accompanied with bleeding, the last three years; I used

DARLING'S

LIVER REGULATOR

AND

LIFE BITTERS

And now consider myself entirely cured."

Hon. John A. Cross writes, "Brooklyn March 15, 1860. In the spring of 1859 I took a severe cold, which induced a violent fever. I took two doses of

DARLING'S LIVER REGULATOR.

It broke up my cold and fever at once. Previous to this attack, I had been troubled with dyspepsia several months; I have felt nothing of it since."

Otis Studley, Esq., 128 East 28th Street, N.Y., writes: "August 13, 1860—I had a difficulty with Kidney Complaint three years with constant pain in the small of my back. I had used most all kinds of medicines, but found no permanent relief until I used

DARLINGS LIVER REGULATOR

AND

LIFE BITTERS.

I passed clotted blood by the urethra. I am now entirely cured, and take pleasure in recommending these remedies."

Mrs. C. Tobias, 11 Christopher Street, N.Y., writes: "Feb. 29, 1860. I have been subject to attacks of Asthma the last twenty years. I have never found anything equal to

DARLING'S LIVER REGULATOR

in affording immediate relief. It is a thorough Liver Regulator and a speedy remedy."

Mrs. Young of Brooklyn, writes, "February 28, 1860.—In July last I had a severe attack of Piles, which confined me to the house. I took one bottle of

DARLING'S LIFE BITTERS,

and was entirely cured. I have had no attack since."

D. Westervelt, Esq., of South 5th, near 8th Street, Williamsburg, L.I., writes, "August 5, 1860.—Having been troubled with a difficulty in the Liver, and subject to bilious attacks, I was advised by a friend to try

DARLING'S LIVER REGULATOR.

I did so, and found it to operate admirably, removing the bilious and arousing the liver to activity. I have also used it as a

FAMILY MEDICINE.

When our children are out of sorts, we give them a few drops and it sets them all right. I find it meets the general wants of the stomach and bowels when disordered."

READER, if you need either or both of these most excellent Remedies, inquire for them at the stores; if you do not find them take no other, but inclose One Dollar in a letter, and on receipt of the money, the Remedy or Remedies will be sent according to your directions, by mail or express, post-paid. Address,

JUDSON'S

Mountain Herb Pills.

[illegible] we present you with a perfect Shekess of [illegible] a chief of a tribe of the strange Aztec Nation, [illegible] Mount Shasta. You will find a full account of [illegible] in our pamphlets and almanacs—to be had gratis from the Agents for these Pills.

Discovered and Manufactured by B. L. Judson's Mountain Herb Pills. [illegible] the greater part of his life in roaming, having rolled nearly every country in the world. He spent over six years among the Indians of Central Mexico and Oregon, and it was thus that he became acquainted with the wonderful properties of the herbs, roots, and flowers, which he now uses in these Pills.

It is an established fact, that all diseases arise from

IMPURE BLOOD!

The blood is the life and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every part of the body. Every nerve feels the poison, and the whole system quickly complains. The stomach will not digest the food properly, the liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain-head of life—the Blood! As if you had thrown some [illegible] for instance, in a pure spring, from which ran a [illegible] stream, it is immediately the whole course of the stream becomes disturbed and thickened. As quickly does impure blood fly to every part, and leave its sting behind. All the passages become obstructed, and unless the impurities be removed, the loss of life soon follows.

These pills not only purify the blood, but regenerate all the secretions of the body; they are, therefore, unrivalled as a

CURE FOR BILIOUS DISEASES,

Liver Complaint, Sick Headache, &c. This *Anti Bilious* Medicine expels from the blood the hidden seeds of disease, and renders all the fluids and secretions pure and blood-cleansing and reconstituting the vital organs.

Pleasant indeed, it is to us, that we are able to place within your reach a medical Gem like the Mountain Herb Pills, that will pass directly to the afflicted parts, through the blood and fluids of the body, and cause the sufferer to brighten with the flush of beauty and health.

Judson's Pills are the Best Remedy in existence for the following Complaints:

Blood Complaints,	Debility,	Inward Weakness,
Cholera,	Fever and Ague,	Liver Complaints,
Cholic,	Female Complaints,	Looseness of Spirits,
Chest Diseases,	Headache,	Piles,
Costiveness,	Indigestion,	Stone and Gravel,
Dyspepsia,	Inflection,	Secondary Syphilis,
Diarrhœa,	Inflammation,	Worms.
Dropsy,		

GREAT FEMALE MEDICINE!

Females who value health, should never be without these Pills. They purify the blood, remove obstructions of all kinds, cleanse the skin of all pimples and blotches, and bring the rich color of health to the pale cheek.

☞ The Plants and Herbs of which these Pills are made were discovered in a very surprising way among the Tarahumare, a tribe of Aborigines in Mexico. Get the almanac of our Agent and you will read with delight, the very interesting account it contains of the "Great Success" of the Aztecs.

Observe.—The Mountain Herb Pills are put up in a Blue-Pink Wrapper. Each box contains 40 pills, and Retails at 25 cents per box. All genuine have the signature of B. L. JUDSON & CO. on each box.

THE PERFECTION OF MEDICAL SCIENCE.

Fifty Years Practical Experience.

HOLLOWAY'S OINTMENT.

The rapid sale of this Ointment and the universal favor with which it is uniformly received prove conclusively its powerful efficacy on disease. During a period of fifty years it has stood the trying ordeal of the civilized world, and its popularity attests its marvellous virtues while the demand for it to-day still continues as unbated as ever—a fact so significant that further comment is unnecessary.

SKIN DISEASES.

Erysipelas, Ringworm, Measles, Small Pox, Scarlatina, Rash, Itch, Cutaneous Eruptions, Blotches, Pimples, Pustules, whether Scaly, Dry, Watery, Crusted or Mattery, are quickly healed by the free use of this Balsamic Ointment. Its operation is materially assisted by taking Holloway's Purifying Pills, which exercise a powerful and healthy influence on the blood and secretions.

DISEASES OF THE THROAT AND CHEST.

Diphteria or Putrid Sore Throat, Quinsy, Coughs, Colds, Hoarseness, Influenza, Catarrh, Asthma, Bronchitis, Tightness of the Chest, Pleurisy, &c. By rubbing the Ointment on the affected parts it is quickly absorbed and allays the irritation, cleanses the passages of the phlegm which obstructs them, thereby giving immediate freedom to the organs of respiration.

LUNG DISEASES, EXTERNAL ULCERS.

The extraordinary efficacy of this Balsamic Ointment on Old Sores, Bad Legs and Cancerous Ulcers, is frankly admitted by eminent medical men. By rubbing it on the chest and back it is quickly imbibed by the absorbents and conveyed through the and of the blood to the lungs where its antiseptic properties are equally as active on ulcerated tubercles as on external ulcers. Thousands have been cured of Incipient Consumption by a persevering use of Holloway's Pills and Ointment.

RHEUMATISM, NEURALGIA, GOUT.

The Excruciating agonies of Tic-Douloureux Lumbago and Sciatica, the crippling diseases of the Nerves and Muscles, the exquisite torture of Cramps, Gout, and contracted or stiff Joints are quickly assuaged by local applications of the Ointment which soothes the irritability and relaxes the spasms. As these diseases however, originate in the acid state of the blood permanent relief cannot be obtained by a liberal use of Holloway's Pills, in conjunction with the Ointment, to renovate the vital fluid of the humors which engender the disorders.

Both the Ointment and Pills should be used in the following cases:

Bad Breasts	Chilblains,	Scalds,
Burns,	Corns (Soft)	Sore Nipples
Bunions	Cancers	Scurvy,
Bite of Mosquitoes	Coco-bay	Sore Heads,
	Glandular	Tumors,
Sand Flies,	Swellings	Wounds
Chigo-foot	Elephantiasis	Yaws.
Chapped Hands	Fistula,	
	Piles,	

IMPORTANT CAUTION!—None are genuine unless the words "*Holloway, New York and London,*" are discernible as a Water-mark in every leaf of the book of directions around each pot or box.

☞ Sold at the manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the civilized world, in pots, at 25 cents, 63 cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

are open for application, and all persons desiring a pleasant, easy and profitable employment, requiring but little of their time, will do well to accept at the earliest opportunity and send in their names.

As this house from the first has taken the lead of all others, I shall endeavor to maintain its position and well earned reputation.

Book Agents, and those desiring to become so, should examine my terms as ten books can be sold in the same time that one may be disposed of in the usual way, through the inducements given to the publisher.

REMEMBER

☞ That this is the only Gift Book House that takes the risk of loss through the mail.

☞ This is the only Gift Book House that has received the voluntary endorsement of over five hundred city and country journals and of the leading publishing houses of the country.

☞ This is the oldest established and most extensive House of the kind in the world.

☞ I pay the most liberal commission to Agents.

☞ I keep the most varied and extensive stock of Books and Gifts, and gratuitously circulate the most complete and best classified catalogue in the country.

☞ I guarantee perfect satisfaction to all who may favor me with their patronage.

HOW TO SEND FOR BOOKS.

Orders of Five Books and upwards should be sent by express, if possible, as it is safer and cheaper than by mail.

Money, if possible, should be sent in form of Drafts, as payment can be stopped if lost through the mail.

Letters containing money may be sent at my risk, provided they are registered according to law. These precautions are simple and within the reach of all, assuring the safe transmittance of Books.

☞ In ordering books, the title, in black letters only should be used. The writing should be plain, and the Name, Post Office, County and State should be distinct to avoid mistakes.

DEFENCE AND DEFIANCE.

The subscriber begs to inform the loyal citizens of Kingston and its vicinity that, as war seems inevitable, he has laid in store a large supply of material peculiar to his department of business, for defence against those formidable enemies of our comfort—frost and snow. He has devoted his attention to the providing of armour for the feet, which will be found not only proof against the attacks of our enemies but also desirable as neat and elegant articles of covering for the feet. Those desirous of being prepared for the enemy would do well to call without delay at the depot,

36 Princess Street,

where they can be provided with the necessary articles. The stock of these articles includes a great number of styles and all sizes suitable for Ladies, Gentlemen and Children. The stock and prices are such that they cannot fail to give satisfaction to every purchaser.

500 SHOT DEAD.

DR. McKENZIE'S

DEAD SHOT WORM CANDY.

IS WORKING MIRACLES BEYOND ALL conception. The Medical Faculty of Scotland, as well as England and Ireland, have pronounced this Worm Candy to do more good than all other Worm Medicines combined. It has stood the test since A. D. 1746, nearly one hundred years, which almost every man and daughter of old Scotia can testify. It has always borne the name of

"OLD DR. McKENZIE'S WORM CANDY STICK."

As it resembles a candy stick in taste and appearance, and a child eating it is wholly unconscious of taking medicine, and where worms exist, the results are beyond description.

A child of ten years of age of Rev. J. McDougall, Dundee, passed over 500 worms in Three Days, which he testifies, that he believes by God's blessing, it saved the child's life.—Thousands of similar testimonials are given (without solicitation) to the present proprietor.

GENERAL SYMPTOMS OF WORMS:

Restless, Sudden Starting and Grinding the Teeth in Sleep, Convulsions, Ravenous appetite, (sometimes no appetite,) paleness picking the Nose, Bowel Complaints, Fever, Fretfulness, Emaciation, Looseness of the Flesh, Dry Coughs, Sour Breath &c., &c.

All of the above symptoms will immediately cease to exist by using this once or twice. It always gives health
